

The Mightiest Little Peasant Chapter 3474

“Argh! Ah!”

A shrill scream pierced through the air.

At this moment, sect Master Wang’s eyes were wide open as he looked at his own palm that had exploded. He was extremely frightened.

He was a four-star sun god!

How could he be the one to be blasted apart after a clash of palms?

‘This ... This is impossible!

Just what realm was this kid at now?

When he raised his head again and looked in front of him, he was extremely shocked.

This kid was definitely not only a three-star as he had expected. He had already broken through to the four-star realm, or even the five-star realm!

Before he could recover, another huge force came from his opponent’s palm, causing his entire arm to explode. He spat out a mouthful of blood and flew backward like a cannonball.

Peng Peng Peng!

He crashed through mountain peaks one after another, creating a shocking commotion.

On the main peak, the figures stood stiffly, their expressions incomparably dull.

They all felt like they were dreaming.

It was as if everything just now had been an illusion.

If it wasn't an illusion, they wouldn't have seen such an absurd scene!

The Lord of violet Qilin mountain, a four-star sun god expert, and the fourth-ranked expert in the divine martial Kingdom, was actually blown apart by a single palm strike from this mu brat. He spat out blood and was sent flying.

“Why would I?”

Zhou Yuan stood still for a long time before he suddenly shivered and his face turned pale.

“Your ... Your cultivation ...”

He looked up at the figure in front of him and asked in a trembling voice.

His eyes were wide open in disbelief.

“Not good! I'm afraid it's a five-star!”

“How is this possible! Isn’t this kid Emperor shenwu’s pet dog? why would Emperor shenwu treat him so well?”

On the side, high holiness Qingyang and Wu tuo also regained their senses and exclaimed in shock.

To be able to blow up sect Master Wang with one palm, he must be a five-star sun god!

This brat had devoured the Asura country’s Army and most of the essence of the sun god experts!

This also made them feel incredulous.

In their eyes, this kid was just a puppet controlled by Emperor shenwu and a dog raised by him. Why would Emperor shenwu be so generous as to share so much essence with this kid?

“Hurry up! Everyone, join forces!”

“Sect Master Wang, quickly activate the array! We can’t stop a five-star sun god without a great formation. ”

The two of them shouted.

Their bodies trembled, and their auras burst forth as they were about to attack.

“Five-star?”

Tang Hao turned around and smiled at them.

“Isn’t it a five-star?”

The verdant Gazelle high holiness shouted.

Tang Hao did not say anything. He lifted his right foot and stomped on the ground.

BOOM!

In an instant, endless divine light burst out from his body and instantly expanded, filling the entire heaven and earth. It even turned into a pillar of light that shot into the sky.

Almost instantly, the entire purple Qilin mountain range was enveloped by this brilliant divine light.

A terrifying and profound pressure spread out and suppressed the entire world.

“What ... What is this?”

The green Goat high holiness was the first to be hit, and he staggered backward as if he had been hit by a heavy blow.

Then, his legs went soft and he half-knelt down under the pressure of this power.

He tried his best to resist and stand up, but the pressure was like a deep abyss and extremely terrifying, so much so that he could not resist at all.

Plop!

His knees hit the ground heavily, and he knelt down.

His face turned pale and his thin body trembled violently. His eyes were wide open and filled with extreme panic and fear.

Plop! Plop!

After a few more sounds, Wu tuo high holiness also knelt on the ground. Then, the three Venerables and Zhou Yuan were pressed down by the power and knelt down in an instant. They were even pressed to the ground, and their bones cracked.

In all directions, all the disciples of the purple Qilin mountain also knelt down, prostrated on the ground, and trembled.

“What is this?”

At the edge, in a Valley, sect leader Wang had just climbed up. He looked up and saw an extremely terrifying scene in front of him.

On the main peak, a brilliant divine light suddenly appeared, accompanied by a terrifying pressure.

At this moment, it was as if there were countless scorching Suns stacked together and rising above the purple Qilin mountain.

Ah!

His eyes were in pain, and he hurriedly raised his hand to block it. Then, his body sank, and he was instantly pressed down, kneeling on the ground.

“This ... This aura ...?”

He knelt on the ground, his heart filled with fear and panic.

This was not a five-star at all!

He was not a six-star either!

He was a more terrifying seven-star!

That kid was actually a seven-star, a peerless powerhouse at the great Paragon level!

“We’re finished!”

He wailed in his heart and his face turned ashen.

Each of the great Paragon rank powerhouses had unparalleled strength and could suppress the entire purple Qilin mountain with ease.

“If I had known, I wouldn’t have coveted those sun god pills!”

He was filled with regret.

If he had not been greedy and wanted to take a gamble, he would not have incurred such a disaster.

“You ... How can you be a seven-star? Impossible, this is absolutely impossible!”

On the main peak, the green Goat high holiness gritted his teeth and tried his best to stand up.

His eyes were bloodshot and his expression was crazed.

He absolutely didn't believe that this brat was a Seven Star realm Grandmaster!

One had to know that this brat was just a little perverted Bandit from the Tangshan region. A year ago, he was still a puny mid-level deity, and a month ago, he was only a two-star sun god. Even if he devoured the entire Asura Army, it wouldn't be enough to reach the seven-star realm!

This was simply impossible!

“Yup! That was impossible! Are you Emperor shenwu? just like the last time, you're in disguise!”

Wu tuo high holiness was also a little crazy as he shouted.

“I am who I am. How could I be Emperor shenwu? as for the last time you mentioned, that was me too. However, I was already a five-star then.”

Tang Hao said coldly as he looked at them.

“What ... What?”

Hearing this, the five people from Jade Dragon Mountain were all shocked. Their heads were buzzing and blank.

The person from last time was actually him?

Moreover, he was already a five-star at that time?

To them, this was like a bolt from the blue.

Zhou Yuan was completely dumbfounded when he heard that.

He couldn't understand what these people were talking about. He only knew that this man with the surname mu in front of him was already an unparalleled expert of the seven Star realm. Moreover, it seemed that he had already become a five-star a long time ago.

A month ago, during the battle in the palace, this fellow had also concealed his cultivation.

“What a joke! What a joke!”

His face twisted as he forced out an extremely bitter smile.

He had thought that this fellow was just a puppet. However, how could there be a puppet with such high strength? Emperor shenwu was only at the seven-star realm!

“Your cultivation ... How is this possible?”

The green Goat high holiness and the others were still dumbfounded.

This guy's cultivation base was completely wrong. He had just advanced to the sun god Realm in the divine martial Kingdom. How could he advance to the five-star realm so quickly in four months? moreover, he was able to burst out with the strength of a great venerable?

This guy was not right!

The more they thought about it, the more frightened they became. An extremely unbelievable thought gradually emerged in their minds.
