

The Mightiest Little Peasant Chapter 3413

“Your Majesty! It’s bad!”

The door of the bedroom was pushed open.

The purple-robed man shouted as he rushed in. His expression was a little shocked and a little panicked.

“What’s going on?”

Emperor shenwu, who was sitting on the Lotus seat, opened his eyes in displeasure.

What was going on that made him so panicked?

Even if that mu brat was dead, he didn’t have to do this!

“What’s wrong? He’s dead?”

He asked, frowning.

He had thought that with the kid’s fate, he could still hold on for a while. He did not expect that he would be killed by the people of Jade Dragon Mountain in less than a day.

“He’s dead! They were all dead! Not a single one is left!”

The purple-robed man shouted.

“What do you mean all of them are dead? it’s just one of them!”

Emperor shenwu was surprised.

But just as he finished speaking, he seemed to have thought of something. His body trembled and he froze there.

“What ... What did you say?”

Then, his eyes widened and he asked in disbelief.

“Your Majesty, general mu just sent us a message saying that everyone on Mount Jade Dragon is dead. Not a single one is left!” The purple-robed man said with a bitter smile.

“What? How could this be possible? Where was the sky Eagle envoy? He’s a first-grade divine realm expert of Jade Dragon Mountain, a peak divine realm expert. How could he die?”

Emperor shenwu stood up in disbelief.

“He’s dead! He’s also dead!” The purple-robed man shook his head.

Emperor shenwu’s mouth fell open as he stood there in a daze.

At this moment, he was a little dumbfounded.

The development of the situation had completely exceeded his expectations and was out of his control.

He had originally thought that the MU brat could rely on some of the great arrays in the residence to resist the group from Jade Dragon Mountain and stall for some time. He had never expected that the brat would kill them all.

This was great, he had pierced through the heavens!

A first-grade genius had died in his divine martial imperial capital. Jade Dragon Mountain would definitely be furious.

The people of Mount Jade Dragon would also think that Emperor shenwu had killed the sky Eagle emissary and his men to protect the kid.

Otherwise, how could a puny heavenly God be able to kill a powerhouse like the sky Eagle envoy?

Soon, a large group of people would come to Jade Dragon Mountain to question him.

“How did it end up like this?”

He suddenly fell to the ground, a little dazed.

He didn't want to have a head-on conflict with Jade Dragon Mountain. Jade Dragon Mountain was too powerful. It was a sacred ground that shook the entire East continent. It wasn't something that his divine martial Kingdom could compare to.

If they really went all out, the divine martial Kingdom wouldn't be able to hold on for long.

“Your Majesty, you don't have to worry too much. General mu also said that he has advanced to the sun god Realm. He said that he will bear the responsibility of this matter.” The purple-robed man said.

“Yang ... Yang God? This is the sun god?”

Emperor shenwu was stunned and became even more dazed.

He remembered that a few months ago, that kid was still a God, right?

But now, he had already advanced to the Yang God Realm. This speed was truly shocking!

“Yup! General mu ... He’s really fast!” The purple-robed man said with a bitter smile.

He had not expected general mu to improve so quickly.

However, after thinking about it carefully, he realized that this was normal. He had received a large reward in the Army, allowing his cultivation to rise from mid God to mid God. He had even asked for ten yang God pills from His Majesty.

He said that it was for general feifeng, but who knew that he had kept a few for himself.

He must have broken through to the Yang God Realm with the help of the Yang God pills.

“This brat is so F * cking smart!”

Emperor shenwu slapped his thigh and smiled bitterly.

He thought that he was the best, but he didn't expect this kid to be even more powerful than him. First, the kid got the Yang spirit pill from him and broke through. Then, he killed the sky Eagle emissary of Mount Jade Dragon and got first-grade divine crystals.

"This kid is smart, bold, and amazing! It was truly amazing! However, since he killed the sky Eagle Messenger, he is already at war with Jade Dragon Mountain. Is this really worth it?"

Emperor shenwu frowned and mumbled.

"Your Majesty, if he doesn't kill the sky Eagle Messenger, the sky Eagle Messenger will kill him. When he accepted the betrothal, he had already made an enemy of Jade Dragon Mountain."

The purple-robed man said in a low voice.

"From his point of view, there's nothing wrong with general MU's actions. It's just that it's a little troublesome for our divine martial Kingdom. However, we just need to push general mu out and let the anger of Jade Dragon Mountain be vented on him. General mu ... Has the same intention."

"That's true! Immediately spread the news of the heavenly Eagle envoy's death as well as general MU's breakthrough. "

Emperor shenwu nodded.

"Yes, Your Majesty!"

The purple-robed man bowed and left.

"This kid ..."

Emperor shenwu sat alone in the hall. He laughed for a while, then frowned for a while. He was in a complicated mood.

Somewhere in the East Province.

Huge pillars stood upright.

Each pillar was tens of millions of feet tall. They were arranged in a row and gradually rose into the sky.

On top of these pillars, there was a Dragon with an extremely huge body.

The Dragon's body followed the pillar and spiraled up a few times.

On the dragon's back, there were many palaces and buildings.

This was Mount Yulong.

At this moment, a surprised voice suddenly came from a Palace near the dragon's head.

"The sky Eagle Messenger is dead!"

Soon, a piece of news spread and shocked half of Mount Jade Dragon.

There were a total of one hundred and eight emissaries on Jade Dragon Mountain's outside. Each of them was a first-grade genius and a peak divine realm expert. They were also carefully selected from the disciples of Jade Dragon Mountain.

In the history of Jade Dragon Mountain, the number of emissaries who died outside was very few.

Today, another one had appeared!

"Who is it? Which force did this?"

"How dare you kill the messenger from Jade Dragon Mountain!"

Angry voices could be heard everywhere on Dragon Mountain.

"The sky Eagle Ambassador is in charge of the divine martial country. It seems like something has happened there."

"Divine martial Kingdom? Right, it was because of that so-called divine general flying Phoenix! It seems like Emperor shenwu is determined to go against Jade Dragon Mountain. "

"Al! We can't jump to conclusions now since we don't know what's going on. I don't think Emperor shenwu would dare to kill the sky Eagle emissaries. It doesn't seem like he did it. We have to investigate it first. "

Mount Yulong, dragon head Hall.

Rays of divine light swept over and gathered in the hall.

All of them were yang God powerhouses.

“There’s no response from the divine martial Kingdom. It’s possible that our people are all dead. Qingyang high holiness and Wu tuo high holiness, you two high holiness, take five Venerables and make a trip to the divine martial Kingdom! Investigate it properly and see who’s the one causing trouble.”

“Yes, great senior!”

Not long after, seven figures flew out of the hall.

One of them was an old man in a green robe, while the other was a middle-aged man in a black robe. Both of them were mid-stage yang gods, and their auras were overbearing.

The five people behind him were also at the early yang God stage.

The Group of Seven rushed out of Jade Dragon Mountain and headed toward the divine martial Kingdom.
