

## The Mightiest Little Peasant Chapter 3411

Under the moonlit night, a white-robed figure stood.

He had a smile on his face, his eyes were calm, and he had an indifferent look.

“It’s him!”

“But this isn’t right!”

Everyone from Jade Dragon Mountain looked extremely serious.

As soon as they entered the carefree mansion, they felt that everything was wrong.

There was no great formation to defend, and this kid did not escape. This was clearly very abnormal!

Were there really yang God powerhouses lying in ambush?

“No, I didn’t!”

The sky Eagle ambassador’s eyes glowed as he looked around and shook his head.

He didn’t find any unusual aura.

He was the only one in the entire carefree mansion.

“Is this guy an idiot?”

He muttered to himself.

It was fine if this kid didn't run, but he didn't even activate the formation. He just stood there and waited for them to come in. Wasn't he sending his head to them!

He had never seen such an idiot.

“Kid, do you know who we are?”

He led the way and stopped in front of the lake, shouting.

“I know!”

The white-robed young man nodded.

“If you know, why aren't you running? Are you stupid?” The sky Eagle Messenger sneered. “If you want to live, it's simple. You just have to kneel down and kowtow to me. I might spare your life. Tomorrow, you can accuse Emperor shenwu in front of the entire God capital and say that he forced you.”

“Don't worry. When the time comes, Mount Jade Dragon will protect you. We won't let you die in fairy's capital.”

“You ... You want me to kneel?”

The young man in white grinned as if he had heard a joke.

“Of course, you can choose not to kneel, but if you do, you won’t live past tonight.” The sky Eagle emissary sneered, his expression disdainful.

A little perverted Bandit from the hundred territories dared to put on airs in front of him. He really didn’t know how to spell the word “death”!

“Is that so?”

The young man in white looked at him indifferently. His eyes seemed to be smiling yet not smiling. “I won’t kneel. If you kneel, I can consider letting you live.”

“You ... What a big tone!”

The sky Eagle Messenger was stunned and could not believe his ears.

Where did this little perverted Bandit get the confidence to be so arrogant?!

He was a first-grade genius of Jade Dragon Mountain, a peak sky celestial expert!

And who was this kid? a few months ago, he was just a little perverted Bandit from the Tangshan region. He was unknown and dared to speak arrogantly, asking him to kneel?

“He’s crazy!”

Everyone from Jade Dragon Mountain burst into laughter.

“High Ambassador, you don’t need to do anything, let me do it! There’s no need for an expert like you to take action for such a small character.” A 9-star heavenly deity man strode out and shouted.

“Alright!”

The sky Eagle Messenger nodded.

He clasped his hands behind his back, his expression proud.

With his status, he really disdained to deal with such a small character.

“Brat, you dare to insult the Lord High Ambassador? you’re looking for death!”

The nine-star celestial deity man let out a ferocious roar and strode forward.

Boom! Boom! Boom!

With every step he took, the aura on his body became stronger and stronger. Divine light shone brightly, turning into a shocking pillar of light that shot into the sky.

When his momentum reached its peak, he stomped his feet on the ground and burst out with a punch.

“Brat, die!”

He shouted with a shocking killing intent.

“This punch is enough to make this kid suffer!” The sky Eagle Messenger looked on and nodded.

According to what he knew, this brat had obtained a considerable amount of benefits in that battle. His cultivation had also soared from the God Realm all the way to the celestial God Realm. He should be at the seven or eight star celestial god level now.

In terms of cultivation base, the difference between seven-star and nine-star was not big. However, the difference in their innate talent was huge.

Therefore, that kid would definitely not be able to take this punch.

With a smile on his face, he was waiting to see how the kid would be abused.

However, at this moment, the white-robed figure suddenly moved.

The next moment, he saw an extremely terrifying scene.

In just a moment, the White-clothed figure dodged the punch like a ghost and swept to the front of the nine-star celestial God of Jade Dragon Mountain. He gently slapped out his palm and hit the middle of the forehead.

Then, the nine-star celestial God’s figure stopped.

**Bang!**

With a soft sound, the head suddenly exploded, and the nine-colored divine blood and minced meat splattered everywhere.

The divine crystal was clutched tightly in that person's fair hand.

The sky Eagle envoy's body shook.

His eyes suddenly opened wide and were filled with extreme shock.

Soon, his body trembled a few times, and his rough face turned pale.

The scene in front of him was so preposterous, even demonic.

He even had a dazed feeling that none of this was real.

However, when he blinked his eyes, the scene in front of him was still extremely real.

The handsome man in white was standing there, holding a red divine crystal in his hand. Nine-colored divine blood was dripping down his slender fingers.

In front of him was a headless body that was struggling in pain. Divine blood kept spurting out, and the scene was extremely horrifying.

"Second-grade divine crystals, not bad!"

The white-robed man muttered to himself as he examined the Scarlet divine crystal in his hand.

He grinned and chuckled.

However, in the eyes of the people from Jade Dragon Mountain, this smile was so strange and terrifying.

“Lord ... Lord Ambassador, what ... What should we do?”

The group of people were all pale and scared out of their wits.

“You ... You’re not that little pervert? Who the hell are you?”

The sky Eagle Messenger swallowed and tried to calm himself down. He then shouted, “do you know that we are from Mount Jade Dragon? if you are smart, put down the divine crystal and return it.”

“Who said I’m not?”

The white-robed young man sneered. He waved his hand and the divine crystal disappeared.

“Impossible! If you are him, how can you be so powerful? You must be a yang God expert!”

The sky Eagle Messenger shouted.

“You’re right, I’ve become a yang God! However, to deal with someone like you, the strength of a heavenly God is enough!”

The White-clothed young man smiled indifferently. The aura around his body trembled, revealing the standard of a nine-star celestial deity.

In the next moment, his figure flickered and he appeared in front of the sky Eagle Messenger, striking out with his palm.

“Not good!”

The sky Eagle Messenger was shocked.

He had never imagined that this little perverted Bandit had already advanced to the Yang God Realm.

But then, when he sensed the aura that the other party revealed, he was overjoyed.

Nine-star celestial deity!

With his cultivation base at the peak of the heavenly God stage and his innate divine power, it was enough for him to resist this palm and take the opportunity to escape.

When he returned, he would definitely summon the many yang God powerhouses in the mountain and kill this kid!

As he thought about this, he activated the divine essence in his body and punched.

Bang!

There was a loud explosion.

In the next moment, the joy in his eyes suddenly froze.

What replaced it was extreme fear ...

His fist was crushed by the palm, and an indescribable, monstrous aura crushed down on his arm.

Ah!

He let out a shrill scream, his soul almost flying out of his body.

How did this happen?

It was clearly just a palm of the celestial deity nine stars, but it actually smacked him, a peak celestial deity, to explode?

How could this guy's strength be so terrifying?

His heart was filled with shock and doubt.

"A first-rank of Jade Dragon Mountain is nothing more than this!"

A cold and slightly teasing whisper exploded in his ear.

Then, a white palm came down and covered the sky.

His vision turned black, and before he could figure out what was going on, his soul and Dao dispersed, and he died completely.
