

## The Mightiest Little Peasant Chapter 3457

In the evening.

Tang Hao left the carefree mansion and headed toward the palace.

The banquet was held to celebrate the emergence of the 18th sun god in divine martial country, the genius from purple Qilin mountain.

Since he had nothing to do, Tang Hao decided to go and take a look.

Ever since he came to the divine martial Kingdom, he had never participated in such an event.

“Brother mu!”

Just as they were about to reach the palace, they heard someone call out to them.

He recognized that this was Zheng Tong’s voice.

Turning around, he saw Zheng Tong following behind a purple-robed man.

“Marquis Tiangong!”

Tang Hao cupped his hands and smiled.

This Marquis Tiangong's cultivation wasn't high. He was only an 8-star celestial God, but because of his high attainments in the Dao of craftsmanship, he was conferred the title of Marquis Tiangong and was in charge of the divine martial Kingdom's Dao of craftsmanship.

"General mu, I've long heard of your great name!"

Marquis Tiangong also cupped his hands and returned the greeting. He was rather polite.

General mu did not have a good reputation because of his background. However, he was still a general and had advanced to the Yang God Realm. Coupled with his outstanding talent in array Dao, his future was limitless. He was worth befriending.

Moreover, His Majesty had given him a marriage, and he was general feifeng's fiancé in name.

"Lord Marquis is too polite!"

Tang Hao said with a smile.

"Brother mu, are you alright? "That time ..." Zheng Tong rushed over and asked softly.

"Do I look like I'm in trouble?"

Tang Hao chuckled.

"That's true! Brother mu is brother mu, you're amazing!" Zheng Tong nodded in respect.

"General mu, let's go together!"

Marquis Tiangong laughed.

“Alright!”

Tang Hao nodded and followed them into the palace.

At this moment, many figures were flying over from all directions of the imperial capital.

“His Majesty has invited quite a few people to this wedding banquet. Those with some status in the divine martial Kingdom have basically been invited. Look, that’s the divine pill Marquis. That’s the masked moon sect’s sect master Qi ...”

Marquis Tiangong pointed at the figures and introduced them one by one.

Tang Hao scanned the room and recognized a few familiar faces. They were the divine generals.

“Why is she here?”

When he was about to reach the palace below, he saw another figure not far away. She had a lithe figure and a beautiful face. It was Holy maiden su.

Marquis Tiangong looked over and was stunned for a moment, unable to recognize him.

“That’s Holy maiden su, the one from the hundred territories!”

Zheng Tong reminded him softly.

“Oh! She!”

Marquis Tiangong came to a sudden realization, and his expression turned slightly strange.

Of course, he had heard of the conflict between this Holy maiden su and general mu.

“She’s the Holy maiden of the Supreme purity Palace, and the Supreme purity Palace is the top power in the hundred territories. The Supreme purity Palace Master has always been on good terms with our divine martial Kingdom, so His Majesty invited her as well. Not only her, but the genius of the non-phase Palace was also invited by His Majesty.”

Marquis Tiangong said.

“Hong Tianyi?”

Tang Hao remembered the genius from the formless Palace.

It had been a long time since he last saw her, and he had almost forgotten about her.

He couldn’t be blamed for this. This guy’s presence was simply too low.

“They’re here!”

Speak of the Devil, and the devil will come.

He turned his eyes and saw a few more figures flying over. One of them was Hong Tianyi.

Hong Tianyi also saw him and his expression changed.

“What bad luck!”

He cursed in a low voice, his face full of shame.

The last person he wanted to see in the divine martial Kingdom was this mu fellow.

He had come to the divine martial country with him, and he wasn't famous yet. However, this fellow was already a general and had advanced to the sun god Realm. His cultivation was far superior to his, and this made him extremely jealous.

The group of people who were with him did not look too good either.

“Hmph!”

They glanced at him coldly, then landed and walked into the hall.

Tang Hao recognized them. A few of them had served in the Army.

“These people, they all have powerful backgrounds ...”

Marquis Tiangong introduced them in a low voice. They were all descendants of nobles.

“Hmph!”

Su lingsu landed on the ground, looked at him with her beautiful eyes, and snorted.

She raised her snow-white neck and wrinkled her nose. Her face was full of anger and disgust.

Then, she tapped the ground with the tip of her foot and glided into the hall.

“Let’s go!”

Marquis Tiangong led the way and entered the hall.

“Marquis Tiangong, general mu!”

There were already quite a few people in the hall, and they were currently gathered in twos and threes. When they saw the three of them enter, many people walked over and greeted them.

Outside the hall, people kept rushing in.

“General feifeng is here!”

When mu hanyan arrived, it caused quite a stir.

In the divine martial Kingdom, she was an extremely special existence. Not only did she have a peerless beauty, but she also had top talent.

Thus, she also had a transcendent status.

At this moment, she had taken off her sexy and valiant red armor and changed into a red robe with a Phoenix embroidered on it. The pattern was extremely beautiful, and there was divine light flowing around it. It was gorgeous and dazzling.

Under the divine light, her beautiful face looked even more dreamy and dazzled.

When she walked in from outside the hall, the entire Hall fell silent.

Everyone's eyes focused on him, and they were all a little hot.

Especially those young people, their eyes were filled with passion and love.

Her stunning looks had captured the hearts of countless young men. If not for the threat of Mount Jade Dragon, the number of suitors from the divine martial Kingdom would probably line up from the imperial capital all the way to the border.

In the crowd, su lingsu was also looking at her.

When she entered the hall just now, it also caused a big commotion, full of exclamations. However, it was still far from the current commotion.

"Hmph! You're just a little more talented than me!"

She muttered to herself.

In terms of looks, she didn't think she would lose, but she wasn't as talented as the other person, and she lost a lot in terms of fame.

“General mu!”

Everyone in the hall spoke up one after another, enthusiastically calling out.

Many people even went up to him and greeted him warmly.

“General mu, she ... Is truly a peerless beauty!”

Even Marquis Tiangong stroked his beard and praised.

“Yup! Sister-in-law is so pretty!”

Zheng Tong was mesmerized.

But very quickly, he shivered and sobered up.”Brother mu, I ... I didn’t mean it that way. I don’t have that kind of heart!”

Tang Hao glanced at him and laughed.

“I don’t have any relationship with her.” He shook his head.

“Hey! Brother mu, you can’t say that. You’re her fiancé in name after all. If you can do her, it’ll be perfectly justified. No one can say no, so you have the best chance. ”

Zheng Tong said in a low voice.

“You talk too much!”

Tang Hao glared at him and said.

“That’s right, quickly shut up!”

Marquis Tiangong also glared at him and chided.

Zheng Tong shrunk his neck and did not dare to speak.

At the entrance of the hall, mu hanyan dealt with a group of people and walked in. Her gaze swept around, and her eyes fell on Tang Hao.

Then, under the gaze of everyone in the hall, she walked over with light steps.

In an instant, the focus in the hall shifted. Everyone’s eyes followed the direction of her footsteps and looked in Tang Hao’s direction.
