

## The Mightiest Little Peasant Chapter 3447

“You ...”

The venerable from Jade Dragon Mountain struggled with all his might, trying to break free from the hand.

However, he soon realized that it was futile.

No matter how he struggled, he couldn't move the palm in the slightest.

His eyes widened as he looked at the person in front of him. His expression was already somewhat flustered.

He could not understand what was going on.

This little pervert was clearly only at the one-star realm. Where did he get such terrifying power from?

Tang Hao didn't say anything. He only stared at him coldly.

Suddenly, he clenched his fist and a few cracking sounds were heard. Then, a shrill scream was heard.

The venerable Yulong wailed and his eyes almost popped out. No one knew if it was from the pain or from the shock.

Tang Hao was unmoved. He spun again.

There were a few creaking sounds.

His opponent's hand was broken and exploded.

Ah!

The venerable Yulong shrieked in pain and retreated. His expression was one of fear.

“What ... What's going on?”

In the distance, the green Goat high holiness and the others finally came to their senses and exclaimed in shock.

The scene in front of him was too unbelievable and too shocking!

A little pervert who was supposed to be at the one-star realm had easily taken a punch from a three-star venerable of Mount Jade Dragon and even broke his arm!

“Is this the kid?”

They subconsciously suspected that they had found the wrong person.

But on closer look, there was no mistake. It was that kid.

That kid was a notorious pervert. Who had nothing better to do than to impersonate him?

“You are too impatient!”

Tang Hao sneered at the venerable Master of Jade Dragon Mountain.

If the two high holiness came and attacked together, they might be able to stop him, but this guy was here alone. Wasn't he here to die?

“You ... You're really that perverted Bandit? your strength ...?”

That honored warrior shouted as he retreated, his eyes filled with disbelief.

Tang Hao didn't say anything. He took a step forward and was already in front of him. He struck out with his palm.

The honored warrior was shocked and hurriedly raised his left hand to block.

Bang!

There was a loud explosion.

His left hand also exploded inch by inch, and divine blood splashed everywhere.

“Ah, Yingluo!”

He screamed again, his expression extremely frightened.

Even though he did not know what was going on with this fellow, there was no doubt that this fellow's strength was extremely terrifying. Even the two Supreme martial artists might not be a match for him.

"Run!"

At this moment, there was only one thought left in his mind.

He knew very well that if he didn't escape, he would be killed by this guy here.

However, just as he was about to escape, he heard a swoosh. The white-robed figure had already flashed like a ghost and blocked his way.

That pair of eyes looked over with a bone-chilling gaze.

Upon contact, his mind trembled, and he felt as if he had fallen into an ice cellar. He felt cold from head to toe.

At this moment, he was so scared that his soul almost flew away.

He had never seen such a terrifying gaze before.

He had seen many evil sects and killed many of them, but he had never seen such a terrifying gaze.

The bone-chilling coldness in his eyes and the monstrous killing intent ... How many people had he killed?

Just as he was in shock, the palm came again and hit his chest.

Bang!

There was a loud bang.

His body shook and his chest caved in.

As his body crumbled, divine blood spurted out.

“Not good!”

At this moment, high holiness Qingyang and the others in the distance came to their senses, and they roared as they rushed over.

If this continued, the venerable of Jade Dragon Mountain would be killed on the spot.

“Stop!”

The green Goat high holiness shouted and grabbed a green divine spear, which he threw out.

Tang Hao glanced at it but ignored it.

Once again, he clapped his hands and pressed them on the chest of the venerable Yulong.

This time, the chest was completely blown open, and boundless blood splashed out.

The venerable howled in pain and bit the tip of his tongue madly. He ignited his divine blood and tried to escape.

However, Tang Hao stomped his foot, and his aura spread out, instantly suppressing the void in all directions.

He stretched out his hand and grabbed the divine crystal between the venerable's eyebrows under his terrified gaze.

"Don't be scared!"

The sovereign struggled madly and screamed in fear.

His body was shrinking at a speed visible to the naked eye, and all his essence was flowing into the divine crystal in between his eyebrows.

When it was almost done, Tang Hao grabbed the divine crystal and pulled it out.

"What a pity, it's not flawless level ..."

He pinched the divine crystal, observed it, and then mumbled.

First-grade divine crystals were good, but flawless-grade divine crystals were even better. If he could devour a few more flawless-grade divine crystals, he might be able to raise his divine crystal by another grade.

"Stop!"

Seeing this scene, the five people who were rushing over were even more furious and roared madly.

Tang Hao glanced at it and put away the divine crystal. Then, he reached out to collect the venerable's broken body and put it into the divine furnace.

Then, he turned around and faced the green divine light.

He stretched out his hand and pointed at the divine light.

Bang!

The two forces collided and exploded, creating ripples.

The green divine spear stopped and its divine light instantly dimmed.

"This ..."

In the distance, the green Goat high holiness's body froze, and his eyes widened in extreme shock.

He was a six-star sun god. How could this kid block a spear shot from him?

"I'll return it to you!"

A cold shout.

Tang Hao grabbed the divine spear and threw it.

Whoosh!

The green light broke through the air and arrived before the Qingyang high holiness in the blink of an eye.

“Not good!”

The green Goat high holiness was horrified.

Although the treasure was still his, there was a powerful force wrapped around it, driving it to fly over.

For a moment, he couldn't stop his divine spear.

He could only clench his teeth, put on his battle armor, and throw a punch.

Clang!

The sound of metal clashing rang out.

Then, there was a muffled groan.

Under the horrified gazes of Wu tuo high holiness and the other three Venerables, Green Goat high holiness was sent flying for more than 10000 feet. He only managed to stop after flying for a while, but he looked extremely pathetic.

They froze on the spot again, and their minds went blank again as if they had crashed.

“This guy ... What kind of strength does he have?”

“He ... Is he really that perverted Bandit?”

When they came back to their senses, they looked at the figure in the distance, their faces pale.

He had easily taken a blow from the green Goat high holiness and then casually threw the treasure back, sending the green Goat high holiness flying. This kind of strength was definitely at the great venerable level!

So, this guy was definitely not that little pervert!

But if he wasn't that perverted Bandit, who else could he be?

Who would have nothing better to do than to pretend to be that perverted Bandit?

There was!

They pondered for a while and understood.

This matter was very obvious!

This was because there was only one great Paragon in the divine martial Kingdom, and he was the divine Martial Emperor!

Therefore, the person in front of him was Emperor shenwu.

Only Emperor shenwu would have the motive to impersonate the little perverted Bandit just to deal with Jade Dragon Mountain!
