

The Mightiest Little Peasant Chapter 3454

The capital of Suzaku.

A ray of divine light swept over and arrived in front of the city gate.

After entering the city, he walked around and finally came to a mansion.

“What’s that person doing?”

On the side of the road, someone looked over in surprise.

That mansion was well-known in the imperial capital. It was the stronghold of Jade Dragon Mountain.

With the reputation of Jade Dragon Mountain, ordinary people would not even dare to breathe loudly when they passed by. However, this guy was standing by the wall and looking inside. Was he not afraid of getting into trouble?

Si si si!

The next moment, he was stunned and took in a deep breath.

That fellow had actually sneaked into the residence right in front of him!

“Where did this lunatic come from?”

He cried out in shock, his face full of horror.

That was the territory of Mount Jade Dragon!

Did that guy not want to live?

“Woof! You’re looking for death!”

There were many people who saw this and laughed out loud.

In that mansion, there was not only a peak heavenly God expert, but also many powerful formations. Even a sun god expert would find it difficult to break out of it. That guy would be courting death if he went in.

“Someone is challenging the formation?”

At this moment, the people in the residence discovered the intruder.

“Where did this little rascal come from, you don’t know what’s good for you!”

In a Hall, Messenger kui of Jade Dragon Mountain opened his eyes and glanced outside the hall. He could not help but sneer.

He had been in charge of this stronghold for more than ten years, and he had never seen anyone who dared to challenge the formation.

In his eyes, this person was extremely stupid.

“Just let him stay in the array for a while, I’ll deal with him later!”

He sneered and was about to close his eyes.

However, at this moment, his pupils suddenly shrank. He saw a black shadow flash in the void in front of him. A white-robed figure appeared like a ghost.

“How is that possible?”

His body trembled, and he was so shocked that he almost jumped up from the ground.

How long had it been, and this fellow had already broken through all the formations and barged in?

This guy ... Who was he?

“Your Excellency, do you know that this is the stronghold of my Jade Dragon Mountain?”

He forced himself to calm down and took a deep breath.

“I know!”

The white-robed figure said coldly.

“Then why did you force your way in? Is there something that I can’t pay you a visit?” Wood emissary kui said.

“I’m here to ... Kill!”

The white-robed figure snorted coldly. His figure flickered and he had already arrived in front of her. He then struck out with his palm.

Envoy kui sat there, his entire body trembling. His eyes were staring so hard that they were about to pop out. He had a terrified expression.

At this moment, all the Qi in his body was suppressed. It was as if a divine mountain was pressing down on him, making him unable to move at all.

The difference in strength was too great, so great that it made him despair!

“High Ambassador!”

Outside, many figures rushed over. They were the disciples of Jade Dragon Mountain who had heard the commotion and rushed over.

As soon as they reached the front of the hall and looked inside, they saw a scene that made their souls fly away.

Their wood emissary kui sat stiffly in the middle of the hall. The white-robed man next to him had easily smacked his head.

Pa!

With a loud sound, divine blood splattered.

There were even a few puffs of God's blood that flew over and splashed on their faces.

They instantly froze. Then, with a few screams, they fell to the ground on their butts, their faces extremely pale.

They had never seen such a terrifying scene in their entire lives!

They screamed in fear and crawled out with both hands and feet.

However, before they could crawl far, the white-robed figure stepped out of the hall. He raised his slender palm and flicked his fingers. With a few bangs, heads exploded one after another.

The white-robed figure walked over and took out the divine crystals one by one, then put them back in place.

After a while, he flicked his sleeve, and a monstrous flame of anger surged out and swept in all directions of the mansion.

"What's happening inside?"

At this moment, the people outside saw the fire coming from inside.

They were all in disbelief.

The manor was covered by a large formation, forming its own heaven and earth. How could there be fire coming out from inside?

Unless the formation had been destroyed, that was why they could see the fire.

But how was that possible?

That was a great formation set up by Mount Jade Dragon. How could it be broken so easily?

“Someone’s coming out!”

“It’s that person just now!”

Suddenly, a figure flew out of the mansion and landed on the street.

The people on the street looked over and found it hard to believe.

How could this guy escape from the stronghold on Jade Dragon Mountain unscathed?

Just as everyone was in shock, the figure flickered and disappeared.

At this moment, a loud boom came from the manor, and a violent flame soared into the sky. The commotion was so great that half of the imperial capital was alarmed.

“Heavens!”

Outside the mansion, everyone looked into the mansion and was dumbfounded.

This mansion was already in ruins, and there was not a single person to be seen.

There was no doubt that these people had been suppressed, and they might even be dead.

“That guy ... Who is he?”

Someone came back to his senses and moaned, feeling his scalp go numb.

To dare to slaughter the stronghold of Jade Dragon Mountain so brazenly, the person just now must have an extremely shocking background!

“This is a big deal!”

Someone said with a bitter smile.

Such an act was equivalent to a direct challenge to Jade Dragon Mountain, or even a declaration of war. No matter who that person was or which force he belonged to, it was bound to cause a great uproar and shake the entire East Province.

“What’s going on?”

“Isn’t that the stronghold of Jade Dragon Mountain? What happened?”

From all four corners of the imperial capital, people would occasionally rush into the sky and look in the direction of the fire, shouting in shock.

The commotion quickly spread to the Imperial Palace.

“Emperor shenwu?”

Someone exclaimed in surprise from the depths of the palace.

A beam of light shot out and stared at the Jade Dragon Mountain stronghold. Then, it looked in the direction of the divine martial Kingdom.

His eyes were filled with confusion and fear.

Without a doubt, this was the divine martial Kingdom’s revenge.

A few days ago, they had worked together with Mount Jade Dragon to deal with divine general Fei Feng. Now that Mount Jade Dragon’s stronghold in his Vermillion Bird country was being massacred, it could only be the doing of divine martial country.

However, what he could not understand was why Emperor shenwu had suddenly become so bold. What was the background of the force behind Emperor shenwu? how could they dare to provoke Jade Dragon Mountain?

“This Emperor shenwu is really good at this! I’ve really underestimated him ... He managed to rope in a top force without a sound ...”

The Vermillion Bird Emperor murmured, and his eyes became filled with fear.

There were many other Holy Lands ‘strongholds in the Vermillion bird’s imperial capital, so they quickly learned of the commotion and spread the news.

For a time, all parties were shocked.

The destruction of the stronghold was no ordinary matter. It was a hundred times more serious than the death of the sky Eagle envoy.

Previously, the sky Eagle Messenger went to kill people and was killed instead. This time, the entire stronghold was massacred, which was equivalent to a declaration of war.

“Who did this?”

All parties were extremely puzzled.

They could not think of anyone who would be so bold as to provoke Jade Dragon Mountain.
