

The Mightiest Little Peasant Chapter 3407

“It’s ... That general mu!”

After hesitating for a moment, the woman in the white dress said.

“Miss, what do you think His Majesty means? There were so many people in the divine Kingdom, and there were many heroes and heroic figures. Which one of them wasn’t more suitable than him? why had he been chosen? He ... With that kind of character, how can he be worthy of you, young lady!”

Then, she said indignantly.

“It’s him?”

When the Jade figure in the hall heard this, she was slightly stunned.

Of course, she knew about general mu. She had admired him in the previous battle and wanted to recruit him into her Flying Phoenix Army.

However, she only admired him a little.

He had great talent in formations and great courage. These were his strengths. If he joined the flying Phoenix Army, he would be able to help her better.

However, if he wanted to marry her, that was impossible.

In terms of background, he was from the most remote region of the hundred territories, the Tangshan territory. In terms of talent, he was rather mediocre. When he joined the Army, he was only a God.

And his character, that was even worse.

In the Tangshan region, he was a well-known perverted Bandit. After entering the fairy's capital, there were even rumors of him fooling around in the Jade pool pavilion.

No matter how he looked at it, this was an extremely terrible marriage partner.

Although she no longer had the longing for her marriage and knew that it was no longer up to her, she couldn't just do it to anyone. At least, she had to be a normal person!

And this general mu was clearly abnormal!

Marrying her would only bring shame to her reputation.

Even if this was just a shield His Majesty found for her, she still couldn't accept it.

"Miss, there's a huge commotion outside. They're all against this marriage."

The woman in the white dress said, "you have to think of a way to persuade His Majesty. Otherwise, once the divine decree is issued, there will be no room for redemption."

The Jade-like person sat quietly in the hall, not moving for a long time.

Her brows were slightly furrowed as if she was considering something.

Suddenly, she stood up.

The divine light around her body suddenly brightened, and the White clothing faded away, revealing a perfect jade body. With a few clanging sounds, a set of red fire Phoenix Armor appeared on her body.

The armor was cool, revealing her snow-white skin and her long legs. It was extremely seductive and sexy.

At the same time, he looked even more valiant and heroic.

“Miss, you are ...”

The woman in the white dress was stunned.

“I’ll go to the carefree mansion and persuade him. He’ll know what to do!”

“Let’s go!” The Jade-like person shouted and flew out of the palace. She stomped her foot and turned into a red light, shooting into the sky.

The woman in the white dress stood there with her mouth wide open.

Persuade?

He was going to kill someone!

She laughed bitterly in her heart.

“Hmph! He was just a shameless pervert! If he’s dead, then he’s dead!” She felt disgusted when she thought of the news that had spread from the Jade Lake Pavilion a few days ago. How could such a person be worthy of the young lady? he should die!

A minute later.

In the sky above the carefree mansion, a flash of red light appeared and fell rapidly.

“What’s that?”

The people gathered around carefree mansion all noticed this divine light.

“It’s general feifeng!”

“Hahaha! There’s a good show to watch!”

After everyone saw it clearly, they were all overjoyed.

From the looks of it, general Fei Feng was here to cause trouble. He might even kill that perverted Bandit on the spot. That would be a great deal of fun.

“Good luck! Good luck!”

Su lingsu was still hiding behind the crowd. She clenched her fists tightly and her face was flushed with excitement.

She couldn’t wait to see that bastard in a sorry state.

“What?”

In mid-air, the red light rushed down. It wanted to break the formation and rush in, but suddenly, the formation that enveloped the mansion opened.

“General mu, why are you so angry!”

A clear and bright laughter came from the mansion.

She squinted her eyes and saw a white-robed figure standing on one of the pavilions in the mansion. He was looking at her with a smile.

“You should know why I’m doing this!”

She flew into the mansion and stood in the void, looking down from above.

“Then you should know that this is just a deal. I’m just a shield that His Majesty found for you.” Tang Hao smiled. With a wave of his sleeve, he shut the formation, blocking the line of sight of the people outside.

“I don’t need it! Even if there was, it wouldn’t be someone like you!”

Mu Hanyan shouted coldly.

“General mu, you’re looking down on me!” Tang Hao smiled. He did not mind.

“Shouldn’t I? I don’t hate you. Your character is your own business, but if you want to be my partner, I can’t accept someone like you.” Mu hanyan laughed coldly.

“I know, general mu. Why are you standing there? come, let’s have some tea and talk as we drink.”

Tang Hao went to the lakeside, took out a tea set, and made a pot of tea.

“What’s there to talk about? go and tell His Majesty. I don’t agree.”

Mu hanyan landed and said coldly.

“What if I say no?”

Tang Hao looked up with a playful expression.

“That will depend on whether your life is tough enough and whether you can survive from my hands.” Mu hanyan laughed coldly, her aura bursting forth with a threatening intent.

“I’m afraid I’ll have to disappoint you, general mu!”

Tang Hao picked up the teacup in front of him, took a sip, and smiled.

“You’re not going?”

Mu hanyan’s Phoenix eyes widened, and a murderous intent surged around her.

Bang!

She stomped her foot, and a monstrous aura gushed out from her body and pressed forward.

“Why do you have to do this!”

Tang Hao did not panic at all. He raised a hand and pressed down lightly. The monstrous aura that surged toward him instantly dissipated and disappeared into nothingness.

“This ...?”

She was stunned, and her Phoenix eyes were filled with extreme shock.

What was going on?

She had used the pressure of a yang God and should have sent this guy flying, but how could she be suppressed by him so easily?

Wasn't he just a puny heavenly deity?

Her first thought was that she had been poisoned, causing her strength to decline. However, on second thought, how could there be any medicine in this world that could knock out a yang God powerhouse? even if there was, it would not appear in this guy's hands.

But if it wasn't poison, then what was it?

“General mu, I'm afraid you don't know where you've stepped into!”

Tang Hao finished his tea in one gulp and slowly stood up.

He raised his right hand and made a grabbing motion.

“Oh my God!”

In the next moment, mu hanyan saw the void around her change.

What was originally an ordinary mansion had now become a vast void. Bright stars were slowly rotating around this place.

Looking around, she only saw a deep void with no end.

An extremely vast and profound aura came from all directions, suppressing her mind and almost suffocating her.

“What ... What kind of array is this?”

She mumbled, her voice trembling.

She had never seen such a formation before, and it almost gave her a sense of despair.

“What formation? I don’t have a name yet!”

Tang Hao said with a smile.

“No name? How was that possible? Wait, this array ... You made it?”

Mu Hanyan was a little confused at first, but then, as if she had realized something, her delicate body trembled and her Phoenix eyes widened again, revealing extreme disbelief.

She was shocked.

Her full chest rose and fell rapidly, which was very eye-catching.
