

The Mightiest Little Peasant Chapter 3427

“Young master, take care!”

In front of the Jade Lake Pavilion, the alluring Lotus Moon Fairy held Tang Hao’s hand and said goodbye.

“Brother mu, you’re too fierce!”

“Are there any tricks?”

The group of nouveau riches looked at him with admiration.

“Hey! What trick? this is called extraordinary talent, do you guys understand?” Zheng Tong said, “brother mu, he was born to be so awesome! Brother mu, don’t you agree?”

He looked at Tang Hao with a fawning smile.

Tang Hao nodded and pretended to be deep in thought.

The group of popinjays immediately looked disappointed.

“Brother mu, shall we go for a few more drinks?” A popinjay suggested.

They, the fops, usually had nothing to do. They just loitered in restaurants and places of pleasure, seeking pleasure all day long.

“No!”

Tang Hao refused.

He still had important things to do.

The information he had bought from the Jade Lake Pavilion was about the dangerous places and Forbidden Lands in the East continent. Only in these places could he find some high-level divine herbs to improve his cultivation.

The divine martial Kingdom's resources were too weak, and they could only produce a small amount of yang spirit pills every year. He couldn't count on them.

After they parted, he returned to the carefree mansion.

As soon as he stepped into the mansion, he heard a noise above his head.

He looked up and saw a red light shooting over and falling rapidly.

The corners of his mouth twitched, and he felt somewhat helpless.

Wasn't that divine general flying Phoenix? She was his fiancée in name!

"General mu, what's wrong?"

He opened the array and let her in.

"You're still asking me what's wrong? Don't you know what you've done?"

Mu Hanyan landed, her face as cold as ice.

She had already changed into the fire Phoenix battle armor, and her slender, well-proportioned, perfect Jade legs were especially eye-catching.

Tang Hao glanced over and could not help but take a few more glances.

Even from his point of view, the design of this battle armor was quite outstanding. It was valiant and somewhat sexy. It was definitely the work of an expert.

She was already a peerless beauty to begin with, and with this battle armor, her charm increased even more, and her killing power was extremely strong.

“Oh! You mean the Jade Lake Pavilion? Didn’t we already talk about this? You also allowed it!”

Tang Hao said with a smile.

“I’m saying that you can go, but you have to keep a low profile. Have you been keeping a low profile now? You’ve caused such a ruckus that the entire Shen ‘du knows!”

Mu Hanyan gritted her teeth and raised her eyebrows.

Of course, she didn’t care about this guy. It was none of her business how he fooled around, but the premise was that it didn’t affect her reputation.

“Cough! Didn’t I tell you before that I’ll try my best? but you know that I’m too powerful, so there’s nothing I can do.”

Tang Hao shrugged and said helplessly.

The spirit God fusion technique that he had created was so powerful that he had no way of controlling it.

“You ...”

Mu hanyan’s phoenix-like eyes glared at him, almost spitting fire.

“What’s going on?”

At this moment, a cold voice came from not far away.

“A woman?”

Mu hanyan was stunned and subconsciously turned her head to look.

The next moment, her expression changed.

In that direction, a graceful figure swept over. She was dressed in an ice-blue tight suit, had a hot figure, and a beautiful face.

“Who is she? What are you doing here?”

She looked at Tang Hao and asked.

Tang Hao opened his mouth and was about to answer.

At this moment, he heard a cold snort.

“It’s none of your business who I am, right?” The senior Sister came over, squinted at the famous beauty in the East continent, and said coldly.

Mu Hanyan’s brows furrowed slightly, but she was a little unhappy.

“Why can’t I? I’m half a master of Xiaoyao mansion!” She raised her head and retorted coldly.

“Oh, really? Why did I hear that you’re just a fake couple? you don’t have the right to interfere. ”

The senior Sister said.

“The divine decree has been passed down, so in name, we are the real ones.”

Mu Hanyan shouted coldly.

She didn’t know what was wrong with her, but when she saw this person, she felt a little conflicted. Perhaps this person’s beauty was too outstanding, or perhaps it was because of this person’s cold, elegant, and arrogant temperament, which made her a little unhappy.

“Good, not only did you go to the Jade pool pavilion to fool around, but you also have a mistress in the mansion. You’re good!”

Then, she looked at Tang Hao and gritted her teeth.

“She’s my Senior Sister!”

Tang Hao said.

“Senior Sister? Alright! You’ve even seduced Senior Sister!”

Mu hanyan was a little speechless.

“There’s nothing between us. You’ve misunderstood!”

Tang Hao said helplessly.

There really wasn’t anything going on between him and this Senior Sister.

“Is that so?”

Mu hanyan asked suspiciously.

“He lied to you. He even touched me here. What do you think our relationship is?”

The senior Sister suddenly said.

As she spoke, she lowered her head and looked at her proud chest.

Tang Hao was stunned.

His eyes were wide open as he looked at his Senior Sister Bing Shan in disbelief.

Did those words really come out of her mouth?

Could she have been possessed as well?

“You ... You guys are shameless!”

Mu hanyan looked left and right, gritting her teeth as she cursed.

“No... It’s really not like that!” Tang Hao quickly explained.

“You don’t have to explain to me. Whatever happens between you and her has nothing to do with me. You two can continue ...” Mu hanyan shouted coldly. After she finished speaking, she shot a cold glance at him, stomped her feet on the ground, and soared into the sky.

“Hmph! A pair of adulterers!”

From afar, she could still hear her cursing.

Tang Hao grinned helplessly as he watched her leave.

“Senior Sister, what are you doing?”

When he looked at his cheap Senior Sister again, he was speechless.

“I’m telling the truth! You’ve already touched it, how can you deny it?” She looked at him and said indifferently.

However, there was a hint of slyness in his eyes.

“That’s because you ...”

Tang Hao wanted to explain, but he stopped halfway.

That’s right!

No matter what, he still touched it.

“I just don’t like her and want to make her angry. You tell me, you’re not serious with her. What right does she have to control you?” She raised her eyes and looked in the direction of Flying Phoenix Manor. “Even I, as her Senior Sister, didn’t do anything, so what right does she have to do so?!”

As she said that, she raised her face slightly and looked a little proud.

Tang Hao’s mouth twitched.

He could tell that although this cheap Senior Sister looked cold and arrogant, she had a hint of Black-bellied heart.

“You’re right, senior apprentice-sister ... By the way, senior apprentice-sister, I’ll be leaving soon. I’ll be away for a while.”

Tang Hao said.

“What’s wrong?”

She looked at him in surprise.

“Let’s go to the East Province and look for some opportunities.” Tang Hao said.

“You’re quite diligent!”

She nodded and said.

“These are the formation disks for several great formations. Take them. As long as you stay here, even a late yang God expert won’t be able to do anything to you.” Tang Hao took out a few formation disks and handed them over.

“Alright!”

She took it and answered.

“I’ll go back first!”

She put away the array disc, turned around, and glided back to her own Pavilion.

Tang Hao left the residence and went straight to the palace.

He had to see Emperor shenwu before he left.
