

The Mightiest Little Peasant Chapter 3399

“Greetings, fairy Lotus Moon!”

Tang Hao stood up and studied her alluring curves.

Then, he revealed a look of infatuation.

Fairy lianyue smiled and puffed out her chest, feeling proud.

With her looks, seducing a lecher was a piece of cake!

She didn't even need to seduce him. Just by standing there, she could already be seduced by this pervert.

It would be even easier to clean up when the time came.

Once this kind of perverted Bandit got on the bed, he would be at her mercy.

She knew that just a few months ago, this fellow had been a puny God from the desolate Tang Mountain region. How many techniques and divine abilities did he have?

“I don't know how long he can hold on ...”

Her eyes swept over and sized him up.

“He’s probably just a little stronger than the average person. He won’t be able to hold on for long. In front of the secret technique of my sunflower Palace, even the strongest Man would have to quickly disarm and be defeated!”

She thought to herself and felt a little disdainful.

“Brother mu, you’re in luck. Lotus Moon Fairy is the most famous beauty among the five great immortal cards. She usually doesn’t accompany people.”

Zheng Tong turned around, his face filled with envy and jealousy.

Even as the son of Marquis Tiangong, he had never moved this person’s heart.

“It’s my honor!”

Tang Hao smiled. He was flattered.

These five immortal cards were equivalent to the top courtesans. They rarely accompanied guests and usually sold their Arts instead of their bodies, so their value was extremely high.

“Young master Zheng, don’t be disappointed. I’ve called two younger sisters over to serve you!”

The beautiful woman waved her hand, and two women behind her stepped forward and walked towards Zheng Tong.

“Hahaha! Good, thoughtful!”

Zheng Tong laughed and opened his arms. He sat down with his arms around her.

“Young master mu, let’s drink first!”

The Lotus Moon Goddess walked over and sat beside Tang Hao.

Although she was born with a charming body, her behavior was extraordinarily dignified.

“Young master, please!”

After pouring a cup of wine, she held it with both hands and served it.

Tang Hao raised his hand and took it.

She didn’t know if it was intentional or not, but her Jade-like hands gently stroked his palm. His skin was smooth and soft.

Tang Hao paused for a moment, then revealed a look of infatuation, as if he had been completely captivated.

“He’s an expert!”

He thought to himself.

Every frown and smile of hers, every time she raised her hand, every time her eyes moved, they were able to hook people’s hearts and souls. It was an extremely profound charm technique.

If it was a normal person like Zheng Tong, their soul would have long been gone.

However, he wasn't an ordinary person. He'd seen many charming techniques. Even the six desires heavenly demons couldn't affect him, so how could he be seduced by this charming technique?

"Young master, it's getting late. Let's go rest!"

After drinking for a long time, she suddenly put down the glass and said shyly.

"Good! Let's go!"

Tang Hao quickly stood up.

"Al! Brother mu, you have to work hard! Show some courage and don't embarrass me!" At the side, Zheng Tong laughed loudly.

"Young master Zheng, what are you saying!"

The Lotus Moon immortal lowered her head and looked even more bashful.

"Young master, let's go!"

Then, she held Tang Hao's hand and walked out.

"That's my Lotus Moon Pavilion, go over there!"

She dragged Tang Hao out of the bamboo pavilion and headed toward a nearby building.

“There shouldn’t be any problem, he’s just a little pervert!”

At this time, in a Pavilion, a figure was looking over and muttering to himself.

It was the beautiful woman.

She had observed this person before. He was the same type of person as Zheng Tong, a lecher. Once they had sex, things would be much easier.

“I don’t know how long he can last! Lianyue, she ... Is an expert!”

Suddenly, she thought of something and revealed a mischievous expression.

Although lianyue rarely accompanied guests, she had done so a few times. Those people were of extremely noble status and had high cultivation levels. However, none of them could last long in her hands. They could not last more than fifteen minutes.

“It’s about to start!”

At this moment, there were a few people standing by the window in another place in this world, looking over.

All of them were dressed in luxurious divine robes and had extraordinary auras.

“This guy is probably still very proud. He thinks that he is famous enough to make the Lotus Moon Fairy appear to accompany him. He should take a good look at himself. He is just a shameless pervert!”

A person on the side scoffed.

This person was Hong Tianyi, the number one genius of the hundred territories.

“Hahaha! I think this guy’s soul is already gone. He’s already been seduced by Lotus Moon Fairy. He won’t think so much!”

“He thinks he’s lucky, but he doesn’t know that this is just the beginning of his bad luck. He’ll regret it in a few days!”

Those few people standing by the window also sneered.

The methods of the sunflowers Palace could harm people invisibly and were extremely brilliant, especially the poison Path, which was one of the best in the East continent.

Other people usually poisoned people by eating or drinking, but they did it in bed, which was more hidden and difficult to guard against.

“Young master, we’ve arrived!”

“Wait here, I’ll go take a shower! You’ll have to wait. ”

When they arrived at the Lotus Moon Pavilion, she pulled Tang Hao into a room.

Then, she walked out and closed the door.

Tang Hao walked around the room.

There weren't many decorations in the room, but it was quite luxurious, especially the bed in the middle. It was a little exaggerated and decorated with all kinds of Jade.

He sat down by the bed and started to wait.

He had already thought about it, so he naturally couldn't really go up. After all, this place was also considered a place of pleasure. With so many people coming and going, he would always feel a little resistant.

He had a better idea, which was the one he had used on the beautiful mistress at the firmament mountain.

That was the first time he had used it. Now, he had perfected it. It was absolutely flawless and even more useful than before.

"Young master, I've been waiting for you!"

About ten minutes later, the door opened, and a beautiful figure walked in.

She had specially dressed up to make her look even more charming.

Her thin muslin clothes couldn't hide her graceful and seductive curves.

After entering the house, she closed the door, turned around, and walked over leisurely.

“Young master, what are you waiting for? I’ll let lianyue serve you today. I’ll let you have a taste of the true Nirvana!” She came to the bed and slowly leaned down.

Was it true bliss?

Tang Hao’s expression was impatient, but he was disdainful in his heart.

She was a good test subject!

He mumbled to himself as he blinked his eyes and activated the heavenly demonic technique.

Soon, in the Lotus Moon Pavilion, waves of noise spread. First, it shocked some maidservants in the Lotus Moon Pavilion. Then, even the people in the neighboring pavilions were gradually alarmed.

“F * ck! Where did you get this?”

“Who’s that strong!”

From these attics, people jumped up one after another and leaned against the window, looking around, trying to find the source of the sound.

In the past, it was already very impressive to have a little bit of noise, enough to go out and brag.

And the commotion before their eyes was simply world-shaking!
