

The Mightiest Little Peasant Chapter 3400

“That’s amazing!”

“How can he be so strong?”

In the Lotus Moon Pavilion, a few maidservants looked at a room in front of them, their faces full of shock.

He was really too strong!

They had been in the Lotus Moon Pavilion for a long time and had seen the young lady serve many guests, but all of them were fake moans, just for show. But now, this was clearly from the bottom of her heart, a voice that was revealing her true feelings.

Moreover, this was a little unbelievable!

The young miss was an expert in the palace, and she had never met a worthy opponent in that field.

And now, he had clearly met his match!

“I heard that he was a perverted Bandit from the Tangshan region. It seems that he has some special skills in that area!”

“Yup! I didn’t expect him to be so strong!”

They gathered together and discussed in low voices, their eyes filled with amazement.

“What ... What is this?”

At this time, not far away, the beautiful woman’s expression gradually froze.

Then, her beautiful eyes gradually widened, revealing an expression of extreme disbelief.

This voice, this decibel ...

It was definitely not an act!

Oh my God!

Could it be that that person was really that powerful?

She just stood there, looking at the Lotus Moon Pavilion in the distance.

“Hahaha! It’s definitely an act!”

On the other side, when Hong Tianyi and the others heard this, they were stunned and in disbelief. But soon, they shook their heads and sneered.

That was Lotus Moon Fairy!

The top star of the Jade pool pavilion and an expert of the heavenly sunflower Palace. If one were to ask who was the most proficient in bed-making techniques in this world, it would be her.

In front of such an expert, that mu guy was just a weakling.

How could a weakling defeat an expert!

However, after listening for a while, their expressions became strange.

Why did it feel like it wasn't an act?

But if it wasn't an act, then it was too exaggerated. How could that mu person be so strong to such an inhuman stage?

They were unwilling to believe it.

As men, they were very confident in their own abilities in that area. They were unwilling to believe that someone was stronger than them, and much stronger.

"It's the Lotus Moon Pavilion!"

"This voice does sound like Lotus Moon Fairy 's. But who could be so powerful as to turn an expert like Lotus Moon Fairy into this?"

Very quickly, the people from all four sides also discovered the source of the sound.

They were even more shocked.

"Why hasn't it stopped ..."

“This ability ... Is too terrifying!”

The more everyone heard, the more shocked they were.

The sound did not stop, each wave higher than the last.

Soon, 15 minutes passed, then 30 minutes ...

The entire Jade Lake Pavilion was in an uproar. Countless people came from all directions to listen to the battle.

“So it’s that mu guy!”

“How can he be so powerful?”

Soon, they found out the identity of the person in the pavilion.

Immediately, everyone gasped in surprise and clicked their tongues.

Many people were filled with deep veneration as they looked at the Lotus Moon Pavilion, their eyes filled with admiration.

This was a true expert!

A man among men!

“It seems like he’s going to shoot to fame again!”

Someone said with mixed emotions.

After this battle, in less than a day, everyone in Shen ‘du would know of his heroic achievements!

“It’s been two hours!”

“I saw a ghost! It hasn’t stopped ...”

As time passed, the crowd became more and more shocked.

After waiting for half a day, everyone was somewhat numb.

“Brother mu is really too fierce!”

“From today onwards, brother mu is my idol!”

That Zheng Tong had finished his battle long ago. When he heard the commotion at the Lotus Moon Pavilion, he was so excited that his face was red.

After fighting with fairy lianyue for half a day, he was still as brave as ever!

It was too F * cking awesome!

“He must have some tricks up his sleeve. I have to ask around and learn from him. That way, I can show off my might and laugh proudly at the divine capital!” His heart was burning with passion.

“What? that pervert mu, oh no, general mu, has already been fighting with fairy lianyue for an entire day?”

“Really? That’s not possible!”

The news soon spread out of the Jade pool pavilion and to all corners of Luoyang.

When many people heard this, their bodies trembled, and their faces were filled with disbelief.

Who was fairy lianyue?

Any man would know that she was the number one expert of the Jade Lake Pavilion!

Not to mention fighting for a day, even a quarter of an hour was something that no one had been able to do in the past.

“Awesome!”

“Let’s go and take a look!”

Many people stood up and went to the Jade Lake Pavilion excitedly.

“Jade Lake Pavilion? What place is it?”

In a restaurant in Shen 'du.

A woman was sitting upright and drinking tea. When she heard the discussion from the side, her expression changed.

“Hehe! What other place could it be? of course, it was the happiest place in the world! And fairy lianyue is the star of that place. ” Someone explained.

“Happy? Top star?”

The woman was startled.

The next moment, with a “pa” sound, the teacup in her hand was crushed.

Under the veil, her beautiful face was instantly covered with a layer of frost.

Her fingers were tightly clenched, and her graceful body trembled slightly from extreme shame and anger.

“Bastard!”

She gritted her teeth and forced out a curse.

At that time, this guy didn't even touch her. In the end, the moment he came to Shen 'du, he had an affair with that shameless B * tch. Didn't this mean that she, the Grand tai Qing saintess, the number one beauty of the hundred territories, was inferior to a B * tch?

This was the greatest humiliation to her!

“Bastard! Beast! Shameless thief!”

The more she thought about it, the angrier she got, and she kept cursing in her heart.

“Where is the Jade Lake Pavilion?”

Bang!

She slammed the table and stood up.

The building fell silent.

At this moment, everyone felt a shocking killing intent that shook their minds and made their hair stand on end.

“Over ... Over there ...” He said.

Someone raised his hand and pointed at a corner of Shen ‘du.

Whoosh!

She threw down a few divine coins and left the restaurant in a flash, heading straight for the Jade pool pavilion.

At this time, in the Jade Lake Pavilion.

Tang Hao sat cross-legged.

His eyes flickered with a dark light.

On the bed in front of him, the Lotus Moon Fairy was moaning and twisting her alluring body.

“The fusion of spirit and soul is the true method to reach the pinnacle.”

Tang Hao muttered to himself after a long while.

Not only did he use the heavenly demon technique, but he also mixed many dual cultivation techniques to create this spirit and soul Fusion technique.

There was no need for physical contact. Just the fusion of the gods could reach an extreme level.

Of course, if it was a combination of spirit and flesh, the effect would be even better.

“Not bad!”

He smiled in joy and completely retracted his spell technique.

He had gained a lot from this experiment.

On the bed, there was no more movement from Lotus Moon Fairy. She lay there, paralyzed, as if she had fallen asleep.

After a long time, she slowly woke up. Her red lips were slightly pursed, and she gently let out a breath of turbid air.

“Young master mu, you’re so amazing!”

She lazily stood up, her cheeks still red, and her eyes were like silk.
