

The Mightiest Little Peasant Chapter 3426

A day later, Tang Hao left the house.

“Brother mu, you’re too awesome! You’re already at the sun god Realm. Do you know that you’re the 17th Sun god expert in the divine martial Kingdom?”

“You don’t know how much of a sensation Shen ‘du was in the past month. Everyone had their eyes on your carefree mansion, and everyone in the East Province knew your name, brother mu.”

Zheng Tong followed behind him.

“That’s right, brother mu. You’re too awesome. You’re our idol!”

There were also a few good-for-nothing scions who followed beside Zheng Tong, their faces full of flattery.

In their eyes, this brother mu was a god-like existence!

The battle at the Jade Lake Pavilion had shocked the entire fairy’s capital, and he had already been regarded as a God by them.

After that, he killed the sky Eagle Messenger and caused a sensation in the East continent ...

Such an incident was simply too awesome!

Also, his cultivation had already reached the Yang God Realm at such a young age. It was truly shocking!

Tang Hao's mouth twitched when he heard their compliments.

He was a little embarrassed by her exaggerated praise.

"Brother mu, is this really okay? "You're already engaged to general feifeng. If you still go to the Jade Lake Pavilion ..."A popinjay suddenly thought of something and lowered his voice. He was a little nervous.

"Yup! Why don't we go to another one? the Jade Lake Pavilion is too famous, and if we go there, the whole fairy's capital will know about it. "

When the other nouveau riches heard this, they nodded in agreement.

"It's fine. Let's go to the Jade Lake Pavilion!"

Tang Hao said with a smile.

"Brother mu, you're awesome!"

The group of nouveau riches slapped their thighs and almost gave him a thumbs up.

Brother mu is brother mu, not even afraid of general flying Phoenix!

"Brother mu, it's still my treat this time. Play however you like, I'll pay for everything!"

Zheng Tong patted his chest and said heroically.

“Al! Brother Zheng, how can you do that? I have to do it. ”

“I’ll do it!”

When the other popinjays heard this, they couldn’t help but start fighting for it.

This was a good opportunity for them to show off in front of brother mu!

“Aiyo! Isn’t this general MU’s Army?”

As soon as they entered the Jade Lake Pavilion, the beautiful woman in red came to greet them.

Her beautiful eyes looked up and down, and she was secretly shocked.

As expected, there were no symptoms of the poison acting up in his body. It seemed that the poison of her sunflowers Palace had no effect on this person.

“General mu, you’re a famous person in the East Province now. Who hasn’t heard of your fame these days? A Young yang God expert, a one-in-a-billion array Dao genius, and the fiancé of general feifeng ...”

She smiled and asked, “by the way, speaking of general feifeng, does he know that you’re here, general mu?”

She lowered her voice and said mischievously.

She also knew that the so-called bestowment of marriage was merely Emperor shenwu’s scheme. The marriage between him and general feifeng should only be a formality.

However, they had to get married after all. With general Fei Feng's arrogant personality, how could he allow his fiancé to fool around in the Jade Lake Pavilion?

"I'm fine!"

Tang Hao laughed.

"Then I'm relieved!"

The beautiful woman smiled. "Then, are you still going to pick lianyue this time? Ever since the last time, lianyue has been thinking about you, general! After all, a man as amazing as you is the only one in the world!"

As she spoke, she chuckled and her eyes were like silk.

Her plump body twisted, and she looked extremely flirtatious.

The group of popinjays were stunned.

This was the first time they had seen the brothel Madame of the Jade Lake Pavilion like this.

"What's the hurry?"

Tang Hao leaned over and blew into her ear. "I want to do business with you, master!" He whispered. As he said that, his palm wrapped around her soft waist.

“Oh? What kind of business?”

The beautiful woman’s face turned red, and she felt her delicate body go soft.

“I’ve heard that the Jade Lake Pavilion is not only in the flesh business, but also in the intelligence business.” Tang Hao whispered as he leaned closer to her.

“Ah, Yingluo!” She let out a low cry. Her rosy cheeks were like a ripe apple, and her pair of watery eyes were full of amorous feelings, making her extremely attractive.

“What kind of information do you want?” She gasped and said.

She did not find it strange.

He might not have known the background of the Jade Lake Pavilion when he had just arrived in Shen du. However, now that he had become Emperor shenwu’s confidant, he would definitely know the background of the Jade Lake Pavilion.

“Take it!”

Tang Hao smiled. He took out a piece of paper and stuffed it into her clothes.

“General mu, you’re so bad!”

She chuckled and took out a piece of paper. After taking a look, she nodded.”No problem. It will be ready soon. You can go in first and enjoy it. By the way, general mu, I’ll call Lian Yue over!”

“Alright!”

Tang Hao nodded. He followed Zheng Tong and the others to the bamboo garden.

“Young master mu!”

A moment later, the alluring Lotus Moon Fairy appeared.

“It’s been more than a month since young master left. I’ve missed you! He heard from the people outside that the young master was going to marry general Fei Feng? I’ve heard that general feifeng is a world-renowned beauty in the East Province. Lianyue’s looks are far inferior to her!”

She held Tang Hao’s arm and toasted him.

“What are you saying!”

Tang Hao said with a smile.

“Yup! General feifeng may be beautiful, but you’re not inferior to him, fairy lianyue!”

“We’re all beauties, why bother with the distinction! At most, it’s called different styles!”

The group of Playboys laughed.

“The young masters are right!”

Hearing this, fairy lianyue smiled.

After drinking for two hours, the beautiful woman came over personally to deliver the information he wanted.

“Young master, it’s about time. Let’s go!”

After drinking for a while longer, Lotus Moon Fairy couldn’t hold it in anymore. She moved closer to Tang Hao’s ear and said,”

“Alright!”

Tang Hao nodded and allowed her to pull him to the Lotus Moon Pavilion.

Soon, the news spread in the Jade Lake Pavilion.

“It’s general mu again!”

“I knew it was him the moment I heard that voice. Who else could it be other than him?”

When the pig brothers in the pavilion heard this, their hearts trembled, and they were filled with deep respect.

Only general mu could be so powerful in the Jade Lake Pavilion.

This news spread like wildfire, and very quickly, it spread in the city again, causing quite a stir.

After all, that person was a famous person today and had just caused a sensation in the entire East Province not long ago!

“That’s too fierce!”

“Isn’t he engaged to general feifeng? Isn’t he afraid that general feifeng will come knocking with a sword?”

“Hey! General feifeng probably won’t mind even if we go with the flow!”

For a time, the four corners of the city were in an uproar.

Very quickly, the news also spread to the flying Phoenix mansion.

Bang!

The futon and floor beneath mu hanyan exploded into dust from the overwhelming aura she exuded.

She gritted her teeth and clenched her white fingers, making cracking sounds.

This bastard!

He had clearly said that he could go, but he couldn’t do it openly.

What was the meaning of this?

Was he doing this on purpose?

Why must the whole city know about such a disgraceful thing?

She clenched her fists tighter and tighter, and the aura around her became more and more terrifying.
