

## The Mightiest Little Peasant Chapter 3448

"You're good, Emperor shenwu!"

The green Goat high holiness gritted his teeth and said with hatred, "I didn't expect you to be so despicable!"

"Emperor shenwu?"

Tang Hao was surprised.

"Hmph! You're still pretending!" "Who are you if not Emperor shenwu?!" The green Goat high holiness roared.

"Emperor shenwu, to think that you're still the ruler of a country. How could you be so despicable? from now on, Jade Dragon Mountain and you are irreconcilable!" On the other side, Wu tuo high holiness also shouted and gritted his teeth.

Tang Hao thought about it for a while and understood.

The strength that he had displayed was at the great Paragon realm. Naturally, these people would not believe that he was the pervert mu and thought that he was Emperor shenwu in disguise.

"Alright! He's going to push the blame on Emperor shenwu!"

He muttered and did not say anything else.

In the eyes of the green Goat high holiness and the others, their identities had been exposed, and they had nothing to say.

“Emperor shenwu, just you wait!”

“You’ll pay the price for provoking our Jade Dragon Mountain!”

Qing Yang, Wu tuo, and the others left a few harsh words before they turned around and left quickly.

“A first-grade divine crystal and the essence of a three-star sun god. Not bad!”

After they had gone far away, Tang Hao then moved and headed toward the divine martial Kingdom.

He grinned and was in a good mood.

The harvest this time was a pleasant surprise.

When he entered the imperial capital, he received a lot of attention.

Just as he was about to return to his carefree mansion, he received a jade talisman from Emperor shenwu.

He met Emperor shenwu again in the Imperial garden.

“You’re fine?”

Emperor shenwu sized him up and was a little surprised.

“Of course I’m fine. Why?” he asked.

Tang Hao was surprised.

“Oh! Just now, I sensed some movement over there, so I was wondering if it was caused by those people from Jade Dragon Mountain. Now that I’ve seen you come back, I know they’re going to stop you.” Emperor shenwu said.

As he spoke, his expression was a little strange.

Two high Supremes and four supremacies-such a luxurious lineup, yet this kid was completely fine?

This was unbelievable!

“So Your Majesty knows about it. Why didn’t you help?”

“Hahaha! Wasn’t this because he was afraid of a scam? I’m Emperor shenwu, the ruler of a country. I must stay in the Imperial City and not leave. Besides, I know that with general MU’s strength, he can definitely turn misfortune into fortune. Look, isn’t he doing fine?”

Emperor shenwu laughed dryly.

You tricked me so badly last time, and you still want me to save you?

In your dreams!

He snorted coldly in his heart.

“I see!”

Tang Hao had an expression of sudden realization.

How could he not know what Emperor shenwu was up to?

Since you are like this, don't blame me for setting you up again!

He said to himself.

“Of course!” Emperor shenwu laughed and said, “What's important is that you've returned safely, general mu. Why don't we pick a good day and hold the wedding?”

He started to change the topic.

“No need!”

“Didn't I tell you to drag it out like this?” Tang Hao said quickly.

“Oh! Yes, yes!”

Emperor shenwu quickly nodded.

This old fox!

Tang Hao laughed in his heart.

This old fox was still smug. If he knew that he had been made a scapegoat again, he would probably vomit blood on the spot!

“If there’s nothing else, Your Majesty, I’ll be taking my leave!”

He didn’t say anything and just bowed and left.

“Alright!”

Emperor shenwu agreed.

After leaving the palace, Tang Hao returned to his family’s carefree mansion.

“You’re back?”

When he arrived at the small pavilion by the lake, he saw an icy blue figure suddenly appear.

She was still dressed in the same way, the familiar icy blue outfit that she seemed to never change.

However, this set of clothes did suit her well. It was tight and fit her body. It just so happened to show her curvaceous and hot figure. The curves of her body were shockingly outlined.

She stood there, her figure graceful and her face beautiful. She was as beautiful as a lotus flower blooming on the peak of a snowy mountain.

“Mm! He’s back!”

Tang Hao looked at her and replied casually.

As soon as he finished speaking, he had a strange feeling.

Why did this sound like a conversation between a husband and wife after returning home?

“Oh!”

She replied indifferently, “here, this is your array board.”

As she spoke, she took out a stack of array discs and returned them.

Tang Hao took it and put it away.

“You ...” Her red lips opened slightly, but she stopped.

“What’s wrong?”

“Did you really do something to the little girl?” She had a strange expression on her face.

“Which little girl?”

Tang Hao was surprised.

“That Holy maiden su!” She said, “I’ve been out of the manor twice and I’ve seen her both times. She kept staring at me. Also, she seems to live not far away and often comes here to inquire.”

“Oh! She didn’t do anything! At most, I just made her change some clothes!”

Tang Hao said.

“Really?”

She did not seem to believe him.

“Of course, and she’s not a little girl anymore!” Tang Hao chuckled.

In terms of age, that Holy maiden su should be much older than him.

“That’s strange!”

She muttered and frowned slightly, as if she couldn’t figure it out.

Since he didn’t really do anything, why was Holy maiden su so persistent?

“Forget it!”

After a while, she shook her head and sighed.

If she couldn't figure it out, then she wouldn't think about it. It was none of her business anyway.

She turned around and walked away.

Back in the pavilion, Tang Hao sat down and began to make pills.

Three portions of yang God great pills were refined in two days.

Then, he refined the body of the venerable from Jade Dragon Mountain and swallowed it along with the sun god elixir.

"Not bad!"

When he finished refining, he opened his eyes and revealed a satisfied expression.

His cultivation level had increased by a large margin, and he was not far from the six-star realm.

"There should be some movement ... From Mount Yulong, right?"

He raised his eyes and looked in the direction of Mount Yulong.

Last time, they had suffered a great loss in his carefree mansion. A Sky Eagle Messenger and a venerable were killed. Jade Dragon Mountain must be angry. Now, a three-star venerable had died. How could they bear it?

"Still no movement? That shouldn't be the case!"

He went out for a walk and asked for some news. He was stunned.

There was no reaction from Mount Yulong at all.

“Strange!”

He furrowed his brows and felt that it was very strange.

Didn't they say that Jade Dragon Mountain was very overbearing? So many people had died, but there was no reaction at all. This was very abnormal!

He even made a special trip to the palace and asked Emperor shenwu about it, but the result was the same.

He was not too concerned. With his current strength, he was not afraid of whatever Jade Dragon Mountain was planning.

In the next few days, he, Zheng Tong, and the others went around the Imperial City.

On this day, just as she came out of the Jade Lake Pavilion, she bumped into someone.

Dressed in the fire Phoenix battle armor, she looked valiant and sexy. It was mu Hanyan.

Tang Hao looked up and was stunned.

“Sis...Sis-in-law, it's not our fault!”

Zheng Tong and the other popinjays at the side shivered, their faces pale with fear as they hurriedly hid behind.

“What are you doing here?”

Tang Hao did not panic at all.

They were just a fake couple.
