

The Mightiest Little Peasant Chapter 3452

“Eh? There seems to be some movement over there?”

In a spatial Rift, a scholarly man stood. It was the lingkong crane.

He suddenly looked around and revealed a surprised expression.

Just now, he had vaguely sensed that there was some movement in the surroundings, but when he looked around, he found nothing.

“I’m probably overthinking things!”

After a moment, he laughed and shook his head.

This was the great formation that they had set up, and they were also trapped, so there was no movement.

“Just wait for a while more, and I’ll be able to make my move. At that time, I’ll break through her defense in one fell swoop and capture that little girl!” He looked at the flying Phoenix City with a lustful look in his eyes.

“It’s almost time!”

After a while, he smiled and looked around.

According to the plan, the others should have attacked first to attract attention, and then he would appear last to destroy the formation.

However, after looking around, he felt a little strange.

Why hasn't anyone made a move yet?

It was time for them to make a move!

"Strange!"

He muttered to himself.

"No need to wait, they won't appear!"

At this time, a cold shout suddenly exploded in his ear.

The next moment, a black shadow flashed and a white-robed figure appeared in front of him like a ghost.

"Who are you?"

The sky crane was first shocked, then its expression turned suspicious and confused.

If he wasn't wrong, wasn't this that little perverted Bandit?!

Why was this fellow here? furthermore, how did he dare to appear in front of her?

Couldn't he tell that he was a mid-stage expert?

"Hahaha! The heavens are really helping me!"

Then, the sky crane laughed with joy.

He had long wanted to kill this brat, but he did not expect that this brat actually delivered himself to his door. Was there anything better in the world than this?

Tang Hao stood with his hands behind his back, not saying a word. He only looked at him with pity in his eyes.

Just now, when those few people saw him, they were all equally happy.

But now, they were all lying in his great void divine furnace.

"Kid, what's with that look?"

Noticing the look in his eyes, the sky Crane's expression changed. It was a little annoyed.

This gaze was really annoying!

"Hmph! Just wait and see how I'll dig your eyes out!"

He shouted coldly, his face full of anger.

Tang Hao still did not say anything. He flicked his sleeve, and a small world appeared.

“A small world? Hahaha! How arrogant!”

The sky crane did not move and allowed the light to pull him into the small world.

“Brat, I really don’t know if I should call you stupid or arrogant. Don’t you know my identity? Haven’t you heard of my great name, sky crane?”

As soon as he entered the small world, he looked at the figure in front of him and sneered.

“I can be considered your senior. Of course, compared to me, you, a junior, are nothing.”

Then, he started to boast again, his face full of arrogance.

Tang Hao just stood there and looked at him quietly.

“Alright, I won’t talk nonsense with you anymore. I’ll kill you first, then capture that beauty and go back to live a carefree life!”

After boasting for a while, Ling konghe finally stopped.

He didn’t have time to waste with this kid. The people outside were definitely still waiting for him to make a move.

However, it would not take much effort to deal with a kid who had just entered the Yang God Realm. He could easily suppress him.

“You don’t need to rush out. The people you’re waiting for are all here!”

Tang Hao spoke.

“What?”

Ling konghe was stunned. He did not understand.

“Look, isn’t this the person you’re waiting for?”

Tang Hao smiled. He flicked his sleeve, and a head flew out.

The sky crane looked over and shuddered as if it had been struck by lightning.

His eyes were wide open, filled with extreme shock and disbelief.

That’s right!

This was one of his accomplices. If he remembered correctly, this was a three-star sun god. Although his strength was not as strong as his, a four-star sun god, he was still a rather powerful expert. How could his head be cut off?

“There’s still more!”

Tang Hao smiled. He flicked his sleeve again, and another head flew out.

When the sky crane saw this, its eyes widened again, and its eyeballs almost popped out.

Another one!

This should be a two-star sun god!

How did he get his head chopped off?

Moreover, how long had it been?

How could they have been killed by this guy so silently?

This was too unbelievable!

It was too horrifying!

“This guy ... Is strange!”

When he saw the heads flying out one after another, his shock turned into fear. His face gradually turned pale, and even his legs started to tremble.

In just a quarter of an hour, he had suppressed five yang gods without a sound. This kind of strength was simply terrifying!

This definitely wasn't that little perverted Bandit, but a terrifying expert!

“Not good!”

At this time, he realized that he was already in the other party’s small world and was like a turtle in a jar!

He immediately regretted it.

He clearly had the chance to escape just now, but now, he was in trouble.

“Brother, let’s talk this out. I’m just doing something for someone’s money. I have no intention of being your enemy. How about this? I’ll give you some treasures and let you go. Then, I’ll leave and not care about this matter anymore. What do you think?”

He began to beg for mercy.

“I’ll kill you and everything you have will be mine!”

Tang Hao said indifferently.

“Hmph! Then don’t blame me for being impolite. Do you really think you can trap me?”

The sky crane flew into a rage out of humiliation.

His body shook and his aura exploded.

Since this guy didn’t want to let go, he would tear this small world apart and break out by himself.

“You’re looking for death!”

“Die!” Tang Hao shouted coldly. He dashed forward and struck his palm down.

The sky crane snorted coldly and raised its palm to meet the attack.

He was very confident that even if this guy was a late-stage great Paragon, he would be able to hold on for a while and find an opportunity to break the small world and escape.

“This ...”

However, in the next moment, his confidence was completely destroyed.

The moment their palms met, he felt the other party’s power surge over like a tsunami, instantly crushing his little bit of power.

It was too terrifying!

He was greatly shocked.

At this moment, he could sense the true cultivation level of his opponent. He was a five-star cultivator, but the battle prowess he displayed was comparable to that of a great senior.

This was truly shocking!

He had never seen or heard of such a terrifying person!

Was this a monster?

He was the legendary invincible existence who could even kill people of a higher realm!

However, how could there be such a person in the divine martial country?

In an instant, countless thoughts emerged in his mind. Some were shocked, and some were fearful.

He suddenly understood why Jade Dragon Mountain didn't dare to take action personally to deal with the divine martial Kingdom. It was because there was a terrifying force hidden behind the divine martial Kingdom.

Motherf * cker!

He cursed in his heart, but he was cursing Mount Jade Dragon.

He had clearly been tricked!

Before he could continue to curse, his opponent's palm came again and again, like a storm, enveloping him.
