

The Mightiest Little Peasant Chapter 3476

“This guy is so strong!”

Emperor shenwu was shocked when he saw the palm he had condensed explode.

“Who is it?”

He didn't attack again. Instead, he focused his eyes and looked carefully.

“This ...”

When he saw it clearly, he couldn't help but tremble and be stunned on the spot.

His eyes gradually widened, as if he had seen a ghost.

Wasn't this guy in front of him that mu brat?

‘This is f * cking ridiculous!’

When did this kid reach seven-star?

Also, why did he annihilate the purple Qilin mountain?

For a moment, his mind was filled with questions, and he was completely confused.

“Still want to fight?”

Tang Hao stood with his hands behind his back. He looked at him and smiled.

“To play basketball!”

Emperor shenwu snapped back to his senses and cursed.

“What’s wrong with you?” He descended and asked in confusion.

Then, as if he had thought of something, he waved his sleeve and spread out a layer of divine light, blocking in all directions.

This way, they could block the prying gazes of the imperial capital.

“Purple Qilin mountain colluded with Jade Dragon Mountain to deal with me. I’ll kill them all!” Tang Hao smiled and said casually.

“Jade Dragon Mountain?”

Emperor shenwu’s expression changed as he cursed, “why is this old man Wang So foolish?”

He didn’t doubt it, because with this kid’s means, there was no need for him to deal with the purple Qilin mountain. It must be the purple Qilin mountain who provoked him first.

“Maybe it’s because Jade Dragon Mountain promised him some treasure!”

Tang Hao said.

Without huge benefits, how could a person like sect Master Wang betray him?

“All dead?”

Emperor shenwu asked again.

Tang Hao nodded.

“That’s true! With your current strength, it’s impossible for them to escape. Speaking of which, with your strength ... How did you reach seven-star?” Emperor shenwu was confused.

According to his guess, this kid would only reach six-star at most after devouring.

There was a huge difference between six and seven stars.

“Oh! I became a five-star a long time ago!”

Tang Hao said indifferently.

“What ... What?”

Emperor shenwu’s eyes widened again when he heard that. His eyeballs almost popped out.

This kid was already a five-star a long time ago?

'How ... How is this possible?'

"Didn't you ... Just advance to sun god then? Let me count, it was nine months ago. When did you become a five-star?" Emperor shenwu exclaimed in disbelief.

"I went around outside. When I came back, I was already a five-star."

Tang Hao said.

Emperor shenwu froze when he heard that. He was in a daze.

It had only been five months since this kid returned from the outside!

In other words, this kid used four months to advance from one-star to five-star. Then, he spent another five months to break through to seven-star?

After he understood what was going on, he felt terrible.

Nine months, one-star to seven-star, what kind of monster was this?

This speed was simply earth-shattering and shocking!

Compared to this kid, his cultivation was like a turtle, a waste!

"You ... Not bad, you hid it well."

He said with emotion.

Previously, he had thought that he had already thought too highly of this kid, but he had never thought that he would still be naive. This kid was more than ten times more powerful than he had expected.

“This kid either obtained some heaven-defying inheritance or has an extremely terrifying background!”

He secretly guessed.

“I didn’t hide it, you’re the one who didn’t see it!”

Tang Hao said.

“You ...”

Emperor shenwu choked. His face turned red, and he could not say a word for a long time.

What this kid meant was that he was blind.

“Hahaha! That’s not important. Let’s go back to the palace and talk. ”

Then, he laughed out loud, and his expression became extremely enthusiastic.

He had to keep such a powerful figure. This way, his divine martial Kingdom would have two grandmasters in the future, and wouldn’t they be rich?

“Seven-star! It’s not easy to stay! I can’t possibly give him my position as the shenwu Emperor!”

He tore open the void and returned to the palace. He pondered and felt a little vexed.

This brat’s cultivation level was too high, and his battle prowess was even stronger than his. Would he still look up to his divine martial Kingdom?

“That’s right, general mu!”

Suddenly, an idea flashed in his mind.

“General ... Mu! You see, you’re already in the seven-star realm. Why don’t we hold the wedding? we’ll have to get married sooner or later anyway. ”

Emperor shenwu chuckled as he sat down in the hall.

“No need!”

Tang Hao shook his head indifferently.

“I want it! Now in the divine martial Kingdom, no, in the entire East Province, who doesn’t know that you and general mu are a couple? you will have to get married sooner or later. ”

“You can cancel the engagement!”

“We won ‘t! We definitely won’t retreat!”

Emperor shenwu shook his head like a rattle.

This marriage contract was the only way to keep this kid. How could he withdraw it?

“You’re really not interested in general mu?”

Emperor shenwu was a little surprised.

General MU’s looks, even in the entire divine world, there should be a few! It didn’t make sense that this kid wasn’t tempted at all.

“General mu is good, but I’m not really interested.”

Tang Hao shook his head.

“You’re quite strange, kid. General mu doesn’t like her, but he likes that demoness from the sunflowers Palace.” Emperor shenwu shook his head helplessly.

“Alright, let’s do this for now. We’ll do as we said before and drag it out. What do you think?”

He said after a moment of silence.

“Alright!” Tang Hao nodded.

“Argh! Oh right, I forgot to tell you ...”

Then, as if he had thought of something, he suddenly said, "the last time I came back, I killed a venerable from Jade Dragon Mountain. The previous massacre of Jade Dragon Mountain's stronghold was also done by me. Of course, in Jade Dragon Mountain's eyes, it was all your doing."

Emperor shenwu's face started twitching as he listened.

F * ck!

So it was all this kid's doing?

And he was the scapegoat!

The more he thought about it, the more depressed he became. He almost spat out a mouthful of blood.

He clearly didn't do anything, but for some inexplicable reason, he had to take the blame for so many things. It was really too unjust!

"I'm leaving!"

Tang Hao smiled at him, then stood up and left.

"Where are you going?"

Emperor shenwu's face changed as he said hurriedly.

"Back to the residence!"

Tang Hao's figure flashed and he was out of the palace.

"That's good!"

Emperor shenwu heaved a sigh of relief. He was afraid that the kid would run away.

"We have to explain what happened at purple Qilin mountain to the outside world. We'll say that it was the Shura Emperor! Our divine martial Kingdom has annihilated his Army of hundreds of thousands. It's normal for him to massacre a Holy Land of our divine martial Kingdom. No one will doubt it!"

"As for that kid, we have to keep it a secret. We can't let anyone else know."

He sat on the spot and began to think.

If that brat's strength was exposed, it would definitely shake the entire East continent and cause all the forces to crazily recruit him. At that time, his tiny divine martial Kingdom would have nothing to use to keep him.

No one knew that this was the best.

After a long while, he called the purple-robed manager over, drafted a few divine decrees, and sent them out.
