

The Mightiest Little Peasant Chapter 3398

“Is there no one at the entrance?”

Tang Hao was surprised.

In his impression, wasn't the entrance of such a place usually filled with cool and beautiful women?

However, there was not a single person at the door.

“Hey! Brother mu, this is a high-end place. It's different. That place is too vulgar!” Zheng Tong said.

“Follow brother!”

He shouted and walked towards the door.

As soon as they reached the door, Tang Hao saw a strange phenomenon under his feet. Lotus flowers bloomed, and a melodious tune of a zither came from all directions. It was melodious and high, making people feel relaxed and happy.

Then, he saw the void around him change and he entered a vast small world.

This place was filled with Dancing Flower petals and melodious zither music.

There were also many beautiful women dressed in red, dancing in the air to the music.

Upon a closer look, their clothes were a little thin, and the beautiful curves under them were faintly discernible. As their limbs danced, they rippled with a mesmerizing rhythm that hooked people's hearts and souls.

Tang Hao looked at it for a while and raised an eyebrow.

These women all had some cultivation and were also proficient in seduction techniques. They were able to display amazing charm with just a raise of their hands.

If one's mental fortitude was a little weak, one look would definitely attract their soul.

"How is it? The quality should be high enough!"

Zheng Tong turned around and chuckled.

"Not bad!"

Tang Hao nodded.

These women's bodies and looks were all quite extraordinary. Moreover, this place was quite stylish, charming but not vulgar.

"Hahaha! Let's go, there!"

Zheng Tong was very satisfied and laughed. He raised his hand and pointed at an island.

On the island, there were many elegant palaces and buildings.

“Did you see that? There are a few more islands over there, but their grades are a bit lower. This Jade pool pavilion is divided into four grades: heaven, earth, black, and yellow. We’re going to the heaven grade, where everything is the best. Of course, it’s a bit expensive!”

“However, don’t worry, brother mu. This is your first time here, so I’ll treat you. I’ll pay for all your expenses today.”

As they spoke, the two of them had already arrived on the island.

“Yo! Young master Zheng, I haven’t been here for a few days!”

After a few steps, they arrived in front of a building, and a beautiful woman with a well-rounded figure dressed in red came out to greet them.

“Who is this young master?”

After a round of small talk, she shifted her gaze to Tang Hao.

“This is brother mu, you should have heard of him.” Zheng Tong laughed.

“Mu? Oh! So it’s that young master mu whose name has shaken the entire fairy’s capital!” The beautiful woman’s eyes lit up.

A one-in-a-billion array Dao genius!

This person’s name was like thunder reverberating in Shen ‘du recently.

His identity was also very interesting.

“Young master, you’ve come to the right place. My Jade Lake Pavilion is definitely the best in the entire divine capital. Not only are the ladies beautiful, but the service is also the best. I guarantee that you’ll be satisfied.” The beautiful woman said with a warm smile.

“That’s right. Otherwise, I wouldn’t have brought brother mu here!”

Zheng Tong laughed. Don’t talk nonsense, hurry up and arrange, do you still have the immortal token?”

“Yes, but young master Zheng, you also know that I can’t support those with the deity token. It depends on whether they are willing or not.” The beautiful woman said.

“Then you go and ask. If it doesn’t work, arrange a few people with the sky token.”

Zheng Tong waved his hand and said.

“Good! I’ll go and ask. The two young masters can go to the pavilion and sit down first, let’s go to the bamboo garden!” The beautiful woman smiled and turned around. She called a woman over and asked her to lead the way for the two of them.

“Brother mu, let’s go!”

Zheng Tong waved his hand and brought Tang Hao to the side.

After the two left, the beautiful woman stood in place, and the polite smile on her face gradually faded.

“Mu ... Xiaoyao ...”

She mumbled as she furrowed her brows.

This person was not simple!

It was because of him that the country of Suzaku had been defeated. Even Grandmaster Tian He had been angered by him to the point that he had vomited blood several times.

For this reason, the country of Suzaku had offered a sky-high price to the Suzaku Palace to take revenge.

“Should we make a move?”

She muttered to herself hesitantly.

At this time, her expression changed. She saw someone sweep over from the side and approach her, whispering a few words.

“What? There’s still someone who wants to deal with him?”

She was a little surprised to hear that.

Just a moment ago, someone from the divine martial Kingdom had offered a high price to deal with this mu.

“It’s really in high demand!”

She muttered softly.

It seemed like this mu guy had not only offended the Vermillion Bird country, but also many forces from the divine martial country.

“We still have to clean up. We can get two sets of money for one set of work. Is there anything better than this? However, there must be a limit. We can’t just kill him, and we can’t let him go missing here.”

Her eyes flickered as she pondered.

Most of the girls in the Jade Lake Pavilion were disciples of the sunflowers Palace. They were extremely skilled in seduction, bed-making, and, of course, killing people in bed.

It was usually very difficult to kill a five or six-star divine realm expert. However, in bed, even a divine realm expert was very weak.

“I’ll cut off his cultivation first, then give him some poison and let him suffer a little!”

A moment later, she made a decision and stood up to move to the side.

Meanwhile, Tang Hao had already arrived at an elegant Pavilion. He sat down and started drinking.

Listening to the melodious music and watching a group of beautiful dancers dancing and fiddling with alluring figures, it was really a little pleasant.

“This is too corrupted!”

He thought to himself after drinking for a while.

He looked at young master Zheng next to him, and his soul was almost hooked away.

A moment later, footsteps could be heard from outside the door.

“Young masters, I’ve brought the person!”

The beautiful woman’s voice came from outside the door.

“Come in!” Zheng Tong said emotionally.

Creak!

The door opened, and a few figures filed in.

The leader was the beautiful woman, and behind her was a charming woman in a black dress. She was extremely beautiful and had a somewhat enchanting temperament.

Tang Hao was surprised when he saw her.

After coming here, he had seen many beautiful women, and this one obviously surpassed those before. Although she was still not as good as the Grand Pure Holy maiden and the cheap Senior Sister, she was very close.

Moreover, her charming and enchanting temperament was obviously more attractive to men.

“This is ...?”

Beside him, Zheng Tong was even more excited. He stood up and shouted, “fairy lianyue!”

He quickly stepped forward, his face red with excitement.

Tang Hao’s face twitched when he heard the immortal Qi.

It was rather strange to hear a God call a human a fairy.

However, he had heard Zheng Tong’s explanation just now. The top star here was also called the celestial token. There were a total of five, and each of them was a peerless beauty. They were called fairies.

Zheng Tong had also mentioned this Lotus Moon Fairy before. When he spoke of her, he looked as if he was head over heels for her.

“Young master Zheng!”

The Lotus Moon Fairy smiled and bowed.

“This must be young master mu!”

Then, she turned to look at Tang Hao.
