

## The Mightiest Little Peasant Chapter 3472

The southeast of the divine martial imperial capital.

A majestic mountain range stretched across.

In the mountains, purple Qi rose and multicolored light filled the sky.

This was the purple Qilin mountain, the number one sacred ground in the divine martial Kingdom.

Originally, the purple Qilin mountain was extremely famous. After the Qilin son advanced to the Yang God Realm, the sect had two Venerables, and its power increased even more.

At this moment, in a Hall on the mountain.

A figure was walking back and forth in the hall with his hands behind his back and a gloomy expression.

It was the sect Master Wang from the purple Qilin mountain.

In front of him stood a few figures.

In front of him was a handsome young man in a purple robe. He was Zhou Yuan.

Behind him were Qing Yang, Wu tuo, and a few other Masters from Mount Jade Dragon.

“Sect master, what’s the big deal? if we succeed and get that heaven-defying divine formation, we’ll have everything we want. Our purple Qilin mountain won’t have to be under Emperor shenwu’s command anymore.”

Zhou Yuan shouted, “I’m doing this for the sake of the sect!”

“But the problem is, did you succeed?”

Sect Master Wang stopped in his tracks and looked at him. He angrily rebuked, “great, now we haven’t caught him, and we’ve been discovered. We’re really incompetent!”

“I ...”

Zhou Yuan’s face immediately turned red. “I didn’t expect that guy to come back so suddenly either.”

“You ... Didn’t you discuss it with me before you did it? That kid is Emperor shenwu’s confidant. If he knows, Emperor shenwu will know. ” Sect Master Wang’s face was full of disappointment.

“Al! Sect Master Wang, things aren’t as bad as you think. ”

The verdant Gazelle high holiness smiled and stepped forward. “That kid might not have seen it clearly. Even if he did, so what? there’s no proof! What can Emperor shenwu do to you if you don’t admit to anything when he blames you?”

“Your purple Qilin mountain is the number one sacred ground in the divine martial Kingdom. You have two Venerables and countless heroes. Emperor shenwu won’t dare to touch you.”

“It is! If sect Master Wang is still worried, you can come to Jade Dragon Mountain now. We welcome you!” Wu tuo high holiness also stepped forward and laughed.

“Hmph!”

Sect Master Wang looked at them coldly.

He knew that Yuan ‘er must have been bewitched by these old monsters.

Then, he muttered to himself for a moment, and his expression eased a little.

The two of them had a point. Even if Emperor shenwu knew about this, he would not really do anything to the purple Qilin mountain. He was one of the few overlords in the divine martial Kingdom. There was also Yuan ‘er, who was extremely talented and was ranked second in the divine martial Kingdom.

As long as she admitted her mistake and made a statement, this matter would be over.

“You guys should leave. My purple Qilin mountain doesn’t welcome you!”

He said coldly.

“Al! Sect Master Wang, how can you be in such a hurry to drive people away? we are now in a cooperative relationship, and in the future, there will be many places where we can help each other.”  
The green Goat high holiness said with a smile.

He squinted his eyes, which were cunning and treacherous.

“What else do we have to say!”

Sect Master Wang said angrily.

Just as the green Goat high holiness was about to speak, a ripple appeared in front of him, and a jade talisman came out.

When he opened it, he couldn't help but raise his eyebrows and reveal a look of joy.

“Sect Master Wang, we can work together now. As long as we succeed, not only will Jade Dragon Mountain take in your entire sect, but we will also provide you with five sun god pills!”

He looked at sect Master Wang and smiled.

“Sun god great pill?”

Sect Master Wang's face immediately changed.

This was an extremely rare pill. If he consumed five of them, he might be able to break through to the five-star realm.

“What are you planning?”

Although he was tempted, he knew that with great benefits came great risks.

“It's simple, just kill someone!”

The verdant Gazelle high holiness said with a smile.

“Who is it?”

“That mu guy!”

“Him?”

“That’s right! The news just now came from the imperial capital, saying that the one surnamed mu has come out of the carefree mansion and is heading to the violet Qilin mountain alone. He must be here to investigate.”

The verdant Gazelle high holiness said with a smile.

“Hahaha! They’re here to die!”

Beside him, Wu tuo high holiness couldn’t help but burst into laughter.

“Hmph! You’re looking for death!”

Zhou Yuan laughed coldly.

“This mu is already a 2-star sun god. In the battle a month ago, he was the one who set up the formation and massacred the Shura Army. After that, he went into seclusion in the North. His cultivation must have improved. He’s not that easy to deal with.”

Sect Master Wang frowned and shook his head slightly.

“Woof! He’s just Emperor shenwu’s puppet. He’s only at the three-star realm at most.”

The green Goat high holiness sneered with a disdainful expression.

From the beginning to the end, he did not take this mu boy seriously.

It was just a puppet, not worth mentioning.

Not to mention, this kid's previous identity was so unbearable, which made him look down on him even more.

"That's right, how hard is it to kill this little perverted Bandit!"

Wu tuo high holiness said coldly.

"Yup! Sect master, we have so many people. It's easy to kill him. After we kill him, we'll join Mount Jade Dragon. Sect master, you can get five sun god pills and have a chance to break through to the five-star realm."

Zhou Yuan followed with an excited expression.

"It might be more than that!" Seeing that sect Master Wang was still hesitating, the Qingyang high holiness continued,"according to the news from the imperial capital, that kid didn't go to the palace after he came back, which means that the heaven-defying divine formation is most likely still with him."

"As long as we get this divine array, not to mention five, even if you want ten, Jade Dragon Mountain will give it to you!"

"Really?"

Sect Master Wang was a little shaken.

Ten yang God pills were equivalent to many years of his bitter cultivation. Such an opportunity was hard to come by.

“Sect master, what are you hesitating for? compared to Jade Dragon Mountain, the divine martial Kingdom is nothing.” Zhou Yuan urged.

“Alright!”

Sect Master Wang pondered for a moment, gritted his teeth, and made a decision.

Compared to the divine martial country, Jade Dragon Mountain was indeed better.

“Hahaha! Sect Master Wang is really a smart person!” The green Goat high holiness laughed. “Then, let’s get ready to welcome that kid! I’ll make him regret killing the people of Mount Jade Dragon. ”

As he spoke, he looked out of the mountain in the direction of the imperial capital, his eyes filled with resentment.

He would never forget that month of being trapped in the bewildering array. He could finally take revenge today!

Outside the mountain, a figure was sweeping over.

Ten minutes later, they were close to the mountain range.

“So this is the purple Qilin mountain!”

He paused and sized up the mountain range from a distance. His eyes were cold.

Then, his figure moved and continued to sweep forward. He soon arrived in front of the mountain Gate.

“Who are you?”

In front of the mountain Gate, the disciples guarding the gate looked over and shouted.

“So it’s general mu!”

The disciple on the left squinted his eyes to take a closer look, and his expression quickly changed to one of respect.

“You ... You recognize me?”

Tang Hao landed in front of the door and looked at him.

“Of course! General MU’s name has shaken the entire divine martial Kingdom. Who doesn’t know and recognize him?” The disciple bowed and said, “may I know why general mu has come today?” Why don’t I bring you in first, and then ask someone to report to the sect master ...”

As he spoke, he stood up and gave the disciple on the right a look.

The disciple quickly turned around and went inside.
