

The Mightiest Little Peasant Chapter 3402

“So it’s Holy maiden su! The Holy maiden of the Tai Qing Palace!”

Everyone recognized him.

The Tai Qing saintess, the number one beauty of the hundred territories, was quite famous.

Then, their expressions turned strange.

A few months ago, this person had been abducted and caused a sensation. It was rumored that it was general mu who had done it.

Later on, it was proven that it was not general MU’s doing, and that he had only used general MU’s name.

But now, it seemed that it was not that simple!

If it really had nothing to do with general mu, why would this Holy maiden su come to kill him?

“Maybe he is related to the guy who kidnapped the Holy maiden. Otherwise, he wouldn’t have such a powerful poison and made such a great contribution by seducing all the elites of Suzaku.”

“It should be! This is going to be interesting!”

Everyone thought about it and revealed an expression of watching a show.

“Holy maiden su ... She’s rumored to be the number one beauty of the hundred territories, on par with divine general feifeng ...”

Fairy lianyue’s eyes flickered as she pondered.

Then, she frowned and felt a little strange.

This Holy maiden su had already sized her up more than once. Furthermore, she seemed to have a very strong sense of hostility.

This was very strange!

Wasn’t this person here to kill young master mu? why did he also hate her?

“Oh! It’s Holy maiden su! No wonder!”

Tang Hao made a face of sudden realization.

“Holy maiden, you’ve found the wrong person! I have nothing to do with your business!”

“Is that so?”

Su lingsu gritted her teeth and sneered.

This guy was still pretending!

“Hmph! Perverted Bandit is perverted Bandit, coming to this kind of place to fool around as soon as he left, shameless!” She scolded again.

“Right! Shameless! You beast!”

Hong Tianyi shouted from the side.

“Al! The saintess is as pure as ice and as pure as Jade. It’s normal for her to curse at such a dirty place, but you, you’ve just finished enjoying yourself here, and you’ve turned around to curse at her. That’s not very good!”

Tang Hao looked at him and smiled.

“You ... You’re talking nonsense. I didn’t!”

Hong Tianyi panicked.

When he saw the saintess just now, he was so excited that he forgot everything and rushed out. He had even forgotten where he was.

“Young master Hong, why are you also ...”

Su lingsu turned around and looked at him in disbelief.

“Lady su, I’m not, I didn’t ...”

Hong Tianyi waved his hands hurriedly. He was so anxious that he was almost sweating.

“Brother Hong, it’s fine, it’s a man’s nature! What’s there to be shy about? isn’t that right, everyone?”
Tang Hao laughed.

“Yup! Brother Hong, what are you panicking for?”

The square pig brothers laughed heartily.

Hong Tianyi’s face turned red and he stammered, unable to speak.

He realized that he couldn’t explain himself at this moment!

“Shameless!”

Su lingsu glared at him and cursed in a low voice.

It’s finished!

His heart skipped a beat, feeling as if the sky had collapsed.

“It’s all this bastard’s fault!”

He glared at Tang Hao, his heart filled with hatred.

“Holy maiden su, every injustice has its perpetrator, and every debt has its debtor. If you want to find someone to settle the score with, don’t come looking for me. Moreover, you can’t do anything to me

now. I'm a general of the divine martial Kingdom. If you really kill me, Won't You Be bringing trouble to your tai Qing Palace?"

Tang Hao said to Holy maiden su without looking at him.

"So what if you're a general of the divine martial Kingdom? you've only used some underhanded methods to exchange for your position." Su lingsu said in disdain.

"Haven't you heard, Holy maiden? I'm also a genius, a one-in-a-billion array Dao genius!"

Tang Hao said unhurriedly.

"What ... What's so great about being a genius!"

Su lingsu wanted to belittle him, but she realized that she couldn't attack him. This guy was indeed a genius in array Dao. He had broken master Tianhe's divine array three times.

Who was this guy?

Putting aside his heaven-defying talent, even his array Dao was this strong ...

She thought in her heart, even more shocked.

Hmph! So what if she was talented? she was just a frivolous villain who dared to do such a thing to her. Now, she was even fooling around in this place.

Then, she was a little unhappy and cursed to herself.

“You’re right, it’s amazing! You can try to hurt me now!”

Tang Hao grinned and walked up to them.

“You ... You think I don’t dare to?”

Su lingsu gritted her teeth and a divine light burst out from her sleeve.

However, even after a long while, until the person came close, he still did not send it.

“Such a beautiful face, why is there a need to cover it!”

Tang Hao lifted his hand and removed her veil.

An extremely beautiful face that could topple cities came into view.

At this moment, that pair of beautiful eyes were wide open, looking at him in a daze. She was stunned by his bold action.

Everyone in the surroundings was also speechless.

“You ... Hooligan!”

Her pupils suddenly shrank, and she retreated like a frightened deer.

She was both embarrassed and angry.

This guy, how dare he be so bold to tease her in public!

Plop! Plop!

She could only feel her heart beating rapidly in her chest. Her thoughts were in a mess and she was at a loss.

“Bastard, just you wait!”

She could only clench her teeth and leave after saying that.

In the blink of an eye, she had left this small world.

“You’re leaving just like that?”

“F * ck! That’s awesome!”

The crowd was even more speechless.

The taiqing saintess had a treasure that contained the power of the sun god. Once hit, even if he didn’t die, he would be crippled. Even so, general mu wasn’t afraid at all. Instead, he went forward to tease her.

He was too bold!

The result was even more shocking.

The Tai Qing saintess didn't do anything and just turned to leave.

"Expert! This was what an expert was! An expert in dealing with women!"

Soon, someone exclaimed.

In bed, he could conquer a master like Lotus Moon Fairy, and under the bed, he could make the Tai Qing saintess escape. This was simply too awesome!

"Brother mu, you're really amazing!"

Zheng Tong came up to him and started to flatter him.

"It's just average!"

Tang Hao smiled humbly.

He was still a little proud in his heart. His image of a pervert was not bad.

"Let's go!"

He waved his hand and walked out.

"Young master mu, take care!"

Fairy lianyue came up again, held his arm, and sent him outside.

“Brother Zheng ...”

“Don ‘t! You’re my brother, just tell me what you need. ” Zheng Tong hurriedly said.

“Good! I’m saying, I’ll go back first, there’s still a lot of things about array Dao to learn. When I’m free, I’ll come out again. ” Tang Hao said.

“Alright, alright. Brother, you go do your work first. When you’re free, we’ll have some fun again!”

Zheng Tong laughed.

After they parted ways, Tang Hao returned to the carefree mansion.

He sat down in the pavilion by the lake and flicked his sleeve. A Jade bottle flew out.

He opened the lid, and smoke rose from it.

This was the poison he had taken from a certain part of Lotus Moon fairy’s body.

“Interesting!”

He used his divine sense to examine it carefully and identified the effects of the poison and its composition.
