

The Mightiest Little Peasant Chapter 3406

“Big news! His Majesty is going to bestow a marriage!”

“Arranged marriage? To whom?”

“General feifeng! You’ll never guess who Her Majesty is looking for!”

“Who is it! In our divine martial Kingdom, who is worthy of a figure like general Fei Feng?”

“I’m telling you, it’s that mu guy. The other mu guy is that general mu, the one who caused a great stir a few days ago!”

“What? No way! Is Your Majesty confused? Who was that mu fellow? how could he be worthy of a peerless woman like general feifeng? Isn’t this an insult?”

A restaurant in Shen ‘du was gradually boiling with excitement.

Very quickly, it exploded.

Everyone’s faces were filled with shock and disbelief.

Then, he became angry.

Divine general feifeng was a goddess in their hearts. She was extremely talented and beautiful. Only a peerless figure like her was worthy of her, not a little perverted Bandit from the hundred territories!

Just a few days ago, this perverted Bandit had become famous because of his battle achievements at the Jade Lake Pavilion, shocking the entire Shen 'du.

How could such a person be worthy of general feifeng!

This was ridiculous!

“It must be fake! His Majesty can't be that foolish, right?”

Many people did not believe it.

The current divine Emperor was not a fatuous person. How could he do such a foolish thing?

“It's true! The news came from the palace!”

Someone made a vow.

Instantly, there were curses in the building.

The news quickly spread to the restaurant next door, and then to the other places.

For a moment, there were shocked cries everywhere, followed by angry curses.

When the news spread to the prestigious families and residences, it did not cause too much of a stir.

“Your Majesty's move is truly brilliant!”

“Tsk! Poor general mu, he became a scapegoat!”

“Hahaha! He’s just a little perverted Bandit from the hundred territories. If he’s dead, then he’s dead. He’s not worth mentioning!”

There were many gloating voices in these places.

“What? That fellow is going to be bestowed a marriage by His Majesty to general feifeng?”

In a mansion, a few young men were sitting in a Pavilion.

A person suddenly stood up and shouted.

It was Hong Tianyi, the number one genius of the hundred territories.

“What right does he have? He’s just a little perverted Bandit and a shameless brat. Why is he treated like a treasure in your divine martial Kingdom? first, he was conferred the title of general. Now, it’s even better. He’s even bestowed a marriage, and he’s even a peerless beauty like general Fei Feng!”

Hong Tianyi said indignantly, his eyes red with jealousy.

He was the number one genius of the hundred territories. After entering the divine Kingdom, he should have had an illustrious experience and status, but now, he was being suppressed by a little perverted Bandit. It was really frustrating.

“Ai! Brother Hong, why are you so excited? you should be happy!”

A young man in a brocade robe said with a smile.

“Why should I be happy? that guy is going to marry the number one beauty of your divine martial Kingdom. Aren’t you guys angry at all?”

Hong Tianyi looked around and asked in confusion.

“Brother Hong, you don’t know this. This matter ... Is not a good thing. You’ll lose your life!” The young man at the side laughed.

“Die? What do you mean?”

Hong Tianyi was stunned.

“This is related to Jade Dragon Mountain ...” The young man briefly explained the reason behind it.
“Now you should understand!” He said.

“Hahaha! So that was how it was! I was wondering why your divine martial Kingdom would be so kind. It turns out that you’re looking for a scapegoat. ”

Hong Tianyi laughed out loud.

He was extremely carefree.

“That guy will die without a doubt! He might be killed by the Furious general feifeng before the people from Jade Dragon Mountain arrive!” The young man in the brocade robe laughed mockingly.

“Yup! General Fei Feng is not someone who would accept a perverted Bandit. He would definitely personally kill him ... There will probably be a good show to watch later.”

A few people at the side laughed mockingly.

The atmosphere in the courtyard was cheerful.

In another part of Shen 'du.

When su lingsu heard the news, she was stunned for a while.

“This is going to be a good show!”

The corners of her lips lifted and a happy smile appeared.

Although she did not know why Emperor shenwu would do that, this decision would undoubtedly cause a huge uproar.

That detestable fellow would become The Public Enemy of the entire divine martial Kingdom. A single spit from anyone in the divine capital would be enough to drown him.

There was also divine general Fei Feng. It was said that he was an extremely proud genius with his eyes on the top of his head. How could he accept a perverted Bandit? he might even kill his way to his door.

“Hmph! Who told you to bully me and even tease me? bastard, your retribution has come!”

She clenched her fists and said angrily.

“Let’s go! They’re going to watch a good show!”

She pursed her lips into a smile and walked out of the door with a happy face, heading for the carefree mansion.

“Pervert, get out here!”

“Mu, come and fight me one-on-one if you have the guts!”

At this moment, the outside of the carefree mansion was surrounded by Angry Men. They kept shouting, and their voices were deafening. Some of them were even holding all kinds of things and throwing them at the door, making a mess.

“Start fighting! Start fighting!”

Su lingsu stood at the back of the crowd, watching with great excitement.

Flying Phoenix mansion.

In a Palace, a figure was sitting cross-legged.

She was dressed in white, and her figure was perfectly revealed.

From top to bottom, it was first a perky and incomparably proud curve, then it suddenly contracted, extending into a flat and narrow waist, like a water snake.

Although her pair of slender Jade legs were crossed, one could still use one's sight to measure that shocking length.

Her figure already had a bit of a devil's, enchanting meaning, which could make any man in the world dream of her.

Her face was even more attractive than her figure.

Peerless beauty, city-toppling beauty, these words might not be enough to describe this perfect face.

She was the divine work of seizing the essence of nature. Perhaps this was the only way to describe her beauty more accurately.

She sat there with her eyes closed, not moving, but she was still breathtakingly beautiful.

A shocking amount of Heaven Earth Yuan Qi gathered on the futon beneath her and surged into her body.

"Miss!"

Suddenly, someone walked in from outside the hall and called out anxiously.

"Speak!"

The Jade figure in the hall didn't move and only let out a soft sound.

“His Majesty ... Is going to bestow a marriage!”

A woman in a white dress entered the hall and bowed.

Her face was anxious and indignant.

“Is that so?”

The Jade-like person still did not move, and there was no change in her expression.

She had already expected this.

Jade Dragon Mountain was determined to get her. Over the years, they had used many means. Recently, she heard that the pressure on the divine Emperor was getting tighter and tighter. She was not surprised by this result at all.

“Which one?”

Her eyelids trembled, and she finally opened them.

Her beautiful eyes were like stars, deep and misty.

“Yes ... Yes ...”

The woman in the white dress bowed and stammered, not daring to say anything.

“What’s wrong?”

The beautiful woman’s brows furrowed slightly, and there was finally a trace of surprise on her face.
