

## The Mightiest Little Peasant Chapter 3431

“This is ...?”

Wu Xiang Palace master’s pupils suddenly shrank, and extreme shock emerged in his eyes.

This power was surging and extremely majestic!

“Three-star realm?”

On the side, the palace Master of tai Qing Palace trembled as if he had been hit hard.

His eyes were also wide open, and his face revealed extreme shock.

This power had clearly reached the three-star level of the sun god!

However, how could there be a three-star realm old monster in the hundred territories?

For example, he and Wu Xiang Palace Master were only at the peak of the one-star realm!

While he was still in shock, the palm had already arrived in front of him.

When the two of them came back to their senses, they hurriedly waved their palms and slapped forward.

Bang Bang!

There were two loud explosions.

Following that, two muffled groans could be heard.

The two figures trembled at the same time and flew backward.

In an instant, the surroundings fell silent.

There was a dead silence.

Whether it was the other two yang gods or the heavenly gods charging over from all directions, all of them froze on the spot. Their eyes were wide open and filled with extreme shock.

With one palm, he sent the two Palace Masters of Wu Xiang and tai Qing flying!

What kind of terrifying strength was this?

Which old monster had arrived?

Gulu!

Some of the heavenly gods swallowed their saliva with difficulty. Their faces gradually turned pale as they looked at the palm.

Then, he shuddered and came back to his senses. He frantically retreated.

Whoosh! Whoosh! Whoosh!

Everyone else also came to their senses and retreated at the same time.

Even the two yang gods slowly backed away, their faces filled with fear.

A three-star old monster was not someone they could fight against.

“Who are you, Sir?”

Wu Xiang Palace Master stopped and shouted while gritting his teeth. His expression was one of unwillingness.

The treasure was clearly in his hands, but a three-star old monster suddenly appeared out of nowhere. It was really a pity!

The palace Master of tai Qing Palace stood behind her and looked at the crack in the void with suspicion.

He found it strange.

The news of the divine blood treasure had only just spread, and it should still be within the hundred territories. Why would a three-star old monster come?

“This treasure is not bad, I’ll take it!”

A chuckle came from the crack in the void.

Then, the hand reached out and took the box.

“This voice ...”

The palace Master of tai Qing Palace was stunned, but she felt that this voice was somewhat familiar.

However, he couldn't recall it at the moment.

“It's him?”

After thinking for a moment, his body suddenly trembled as he remembered who the voice belonged to!

“This ... This is impossible!”

In the next moment, he cried out in shock, his eyes filled with disbelief.

He remembered this voice. It was the voice of the guy who pretended to be a pervert!

That day, he had exchanged a punch with him, and he had a deep impression of him. He would definitely not remember it wrong.

However, how could this guy have the strength of a three-star realm?

Didn't they say that he had just entered the Yang God Realm?

He stared at the crack, but his heart was in a state of shock.

This guy ... Who was he?

That day, when he had exchanged a blow with him, he had clearly just entered the nine stars celestial deity realm. However, only a few months had passed, and he had actually soared to the three stars sun deity realm, far surpassing him.

This speed ... Was simply too terrifying!

“No! His cultivation level should not be three-star, it could be two-star ...”

Then, he suddenly recalled the terrifying talent of this person.

When he was a nine-star celestial deity, he could take a punch from him, a sun god. Then, as long as he was a two-star, he could completely erupt with strength comparable to a three-star.

In fact, it might only be a one-star!

He secretly guessed, and his mind became more and more frightened.

“Old man tai Qing, you know him? Who is it?”

Palace Master Wu Xiang looked at him and asked in surprise.

The palace Master of tai Qing Palace nodded and said solemnly, “I was fortunate enough to have seen it before. Its origin ... Is unimaginable!”

“What?”

Upon hearing this, Wu Xiang Palace master’s expression changed.

His origin ... Was unimaginable?

What kind of shocking background did he have?

Even if he was from a sacred place like Jade Dragon Mountain, old man tai Qing would not think so highly of him. Could he be from outside the East continent?

Not far away, the other two yang gods ‘expressions also changed drastically. They pulled back again and retreated a few hundred feet.

When they looked at the crack again, they were extremely frightened.

They could not afford to offend a three-star sun god with an unimaginable background.

“Let’s go!”

Another shout came from the crack.

Then, the void closed up.

“I didn’t expect to meet him again!”

After a long while, the palace Master of tai Qing Palace regained her senses and sighed.

He had been paying attention to this person's movements.

Ever since they had entered the divine martial Kingdom, he was well aware of their performance.

In just a few months, he rose from the divine martial Army, was betrothed to Emperor shenwu, promoted to the sun god, and killed the sky Eagle envoy of Mount Jade Dragon. This shocked the entire East continent.

All of these things were extremely shocking.

He had even guessed that the heaven-defying great formation that had appeared in the carefree mansion was his, and not Emperor shenwu 's, as the world had guessed.

Although Emperor shenwu had some skills, he was not particularly powerful in the entire East continent. He was not famous in the past, so how could he have such a heaven-defying formation?

Only this person with an unknown background could do it.

“Old man tai Qing, when have you seen it? Where exactly are you from? you better tell me clearly!”

Wu Xiang Palace Master looked over and asked.

“Don't ask, this is for your own good! This person's identity isn't something you or I can inquire about. ”

The palace Master of tai Qing Palace glanced at him and laughed.

After he finished speaking, he turned around and headed towards his own elders.

“Palace Master, is it him?”

The elders looked at him with grave expressions.

“It’s him! Let’s go!”

The palace Master of tai Qing Palace nodded.

The elders were shocked.

Very quickly, the group from tai Qing Palace was far away.

After a heated discussion, the rest of the people gradually dispersed.

Not long after, the news of a mysterious expert appearing and snatching away the treasure of divine blood gradually spread throughout the hundred territories, causing a heated discussion.

At this time, somewhere in the hundred territories.

The void split open, and a white-robed figure stepped out.

He was holding a purple jade box in his hand.

“How should we deal with this?”

Opening the lid of the box, there was a ball of bright divine light inside, showing nine colors.

Upon closer inspection, it was a nine-colored Qilin with a talisman stuck on its body. It was curled up in a box.

This was the treasure of divine blood.

A spiritual object born from the blood of an ancient God.

This kind of spiritual object could take many forms, just like the immortal medicine in the past. After it became a spirit, it would take various forms.

After sizing him up, he nodded slightly, very satisfied.

This treasure was indeed worth several yang grade divine herbs.

However, he was in a difficult position as to how to deal with this thing.

It would be a waste to swallow such a good treasure directly. He had to refine it into a pill.

However, what pill should he refine?

This was the first time he had seen such a thing, and he did not understand it, so he could not make it into a pill easily.

“I have to ask around and find a relevant pill recipe ...”

After a moment of silence, he had an idea.

“Let’s go there!”

Then, he took out the map of the East continent and found a place. There was a vast mountain range drawn on the map, and there were three words next to it: On the pill Sea Mountain.
