

The Mightiest Little Peasant Chapter 3389

“That mu guy came out alive again!”

“This is unbelievable! This is already the second time!”

The divine martial Army was in an uproar.

When they saw the man surnamed mu being sent to the array, they were all gloating.

But now, there was only shock in their hearts.

“There’s no justice!”

Hong Tianyi was stunned for a long time. He was so angry that his face was twisted, and his heart was filled with jealousy.

How could a shameless pervert have such luck?

This was completely unreasonable!

“He’s really a person with great fortune!”

“This kid is not simple! Just based on this luck, his future is limitless!”

In the commander city, the divine generals looked forward with burning eyes.

Last time, they had been interested in this kid, but after finding out his identity, they gave up. But now, they wanted to snatch him away.

What was a perverted Bandit worth? it was not worth mentioning.

“This kid has courage, luck, and strength ... He’s a rare talent!” Feilian immortal general in cyan armor couldn’t help but praise.

“Strength? That’s right, the commander promised him 100000 contribution points and 10 God pills. Now that he’s become a God, I think he’ll reach mid God very soon. ”

“I remember that he was only a God a few days ago! The speed of his rise is too fast!”

The other divine generals discussed in amazement.

This was the first time in the entire history of the shenwu military that they had risen so quickly.

Whoosh!

Two figures appeared on top of the city wall.

“Hahaha! Very good, once you walk out, I’m afraid that Grandmaster Tian He will faint from anger again. He is known as the number one array master in the East continent, but the arrays he set up have been repeatedly broken by you. I’m afraid he will lose all his face!”

The Commander-in-Chief laughed out loud.

He looked at Tang Hao with admiration and satisfaction.

“Don’t worry, I won’t forget what I promised you. Whether or not I can be promoted to Major General will depend on you if you can provide me with any clues to break the formation. ” He said.

“Here, take it!”

The people from the array Department had already come forward to welcome him, chuckling as they presented him with paper and brush.

They stared at Tang Hao with bright eyes.

A youngster who didn’t know anything about formations and was only a God a few days ago had actually walked out of Grandmaster Tian He’s formation alive twice in a row. This was simply a miracle!

This wasn’t just great luck, it also required astonishing array Dao talent.

He might not have studied the array Dao, but he had an amazing sense of everything about the array Dao. For example, he might not be able to recognize the location of the life gate, but he could feel it with his feelings.

This kind of person was a one in a million array path genius!

“This array is very dangerous. I almost lost my life a few times just by dodging it ... However, I did sense some abnormal places.”

Tang Hao mumbled to himself and started drawing.

“It’s definitely a formation sense!”

When the old man heard this, he was so excited that his entire body trembled.

To be able to identify the flaws of a top-tier array just by using his array sense, he was a one-in-a-billion array Dao genius!

“I’ll personally break the formation!”

When Tang Hao was done, he picked it up and looked at it, then ran out excitedly.

“Al! Elder Yu, you’re too impulsive. You’re the commander of the formation Department, how can you personally take such a risk?” The Commander-in-Chief said hurriedly.

“I can break the God-killing formation of that old man from the heavenly River myself. It’s nothing to take a little risk!”

Elder Yu laughed.

Although he had some fame in the array realm, it was far from Grandmaster Tian He ‘s. If he could break the array himself, his name would spread far and wide in the array Dao realm of the East continent!

“Do you want me to send a few people with you?”

The Commander-in-Chief said hesitantly.

“No need, my cultivation is not low, it’s enough to break the formation!”

After saying that, elder Yu quickly flew out.

Everyone in the city was waiting nervously.

An hour later, there was a rumbling sound.

The formation was broken!

A figure holding four divine swords and a broken array board rushed out.

“Hahaha! Brother Tianhe, I’ll kindly accept your God-slaying formation!”

A burst of laughter shook the heavens and earth.

“You ... You old man ...”

Grandmaster Tian He had not yet recovered from the shock. When he heard this, he was so angry that his body trembled and he spat out another mouthful of blood.

“Hahaha! Good! That’s great!”

In the commander city of the divine martial Kingdom, laughter rang out.

“Brat, it looks like you won’t be able to escape your position as a Captain!” The Commander-in-Chief looked at Tang Hao and smiled.

“It’s all senior Yu’s credit, I only helped a little!”

Tang Hao smiled humbly.

“This God-slaying formation has a total of five vital points. You’ve marked three of them, and their positions are all correct. You have to come to the array Department. In time, Tian He will be nothing. He won’t even be qualified to carry your shoes. ”

“Number one in the East Province? With your talent, you will definitely be able to leave the East continent and become famous in the divinity!”

Elder Yu did not even look at the Commander-in-Chief when he landed. He walked up to Tang Hao and said excitedly,”

“Senior Yu, you flatter me!”

Tang Hao was flattered.

However, in his heart, he was a little disdainful. Why would he need time? even now, Tian He was not qualified to carry his shoes.

“His talent is actually so high?”

The surrounding immortal generals were all shocked.

They really did not expect elder Yu to have such a high evaluation of this child’s talent in the array Dao.

“It seems like it’s not pure luck. It’s this kid’s talent in array Dao that allowed him to walk out of the array alive twice.”

“According to elder Yu’s evaluation, with a little training, he will be a famous array master in the East continent!”

Their eyes were burning with passion.

“Commander-in-Chief, with this child’s talent, it’s really not suitable for him to stay in the human Battalion. Why don’t you transfer him to my Flying Tiger Army? I’ll train him with all my heart and not let you down, Commander-in-Chief!”

A God general couldn’t help but step forward and ask.

“No! No! He can’t join your Flying Tiger Army, he has to join my flying alms Army. Commander, I already asked for him last time, you have to agree this time!”

“Commander-in-Chief, my Flying Ape Army is lacking a formation expert. He’s just right.”

“Commander-in-Chief, the flying Phoenix Army also wants him. Don’t worry, I’ll restrain him and not cause any trouble.”

The rest of the God generals shouted.

Even divine general Fei Feng stood out and requested once more.

The moment she stood out, everyone’s expression changed.

Since this brat surnamed mu was a perverted Bandit, he was especially lustful, and divine general flying Phoenix was a peerless beauty. Once she opened her mouth, could this brat still resist?

“Commander, this won’t do!”

“Yup! This is inappropriate! It’s very inappropriate!”

The godly generals said hurriedly.

“Alright, stop fighting!”

The Commander-in-Chief shook his head and shouted in a low voice.

“Kid, you’ve seen it for yourself. They all want you. You can choose as you see fit!” He said as he looked at Tang Hao.

“I ... Still want to stay in the human camp!”

Tang Hao looked left and right, then laughed bitterly.
