

## The Mightiest Little Peasant Chapter 3425

A graceful figure stood in front of the carefree mansion.

She was dressed in an icy-blue outfit that wrapped around her curvaceous and delicate body. Her curves were seductive.

She had a beautiful face and a cold temperament.

She stood there gracefully, attracting countless gazes from all directions.

There were many people gathered outside the carefree mansion, attracting a lot of attention.

This woman, who was as cold as an Ice Mountain and as beautiful as a painting, attracted their attention.

These days, there were many people walking around, but no one would knock on the door.

However, this icy woman had knocked on the door. This meant that she knew the owner of this mansion.

“Another stunning beauty. She’s not much inferior to that divine general Fei Feng.”

“Don’t tell me he’s the same as Holy maiden su, also a victim of the past!”

Everyone sized him up and secretly guessed.

“Who is this?”

Not far away, in a Pavilion, Hong Tianyi gritted his teeth, his face full of jealousy and hatred.

He was already unhappy enough when he saw that mu was safe and sound. Now, he saw another ice-cold beauty sending herself to his door. He couldn't help but feel even more unhappy.

This guy, isn't he just a shameless pervert? where did he get so many beautiful women?

Even last time, when Holy maiden su wanted to kill this perverted demon, she was also coaxed away by him. Was there still justice in this world?

“Who is this guy?”

Su lingsu was also sizing him up.

From her perky chest to her straight and slender legs, she looked up and down. Then, she lowered her head and looked at herself. Her brows could not help but furrow.

She felt a great pressure.

This ice-cold beauty in front of her had a figure that was even better than hers. That bulging feeling that seemed like it was about to explode was something that she couldn't wear no matter what she wore.

And that frosty and cold temperament, it was especially attractive.

“Why are there so many beautiful women!”

She muttered to herself.

She was known as the number one beauty of the hundred territories. Normally, she had never seen a woman who could compare to her. Now that she was in the divine martial Kingdom, she had seen two in a row, and both of them were related to that bastard.

“There’s no justice!”

She glared at the carefree mansion and said angrily.

“What is she doing here?”

In the carefree mansion, Tang Hao furrowed his brows.

The ice-cold beauty outside the mansion was his cheap Senior Sister, the one from the firmament mountain.

He had never thought that this person would come to his door, because he knew that this person hated him very much.

“Forget it, since we’re already here, we’ll just meet.”

After pondering for a while, he opened the door.

The beautiful figure at the door moved and stepped in.

As soon as she entered the room, she looked around as if she was observing something.

“Senior Sister!”

Tang Hao went up to him. “Why are you here? Do you miss me, your Junior Brother?”

He revealed a look of familiarity and enthusiasm at the right time.

She didn’t say a word and just looked at him.

From time to time, she would frown.

“Senior Sister, what’s wrong?”

Tang Hao was surprised.

“It’s nothing! I just feel like I don’t recognize you anymore after not seeing you for a few months!”

She said, her voice cold.

“Is that so?”

“Isn’t it? Look, junior martial brother, you’re already a sun god expert, and you’re even the general of the divine martial Kingdom. Your name has shaken the East continent. ”

“It’s just a coincidence!”

“Is it a coincidence?”

She raised her eyebrows but did not comment.

In the next moment, he moved in front of Tang Hao, grabbed his hand, and pressed it against his chest.

Tang Hao was dumbfounded.

He remained in this position for a while before he reacted. He subconsciously retracted his hand and broke free.

“Senior Sister, what are you doing?”

“Haven’t you been coveting my place for a long time? I’m letting you touch me, but you don’t dare to?”

She stared at Tang Hao with a proud look in her eyes.

She finally saw through this guy. As she had expected, he was not alone.

Thinking back carefully, ever since that failure, her Junior Brother had been acting weird. In the past, he was frivolous and his mind was full of those things, but ever since then, he began to cultivate in seclusion for long periods of time and even ran to the Scripture cave.

There was also that time when the two of them went to the city together to handle some matters. On the way, they were ambushed by a group of people, but this Junior Brother of theirs also returned unscathed.

If it was really her original Junior Brother, he definitely did not have such strength.

Not to mention the shocking things he did later.

Then, he came to the divine martial Kingdom, promoted to the sun god, and killed the people of the Jade Dragon Mountain, which caused a sensation in the entire East continent.

She knew very well that her Junior Brother was a piece of trash. Even if he had some kind of encounter, it was impossible for him to become so powerful.

According to her guess, it could be a possession, or it could be a complete act.

She was more inclined to the former, because who would have nothing better to do than to deliberately pretend to be a little pervert! If he wanted to hide, there were many better identities. Possession was the most perfect explanation.

Tang Hao was speechless when he looked at her.

“Stop acting. If you were really my Junior Brother, you would definitely have touched him and touched him happily. Why would you withdraw your hand? this kind of subconscious reaction can’t lie!”

“Don’t worry, I have no intention of exposing your identity. It’s meaningless.”

She said.

“Then what do you want to do?”

Tang Hao said.

At that moment, he had understood her intentions. He was just too embarrassed to touch her, so he had retracted his hand.

“Nothing much. I just wanted to confirm. I’m also borrowing your place to stay.”

She said.

“What? You’re going to stay here?”

Tang Hao was surprised.

“That’s right, I don’t have anywhere else to go. Have you forgotten that the Xiao mang mountain is gone, it’s gone because of you. Since you’re still my Junior Brother, isn’t it normal for me to stay here?”

She said.

“Why? are you afraid that general Fei Feng will mind? I heard that you’re getting married!”

“It’s fine, I’ll stay!”

Tang Hao shook his head and smiled bitterly.

He had a pretty good impression of this cheap Senior Sister. It was nothing much to just stay there for a period of time.

“Alright, then I’ll stay! Let’s do it there!”

She did not stand on ceremony. She looked around and chose a Pavilion with beautiful scenery.

After she finished speaking, her figure swept away and entered the pavilion.

Tang Hao’s expression was odd as he watched her graceful back.

There was something wrong with this Senior Sister.

Since she could tell that he was a fake, she must be very meticulous. She knew that the carefree mansion was a dangerous place with many troubles. Maybe in a few days, people from Mount Jade Dragon would come to kill him again.

Was she not afraid?

“There’s a problem!”

He muttered to himself.

But he didn’t probe further. Since she wanted to stay, then so be it. It wouldn’t affect him much.

“It’s so big and so soft!”

At this time, he glanced at his hand and recalled the wonderful touch just now, and his old face blushed.

\* Cough \*

He quickly collected his thoughts and returned to his small pavilion by the lake.

He sat down, took out the materials, and continued to refine the formation.

After he was done, he laid it down.

Then, he started to think about his next step.

He had to think carefully about how he could break through to the three-star sun god Realm as soon as possible.
