

The Mightiest Little Peasant Chapter 3404

“Your Majesty, he’s here!”

In a garden in a corner of the Imperial Palace.

Emperor shenwu, who was dressed in a Black Dragon robe, was still sitting by the pool and fishing.

A purple-robed man led a person into the garden.

“Greetings, God Emperor!”

“Master!” Tang Hao bowed.

In this divine Kingdom, there weren’t any cumbersome formalities, just a simple bow was enough.

Then, he stood up and carefully observed the figure sitting by the pool.

He was burly, tall, and just by sitting there without moving, he gave off an extremely heavy sense of oppression.

He couldn’t see clearly, and he didn’t know if it was a six-star or seven-star ...

He said to himself.

Some people said that Emperor shenwu was a six-star martial artist, while others said that he was a seven-star martial artist. However, no one was sure.

At this moment, he could not see clearly.

If he was at six stars, he would be in the middle stage of the Yang God Realm. If he was at seven stars, he would be in the late stage, which was considered an expert among the Yang God Realm.

“Whoosh!”

While he was deep in thought, a soft sound was heard.

Emperor shenwu pulled the fishing rod, and a golden divine fish flew up.

“I’ve finally taken the bait!”

Emperor shenwu laughed out loud. His voice was a little rough and bold.

“Congratulations, Your Majesty!”

The purple-robed man immediately bowed.

Emperor shenwu laughed for a while before he grabbed the divine fish and threw it back into the pool.

Then, he turned around and looked at Tang Hao.

“General mu, come come come, Let’s Fish together!” He smiled warmly and waved at Tang Hao.

“Your Majesty, this ...”

Tang Hao hesitated.

“General mu, it’s fine. Go!” The purple-robed man looked over and said with a smile.

“That’s good!”

Tang Hao nodded and walked up to her.

“Sit here!”

Emperor shenwu pointed at a spot next to him and took out a fishing rod for Tang Hao to hold.

“Straight ...”

Tang Hao was surprised when he saw that.

This fishing rod was a straight hook without any bait. How was he supposed to fish?

“Come!”

Emperor shenwu smiled and gestured for him to sit down again.

Tang Hao had no choice but to pick up the fishing rod, sit down, and throw the hook into the pond.

Emperor shenwu also tossed his hook away. He narrowed his eyes and did not say anything else.

Tang Hao looked at him. He felt that it was strange.

What was Emperor shenwu up to?

Just like that, 15 minutes passed.

All of a sudden, Tang Hao felt the fishing rod in his hand tremble. He immediately lifted the fishing rod.

Whoosh!

The surface of the water exploded, and a golden divine fish flew out.

Emperor shenwu moved instantly. He opened his eyes in shock.

The purple-robed man behind him looked up and was stunned.

Then, he took a deep look at the back of the figure, and a warm smile appeared on his face. He called out, "Congratulations, general mu!"

"You can even take the bait like this?"

Tang Hao grabbed the divine fish, but he still felt that it was strange.

“Hahaha! General mu doesn’t know this, but this fish isn’t an ordinary fish. It has a great history. ” Emperor shenwu laughed out loud.”They won’t eat any bait. You’ll have to rely on your own luck and fortune to catch them.”

“Oh,” Tang Hao replied.

He had indeed heard of such fish. Not only fish, but many strange beasts in ancient times also had such magical powers. They would automatically get close to people with good fortune and luck.

And the luck on his body had always been far beyond ordinary people.

“Your Majesty, it seems that general mu is a man of great destiny and fortune!” The purple-robed man said.

“Yup! He’s only been here for 15 minutes and he’s already caught one. His luck is much better than mine. ” Emperor shenwu said with a smile.

“It was just a coincidence!”

Tang Hao said.

He did not know Emperor shenwu’s personality. If he was a narrow-minded person, he might have been jealous of his luck and attacked him.

“Al! This isn’t a coincidence!” Emperor shenwu laughed.”The better your luck is, the more I’ll be at ease. That’s because you’ll be able to handle the heavy responsibility I’ll entrust you with later.”

“What great trust?”

Tang Hao was surprised.

He had a bad feeling about this.

What kind of great trust required great fortune and great fortune to bear?

It was obviously not a good thing!

“General mu, I’ve heard that ... You have a way with women!” Emperor shenwu laughed with a mocking look.

“No, it’s just a rumor.”

Tang Hao smiled wryly.

“What happened in the Jade Lake Pavilion must be true, right? you have fairy lianyue and the Grand Pure Holy maiden in your hands!” Emperor shenwu said with a smile.

Tang Hao was surprised. He could only smile wryly.

He was even more confused about Emperor shenwu’s intentions.

“General MU’s ability to deal with women is truly the envy of all men in the world!” Emperor shenwu continued.

“Your Majesty, please don’t make fun of me!”

Tang Hao smiled helplessly. "Does this have anything to do with the great trust?"

"There are! It had a huge relationship! This great trust, without great fortune, without profound good fortune, it is simply impossible to bear. Moreover, if one doesn't know how to deal with women, then it is also impossible. " Emperor shenwu said.

"This ... Your Majesty, you want me to deal with a woman?"

Tang Hao raised an eyebrow.

"That's right!"

Emperor shenwu nodded. "But not to deal with her. This woman is a general of our divine martial Kingdom. You should know who she is."

"Divine general flying Phoenix?"

Tang Hao was shocked.

Emperor shenwu nodded.

"General mu, do you know how talented general feifeng is?" he continued after a pause.

"I've heard of him. He's a rare genius. He's one of the few in the East continent." Tang Hao said.

In the Army, he had heard many rumors regarding divine general flying Phoenix, praising her talent to the heavens.

“That’s right! There are countless heroes in the East Province, and she’s one of them. Her divine crystals ... Are beyond the first rank. Do you know what this means? A first-grade divine crystal is already a top genius. Hong Tianyi is the number one genius of the hundred territories. ”

“There aren’t many rank one geniuses in the entire divine martial country. Her divine crystal is flawless, and it’s beyond that of a rank one. She’s the strongest genius that has appeared in the divine martial country in the past few thousand years.”

Emperor shenwu said solemnly.

“It is indeed powerful!” Tang Hao replied.

The group of geniuses who had entered the celestial world before were only at the flawless level. In the entire divine world, they were all first-class geniuses.

“Therefore, general Fei Feng is the future hope of the divine martial Kingdom. We can’t afford to lose this pillar!” Emperor shenwu said.

“Then why ...?”

Tang Hao asked in surprise.

“Because someone has their eyes on her.” Emperor shenwu’s tone darkened. “You’ve heard of Jade Dragon Mountain, right? it’s one of the Holy Lands in the East continent. They’ve had their eyes on general feifeng for a long time. At first, they said they wanted to take him as a disciple, but when general feifeng advanced to the Yang God Realm, they said they wanted a marriage alliance. For this, they kept sending people to urge him and even threatened him.”

“There’s such a thing!”

Tang Hao raised an eyebrow.

He wasn’t surprised. A woman with such extraordinary talent and beauty was indeed a rare treasure that would attract covetous eyes from all sides.
