

The Mightiest Little Peasant Chapter 3401

“Lotus Moon Fairy is too kind!”

Tang Hao said humbly.

“Young master, why are you done so quickly? aren’t you going to lie down for a while?” She lay on her side, one hand supporting her face, the other gently playing with a bunch of black hair, and said lazily.

“Fairy, you don’t know, right? A day had already passed! It’s time to go!”

Tang Hao said with a smile.

“A ... A day?”

She paused and her face froze.

Her beautiful eyes gradually widened, filled with disbelief.

She didn’t even notice the passage of time. In that state of bliss, she forgot everything.

“Young master’s ability is unparalleled in this world!”

She exclaimed in admiration.

His gaze at Tang Hao was burning with passion.

She was a little regretful. If she had known that he was so powerful, she would not have accepted this mission and harmed him in secret.

But now that the wood has already been cast into a boat, there was no other way.

“It’s fine, I’ll just be in pain for a while, it won’t kill me!” She said to herself, feeling a little better.

“Lotus Moon Fairy, what’s wrong?”

Tang Hao said with a smile.

“Oh, it’s nothing. I’m just reminiscing!” She said with a charming smile.

“Is that so?”

Tang Hao smiled noncommittally.

Previously, he had found some abnormalities in her body, which made him realize that this Lotus Moon fairy’s identity was not ordinary. The reason why she appeared to accompany him was probably a trap.

“Of course! Young master mu, I’ll send you out!”

She stood up and put on a set of fine clothes.

“He’s out! It’s out!”

“Brother mu, my idol! I’m right here!”

As soon as he left the Lotus Moon Pavilion, he saw that the distance was filled with people. Zheng Tong was not far in front. When he saw him, he even jumped up and waved his hands excitedly.

“Aiyo, young master mu, your ability is truly amazing! Look at our lianyue, so nourished!”

The beautiful woman walked up to him. She sized up Tang Hao with her beautiful eyes, then looked at Lotus Moon Fairy.

Fairy lianyue nodded her head imperceptibly.

The beautiful woman’s mind immediately settled.

It was good that the mission was completed. As for this young master mu, it was truly a pity.

“Brother mu, awesome! Teach this little brother a few moves when you have time!”

Zheng Tong rushed over and laughed.

His status had also changed from an elder brother to a younger brother.

“No problem!”

Tang Hao said with a smile.

“Have you paid the bill?”

“Of course we’re married!”

“Then let’s go!”

Tang Hao turned around and walked toward the exit.

“Young master mu, I’ll send you off.” Fairy lianyue caught up with him and held his arm like a little bird.

“Hahaha! Lotus Moon Fairy, my brother is awesome, right?”

When Zheng Tong saw this, he laughed out loud.

“I’m afraid no one in the world can match young master MU’s ability!” Fairy lianyue lowered her head and said shyly.

Whoosh!

The four sides immediately burst into an uproar.

Since fairy lianyue had said so herself, it proved that this person’s ability was not fake at all.

“Hmph! This little perverted Bandit really has some skills!”

“What’s there to brag about with such an ability?”

At the back of the crowd, Hong Tianyi and the others were all unhappy and even secretly jealous.

“Don’t worry, everyone. With the abilities of the sunflowers Palace, they’ve definitely planted the poison. Next, it’s time for this fellow to suffer!”

“Yup!”

Then, their expressions eased up a little, and they looked relieved.

“Shameless pervert, die!”

At this time, a delicate shout suddenly exploded.

A divine light burst out from the crowd.

Whoosh!

A beam of silver divine light shot toward Tang Hao in the blink of an eye.

Everyone’s expression changed.

This was because this was the power of the sun god!

A yang God powerhouse was going to kill this mu!

Subconsciously, everyone backed away.

Zheng Tong's body trembled, and he revealed a look of fear as he hurriedly retreated.

Lotus Moon fairy's expression changed and she quickly retreated.

"This voice?"

Tang Hao did not panic at all.

He recognized the voice. It was the Holy maiden of the Tai Qing Palace!

He didn't want to reveal his strength, so at the last moment, he dodged to the side.

"Pervert, you ... If you have the guts, don't run!"

Seeing that he kept burrowing into the crowd, the voice couldn't help but be angry.

"If you want to kill me, why should I not run?"

Tang Hao chuckled.

"Stop!" The voice was exasperated.

"Do I look like an idiot to you?"

Tang Hao rolled his eyes and ran even faster.

“You ... You bastard!”

The voice was anxious and angry.

After a while, she could only stop when she realized that she couldn't track him.

Whoosh!

The silver light flew back and landed in the hands of a beautiful woman in a white dress.

She was wearing a veil, and her figure was graceful and elegant.

“Don't tell me the previous victim's family is here!”

Everyone looked over and muttered to themselves.

That mu guy is a pervert, he must have harmed many people in the past.

“Pervert, you're shameless!”

The graceful woman gritted her teeth and said hatefully.

“Well said. Since I’m a perverted Bandit, of course I’m shameless! Otherwise?” Tang Hao grinned.

“You ...”

She was so angry that she choked. Under the veil, her face was red.

She, su lingsu, had never seen such a shameless guy in her life!

Although she knew that this guy might be pretending, she was still angry. She was so angry that her lungs were about to explode.

“By the way, Who are you?”

Tang Hao said, pretending not to know her.

“You ...” She opened her mouth and was about to scold him.

This guy had already done such an outrageous thing to her, yet he still pretended not to know her. He was simply shameless to the extreme!

“Lady su? What are you doing here?”

“Hong Tianyi!” Someone exclaimed. Then, Hong Tianyi rushed over with joy.

“Young master Hong?”

Su lingsu took a closer look and was slightly stunned.

Why was the No. 1 heaven's pride of Wu Xiang Palace here?

"It's me!" Hong Tianyi said excitedly, like a bootlicker.

"You want to kill this mu guy, right? you've made the right choice. He's a shameless villain. He even spoke rudely to you, miss su. He even said something like 'I'll sleep with you sooner or later'. He really deserves to die!"

Hong Tianyi said with righteous indignation.

Although this man with the surname mu was not the one who had kidnapped the Saint, from the current situation, there must be a connection between the two. Therefore, Saint su had come to find him and wanted to get rid of this little thief.

"He said something like that?"

Su lingsu was stunned.

"Of course, he also said a lot of things that were too much for me to say." Hong Tianyi said.

"Hmph!"

Su lingsu snorted in anger, her eyes as sharp as a knife as she looked forward.

This guy was just talking. He had so many opportunities before, but he didn't make a move.

Now, the moment he came to Shen 'du, he came to this kind of place to fool around. What was the meaning of this?

Was she saying that she, the Grand Pure Holy maiden, was inferior to the goods here?

Wasn't this bullying too much!

"It's her?"

She looked around and her eyes fell on Lotus Moon Fairy again.

She had already seen her just now, and now that she was looking at her carefully, she did have a little beauty, but how could she compare to her? wasn't she just a little flirtatious? did all men like this kind of woman?

She muttered in her heart and was secretly angry.
