

The Mightiest Little Peasant Chapter 3405

“Your Majesty, why don’t you choose a marriage alliance?”

Tang Hao said after some thought.

The strength of a Holy Land in the East continent surpassed that of a divine Kingdom.

If they could form an alliance through marriage, it would be of great benefit to the divine martial Kingdom.

“Marriage? What’s the use of that?”

Emperor shenwu smiled disdainfully. “The so-called marriage is just a means they use to seize geniuses. There are too many such marriage alliances in Mount Jade Dragon, including Suzaku and many other divine kingdoms. It’s worthless.”

“Most importantly, general feifeng didn’t agree to it. She didn’t like the marriage alliance. Therefore, Jade Dragon Mountain could only put pressure on me and ask me to use my authority as the divine Emperor to make her yield. They even threatened that if I didn’t agree, they would instigate the square divine Kingdom to destroy my divine martial Kingdom.”

“This Mount Jade Dragon is so overbearing!”

Tang Hao furrowed his brows.

“Exactly! They’ve always been like this, arrogant and overbearing.” Emperor shenwu sneered, his tone filled with resentment.

“What is your Majesty’s plan?”

Tang Hao asked.

“It’s simple!” Emperor shenwu smiled. “Now that general feifeng is single, it gives the other party an excuse for marriage. If I find one for general feifeng and let her get married, the other party will have no excuse.”

As he spoke, he looked at her with a profound gaze.

Tang Hao’s face twitched when he heard that.

“Your Majesty, this is inappropriate ...” He said with a bitter smile.

His current identity was that of a perverted Bandit. A few days ago, he had caused a sensation in fairy’s capital because of his battle results at the Jade Lake Pavilion. Wasn’t this bullshit!

General Fei Feng would definitely not agree, and everyone in Scandinavia would definitely not agree.

Once the news spread, he would become The Public Enemy of the God nation and be cursed at.

“It’s not appropriate, but there’s no other way!”

Emperor shenwu said with a smile.

“First of all, the royal family can’t marry her, and the other large families and Dukes don’t dare to marry her. They’re all scared to death, afraid that they’ll be targeted by Jade Dragon Mountain. Furthermore, general feifeng won’t agree to it ...”

“Since she doesn’t agree, what’s the point?” Tang Hao said.

“That’s why I came to you! Even if Jade Dragon Mountain has its eyes on you, you won’t die so easily. Moreover, you’re very good at dealing with women, so you’ll definitely be able to convince general Fei Feng.”

Emperor shenwu was all smiles.

F * ck! Old fox!

Tang Hao cursed in his heart.

Asking him to marry general feifeng, wasn’t that pushing him into a pit of fire?

The people of the God nation would curse him to death, and the people of Jade Dragon Mountain would want to skin him alive. They might even send a group of experts over to kill him.

“Your Majesty, you’re harming me!”

Tang Hao smiled wryly.

“General feifeng is so beautiful, aren’t you moved at all?” Emperor shenwu said with a smile.

“She’s beautiful, but it’s impossible for her to like someone like me.” Tang Hao said, shaking his head.

“You can say that, but you can fight for it!”

Emperor shenwu said.

“Forget it, it’s too difficult!”

“You really don’t want to consider it? If you can successfully convince her to accept this marriage, you can ask for anything you want.”

“Really?”

Tang Hao’s eyes brightened.

Wouldn’t it have been better if you had said so earlier!

Of course, he was not willing to do things that did not bring him any benefits. As long as there were enough benefits, he would dare to try no matter how dangerous it was.

“It’s true!”

Emperor shenwu nodded. “I can give you many celestial God great pills so that you can break through to the Yang God Realm as soon as possible.”

Tang Hao immediately shook his head.

“What’s wrong?”

Emperor shenwu was stunned.

“It’s too low level!” “I want ten yang spirit pills!” Tang Hao said with a smile.

“Ten?”

Emperor shenwu’s eyes widened in shock.

The Yang God pill was extremely precious. Even with the divine martial Kingdom’s strength, they could only produce less than 20 pills a year. After dividing all the Yang God Realm experts, there would only be a few left.

After so many years, he had only managed to collect 30 or so of them, which was the entire fortune of the divine martial Kingdom.

This kid was asking for a third of the money. How could he agree?

Even the purple-robed man behind him was shocked.

“You’re asking for too much. I can’t agree to it. Besides, you’re only a heavenly God. What do you need so many yang God pills for?”

Emperor shenwu shook his head.

“Who said I’m going to use it for myself?”

Tang Hao said with a smile.

“You mean ...?” Emperor shenwu was stunned.

“That’s right! Did His Majesty really think that he could convince general feifeng with just his mouth? Would she agree to it without some treasures?” Tang Hao said.

“This ...”

Emperor shenwu frowned and muttered to himself.

This kid’s words made sense. Words alone were not enough to move someone like general feifeng.

“Good! I promise you!”

After a while, he nodded.

“Your Majesty is indeed a straightforward person.” Tang Hao grinned.

Of course, he wasn’t going to give all ten pills to divine general flying Phoenix. He was going to keep half for himself.

Just like the heaven God pill, the Yang God pill was for the Yang God Realm. It could increase their cultivation by a small margin because the ingredients used were too precious. Each pill was worth a fortune.

“When do you want it?”

Emperor shenwu said.

“It’s best if it’s now. You can spread the news later.” Tang Hao said.

“Alright!”

Emperor shenwu pondered for a moment before he nodded.

The pressure from Mount Jade Dragon was getting more and more intense. It would be best to resolve it as soon as possible.

“Go, bring me ten yang spirit pills!”

He turned around and gave the purple-robed man an order.

“Yes, Your Majesty!”

The purple-robed man went out for a while, and when he returned, he was already holding a purple jade box.

When the lid of the box was opened, there was a bright golden light inside, as well as an extremely yang and intense aura.

“Not bad!”

Tang Hao chuckled. He took the box and put it away carefully.

“General mu, I’ve already accepted the gift. You don’t have a chance to regret it. It’s all up to you now. Even if you can’t convince general feifeng, I’ll still grant you this marriage. You’ll still be a target for Mount Yulong ...”

Emperor shenwu said.

“No problem!”

Tang Hao patted his chest and smiled.

With the five yang spirit pills in his hands, taking this risk was a small matter.

“Alright!”

Emperor shenwu laughed heartily. “I wish you success, general mu!”

“Your Majesty, is there anything else? If not, I’ll be going back first. ” Tang Hao stood up.

“See you off, general mu!”

Emperor shenwu turned around and waved at the purple-robed man.

“Yes, Your Majesty! General mu, come with me!” The purple-robed man bowed and said respectfully.

“This kid ... Is really interesting. Just like what general Fei Long said, he’s very bold and good at dealing with women. He’s an excellent talent. I hope he doesn’t die just like that!”

After the two of them left, Emperor shenwu looked at the pond in front of him and chuckled.

Then, he shook the fishing rod in his hand and threw the hook into the pool.

He just sat there and continued fishing.
