

The Mightiest Little Peasant Chapter 3461

The hall was dead silent.

Everyone was frozen there, not moving at all. Even their expressions were frozen.

It was as if time had stopped.

After a long while, clanging sounds rang out in various parts of the hall, breaking the deathly silence.

It was the sound of the wine cup in his hand falling to the ground.

“This must be fake!”

“Let’s go easy!”

Following that, the hall burst into an uproar.

Everyone’s faces were filled with shock and disbelief.

The scene just now was too ridiculous!

The number one genius of the violet Qilin mountain had his arm and chest blown apart by a brat from the Tangshan domain, and was sent flying while spitting blood?

How was that possible?

They subconsciously felt that they must have gone easy on him.

However, on second thought, that was not right. No matter how he thought about it, that Zhou Yuan would not have gone easy on him. He was the one who started the challenge, and it was for the sake of general mu. How could he go easy on him?

But if he didn't go easy on them, then what was going on?

"This ..."

Even Emperor shenwu, who was at the head of the hall, was sitting there with his eyes wide open. He was stunned for a long time.

Clang!

When he came back to his senses, his hand trembled and the wine glass fell to the ground.

Even he found it unbelievable.

Of course, he knew that this kid had some tricks up his sleeve. However, it was mainly because of his attainments in array Dao. He really didn't expect that this guy's strength was so powerful.

Although this kid was a two-star and his cultivation was higher than Zhou Yuan's, the fact that he was able to crush Zhou Yuan with one palm proved that his talent and supernatural power were also very high. It was probably not much different from Zhou Yuan's.

"How could this be ..."

Mu Hanyan was stunned for a long time. When she came back to her senses, her brows furrowed tightly and her face was full of bewilderment.

She didn't know that this person had such strength.

"It seems that I have underestimated him!"

She muttered to herself with her red lips pursed.

"This ... This is impossible!"

In a corner of the hall, Hong Tianyi sat there, dumbfounded.

The wine glass in his hand had already fallen to the ground, and the wine had spilled all over him.

However, he was completely unaware of it. He still raised his head and stared blankly at the white-robed figure in the sky.

He couldn't believe his eyes and couldn't accept it.

Didn't they say that this guy was just a little lecher from the Tangshan region with ordinary talent?

But now, how could he have such a powerful performance?

Even the geniuses of the Purple Qilin Mountain could be destroyed with a single palm!

“I told you, but you didn’t believe me!”

Holy maiden su, who was beside him, had an indifferent expression, as if she had known this would happen.

She had long known that this fellow wasn’t simple. She had stayed in the divine martial Kingdom in order to find out his identity.

“Back then, he was only a nine-star celestial deity and could already fight against my master, crossing a major realm. Now, it’s too easy to defeat someone of the same level!” She muttered to herself.

“Alright, I’m done!”

Tang Hao flicked his wrist and landed in front of the hall.

“I said, it’ll be quick!”

He walked in and smiled.

In the hall, everyone was staring at him, their eyes filled with shock and fear.

“Why aren’t you talking? Sect Master Wang, what are you still standing there for? go and collect them!”

Tang Hao looked around, then looked at the purple Qilin mountain’s sect Master Wang.

Only then did sect Master Wang wake up and rush out of the hall.

Tang Hao turned around and returned to his seat.

“General MU’s strength seems to have improved again! Very good!” Emperor shenwu cleared his throat and broke the silence in the hall.

“Everyone, you’ve all seen the result. Don’t mention changing the divine decree anymore.”

He looked around and said.

“Yes, Your Majesty!”

Everyone responded in a hurry.

They didn’t dare to do so. They had thought that mu was a fake. Although he was a sun god, he didn’t live up to his name. Now that they had seen his strength, they knew that he was a powerful master.

“Perhaps, that general mu had been supported by His Majesty from the very beginning!”

“Yup! If it wasn’t for Your Majesty, how could he have become so powerful?”

Many people were secretly conversing.

They were more and more shocked.

Because if that was the case, then this general mu was the emperor’s true confidant. The close relationship between the two was unimaginable to others.

Anyone who dared to provoke general mu would definitely make His Majesty unhappy.

With this thought in mind, they looked at general mu with awe.

With such powerful strength and such a close relationship with His Majesty, such a figure must not be provoked!

“You ...”

Mu hanyan leaned over again when Tang Hao sat down.

Her beautiful eyes, as bright as the stars, were fixed on him, carefully examining him.

“What did I do?”

Tang Hao said with a smile as he took a sip from the glass in front of him.

“It’s nothing ...” She looked at it for a long time, then suddenly shook her head and retracted her gaze.

She had wanted to ask him clearly, but then she thought that they were just partners and not that close, so it was not appropriate to ask.

Tang Hao smiled and started drinking.

After a long while, sect Master Wang brought Zhou Yuan back to the hall.

Zhou Yuan's spirit was a little dispirited, and he had long lost his previous high-spirited appearance.

When he saw Tang Hao, his expression changed. He quickly looked away like a frightened bird.

"Little brat Zhou, you don't have to worry about it. You don't know yet, but general mu is already a two-star cultivator. Thus, you didn't lose in vain." Emperor shenwu said.

"What? Two-star?"

"Heavens!"

The hall was instantly filled with exclamations.

Everyone was in disbelief.

How long had it been since general mu advanced to the sun god Realm? how could he be a two-star now?

This speed ... Was simply too terrifying!

"Two-star sun god ..."

Hong Tianyi's body shook and his face turned pale.

Originally, he had wanted to catch up, but now, there was no way to catch up. The gap was so big that he was in despair.

“That was fast!”

Su lingsu was also shocked.

More than half a year ago, this guy was still a nine-star celestial God. Now, he was already a two-star sun god. This speed was as heaven-defying as his talent.

“Who is he? Where did you get it?”

She was getting more and more curious.

“It’s actually a two-star!”

Sect Master Wang cried out in shock, his eyes already showing some fear.

“That’s right. Yuan ‘er, you don’t have to worry about it. Cultivate well when you get back.” He looked at Zhou Yuan and comforted him.

Zhou Yuan was stunned. He nodded his head and his eyes were a little dull.

To him, this blow was still too big.

“Alright! Everyone, don’t mind what happened just now. Come, drink!”

Emperor shenwu stood up and raised his wine glass.

Everyone quickly stood up and raised their glasses.

The atmosphere in the hall finally returned to normal.

The banquet lasted for four hours before it ended.

After the banquet was over, Tang Hao followed Zheng Tong and the others out of the palace and back to his carefree mansion.
