

The Mightiest Little Peasant Chapter 3460

“You really want to go?”

Mu Hanyan leaned over and said softly.

She was sitting right next to Tang Hao, less than two feet away from him. She leaned forward slightly, and her beautiful face came close to his ear. She pursed her red lips and breathed out a warm breath that had the fragrance of divine fruit.

Tang Hao’s ears twitched. It felt itchy.

“Of course!”

He turned his head and glanced at her.

At such a close distance, the face in front of him was still so impeccable and flawless.

Especially her skin, which was white and soft, and covered with a faint divine light.

Looking down slightly, one could see a shocking Snow White and a deep ravine.

“What are you looking at!”

She glared at him, a little embarrassed and angry, but she didn’t move her eyes away. Instead, she continued, “are you confident?”

Tang Hao nodded.

She furrowed her brows and her eyes were filled with suspicion.

“Alright then!” After a moment, she nodded.

This guy’s strength wasn’t much, but his courage and means were quite impressive. Otherwise, he wouldn’t have been able to fight against a sealed general. Since he dared to agree, he must have some confidence.

She also hoped that he could win this challenge.

If she married him, she could still maintain her peace and quiet. It was good that the two of them did not disturb each other. However, if it was Zhou Yuan, it would be troublesome.

“The one surnamed mu, come out!”

Zhou Yuan’s eyes were on fire when he saw the two of them talking intimately.

He raised his hand and jabbed it, shouting sternly.

“Start fighting! Start fighting!”

In a corner of the hall, Hong Tianyi sat there, his face full of excitement.

He couldn’t wait to see that bastard’s face when he was abused.

“This guy ... He’s not good!”

Beside him was the seat of the Holy maiden of the Tai Qing Palace.

Su lingsu rested her head on the table and looked at the man in the middle of the hall, shaking her head.

“Which one isn’t good?”

Hong Tianyi followed her gaze and was stunned.

How could she be looking at Zhou Yuan?

Was she saying that Zhou Yuan could not do it?

Impossible!

He was the second-ranked genius of the divine martial Kingdom, and his innate talent was only inferior to divine general Fei Feng ‘s. Even he, the number one genius of the hundred territories, felt inferior to him.

Wasn’t such a person more than enough to deal with a little perverted Bandit from the Tangshan region?

“Lady su, you’re talking about that perverted Bandit, right?”

He said with a smile.

“Who said that!”

Su lingsu turned around and said in a bad mood.

From the moment she sat down, this guy had been harassing her like a fly. She was so annoyed.

Originally, she had a good impression of this genius of the phaseless Palace. However, since that time, when she saw this guy in the Jade pool pavilion, she felt a little disgusted.

He clearly went, but he still said he didn't go. What a hypocrite!

“Are you talking about the one from the purple Qilin mountain?”

Hong Tianyi was stunned for a moment, then he laughed.

“Hahaha! Lady su, how could you have such a ridiculous idea? you must be ... Drunk!”

“You're the one who's drunk!”

Su lingsu glared at him, then turned around and ignored him.

“I'm afraid this Grand Pure Holy maiden is really drunk!”

“Yup! The two of them have the same cultivation base, but in terms of innate divine power, wouldn't that Qilin son be able to instantly kill that mu guy?”

By the side, quite a few people laughed when they heard this.

You guys don't know shit!

Su lingsu secretly rolled her eyes.

These people were all kept in the dark by that guy!

“Mu, why aren't you coming out!”

“Tang Hao!” Zhou Yuan shouted again when Tang Hao still did not get up.

“I know! He knew! What's the hurry!”

Tang Hao waved his hand and stood up.

“You two, let's fight outside the palace. Remember, you can't reveal your godly body and you must be careful not to damage the palace's facilities.” Emperor shenwu said with a smile.

The palace was surrounded by a formation that suppressed anyone below the sun god Realm and prevented them from revealing their divine bodies. However, there were no restrictions on yang God Realm powerhouses.

“I know, I'll be quick!”

“Okay!” Tang Hao nodded.

“How dare you speak to Her Majesty like that!” Many people in the hall reprimanded.

“General mu is young and full of vigor, it’s fine!”

Emperor shenwu said hurriedly.

This brat even dared to trick him. He was already being very polite by using such a tone.

“Soon? Hahaha! That was only natural! In less than half an hour, I will be able to end this battle!”

Zhou Yuan laughed coldly, his face full of disdain.

After he finished speaking, his figure moved and he swept out of the hall, rushing into the air.

“Mu, come up!”

In the air, he looked down and shouted.

Tang Hao walked out of the hall.

Everyone in the hall raised their heads and looked up.

Although there was a Palace roof, they could easily see through it and see the situation in the sky.

“It’s starting!”

Hong Tianyi smiled smugly and poured himself a glass of wine. He took a sip and felt comfortable.

In front of the hall, Tang Hao stepped into the air and left.

Looking at the purple Qilin mountain genius above him, he smiled.

He had already thought of how to deal with this fellow.

“Still laughing? You can still laugh?” Zhou Yuan laughed out of anger.

In his opinion, this guy was overestimating his own ability. He dared to be so arrogant in front of him, the number one genius of the violet Qilin mountain!

“Today, I’ll let you know the difference between you and a genius!”

He shouted, and his body trembled. Divine light shot up into the sky.

BOOM!

The divine light turned into a huge pillar of light that shot into the sky.

Zhou Yuan stood in the divine light with golden light in his eyes and his long hair dancing in the wind. He was like a god of War.

This kind of power immediately caused a wave of exclamations in the hall.

“Not bad!”

Even Emperor shenwu nodded his head slightly in admiration.

Tang Hao studied him and smiled.

“Let’s settle this as soon as possible!”

He mumbled to himself. In a flash, he was already in front of Zhou Yuan like a ghost, and he struck out with his palm.

Zhou Yuan was shocked at first. He did not expect that this guy would take the initiative to attack, and with such speed.

However, he quickly calmed down, his eyes still filled with disdain.

He raised his hand and also waved his palm to meet the attack.

Bang!

There was a loud explosion.

Then, there were a few cracking sounds, the concentrated sound of bone armor bursting.

Zhou Yuan’s eyes widened so much that they were about to pop out of his eye sockets. His eyes were filled with extreme shock and disbelief.

Very quickly, it turned into fear.

His hand had exploded with just one palm.

The crystal-clear palm was still coming. It shattered his arm inch by inch and pushed it all the way to his chest.

Bang!

The palm was imprinted on his chest.

In an instant, his entire body trembled and the flesh on his chest burst open. Divine blood spurted out of his mouth.

His mind was completely blank.

In the next moment, his body was like a cannonball, flying backward. With a few bangs, he smashed into a Palace before coming to a stop.
