

The Mightiest Little Peasant Chapter 3480

“What’s not appropriate?”

The mature and beautiful elder Xu asked in surprise.

Could it be that he didn’t like her?

She was a little older, but she had more experience. Her ability was not something that a little girl like lianyue could compare to.

She was confident that she could fight with this expert in front of her for three days and three nights, and maybe even kill him until he lost his armor.

“Yup! Isn’t this your house? once the door is closed, who can see? if you mind, I can leave. If you don’t mind, you can let me watch the whole time.”

The sky sunflower Holy maiden was full of interest.

It was the most interesting to watch live porn.

“Don’t I already have an engagement?”

Tang Hao said with a bitter smile.

“Oh! You’re afraid of general Fei Feng? I heard that you were blocked by him in front of the Jade Lake Pavilion.” The sky sunflower Holy maiden chuckled, and her eyes became mischievous.

“Isn’t it a marriage of convenience between you and her?”

Elder Xu asked in surprise, his expression somewhat disappointed.

“Cough! After all, we are engaged, so I have to give her some face. If I have the time in the future, I will definitely visit her and we can exchange pointers.” Tang Hao cleared his throat.

“Alright! Then you must remember!”

Elder Xu nodded with a bitter expression.

“I will! I will!”

Tang Hao replied.

However, he laughed bitterly in his heart. He had never thought that he would be targeted by an old witch.

“General mu, we’ll take our leave then!”

After chatting for a while, the Tian kui Holy maiden got up and left.

Tang Hao walked the two of them to the door.

“General mu, You Must Remember This!”

As he was leaving, elder Xu came over and whispered into his ear.

Her plump body was almost pressed against his.

She reached out with her hand and even pulled down.

Then, her beautiful eyes widened, revealing shock and amazement.

Oh my God!

How could there be such a majestic person in this world!

She exclaimed in her heart and couldn't help but pinch it again, as if she was reluctant to part with it.

F * ck!

Tang Hao's face twitched.

This old witch actually launched a sneak attack!

After a while, she let go and reluctantly followed the Holy maiden out.

"Is it very powerful?"

After they left the mansion, the Tian kui Holy maiden came over and asked curiously.

She had also seen elder Xu's expression earlier. It was truly a little exaggerated.

"It's more than just amazing!" Elder Xu exclaimed, "I've never seen such a majestic weapon before. It's definitely a gifted one!"

"It's that powerful?"

The Tian kui Holy maiden was shocked.

She was well aware of elder Xu's experience. For her to say something like that, it was enough to prove how majestic and rare the weapon was!

"His talent alone is definitely not enough to conquer lianyue. I think he also has a very deep attainment in the path of dual cultivation." Elder Xu said, his heart burning with passion.

She really wanted to tie up that surnamed mu right now and bring him back to the heavenly sunflower Palace.

"Even I'm a little moved by what you said!"

The Tian kui Holy maiden laughed.

"Your Highness, your body is precious, you can't just lose it! Otherwise, the palace Master will kill me!" Elder Xu quickly said, "besides, you can't snatch it from me!"

"Good, good! I won't snatch it!"

The Holy maiden laughed.

The two of them chatted and laughed as they quickly left.

In the carefree mansion, Tang Hao finally heaved a sigh of relief when he saw the two of them leave.

It wasn't a good thing to be targeted by the demoness of the sunflowers Palace.

He shook his head and walked back to the small pavilion by the lake.

"You actually rejected me. I was actually looking forward to it!"

That cheap Senior Sister had already come out and was sitting in the pavilion by the lake, looking at him with a faint smile.

"What's there to look forward to!"

Tang Hao chuckled and walked over.

This Senior Sister Ice Mountain looked extremely cold, but sometimes, when she spoke, she could choke people to death.

"They all say you're very powerful, so of course I'm curious!"

She said.

“Then why don’t you try?”

Tang Hao said unhappily.

“Alright! I don’t care, I’m just afraid you don’t have the guts!”

She pursed her lips and chuckled.

She had long seen through this cheap Junior Brother of hers. If he really had the guts, he wouldn’t have retracted his hand after just touching her that day.

“You ...”

Tang Hao glared at her. His eyes were fierce.

But after a moment, he still let out a breath.

It wasn’t that he didn’t have the guts, it was just that he didn’t want to provoke her. This cheap Senior Sister was not only outstanding in appearance, but also had an extremely hot figure. It was very easy for him to go overboard.

Seeing this, she immediately raised her face and revealed a proud expression.

“Let’s go!”

She stood up and left, revealing a graceful and beautiful back.

“This guy ...”

Tang Hao looked at her and shook his head helplessly.

After sitting by himself for a while, he returned to the pavilion and began to sort out the gifts that the others had sent.

There were quite a lot of things, but their grades were not high, so he just casually arranged them and piled them into the ring.

He stayed in the mansion for the next few days.

Every day, there would be people who would come to visit, and he would meet them one by one.

He even went to see Emperor shenwu.

Emperor shenwu was extremely enthusiastic toward him now. He would ask about his well-being and take care of him in every possible way. The purple-robed majordomo was dumbfounded, and he had a strange look in his eyes.

He had also heard about mu hanyan’s departure from the divine martial Kingdom from Emperor shenwu.

“General mu, she, she said she went to travel and look for some opportunities!”

“You don’t have to worry about her. She’s a flawless-level genius. In the entire East continent, there aren’t many geniuses of this level. Even if Jade Dragon Mountain wants to do something to her, it won’t be easy.”

Emperor shenwu said.

“Why should I be worried about her?”

Tang Hao raised an eyebrow.

“She’s your wife!”

Emperor shenwu glared at him, as if to say, ‘why are you so inhumane?’

“Fake! And she’s his fiancé!”

Tang Hao reminded him.

“What fake? I bestowed the marriage, so it’s real!” Emperor shenwu mumbled.

Tang Hao rolled his eyes and did not bother to argue with her.

He returned to the carefree mansion and spent a few more days leisurely. Every day, he would study a few alchemy, weapons, and arrays. At the same time, he also collected many ancient books to study them to see if he could find any clues about the treasure.

His current cultivation level was already considered not bad. He could even contend with an eight or nine-star yang God. What he lacked was a suitable treasure.

Before he could figure it out, he heard a piece of news on this day.

It was from the hundred territories, saying that there was a great chaos there.

“Has something happened to the Tai Qing Palace?”

Tang Hao furrowed his brows when he heard that.

The Tai Qing Palace and him had a big dispute, and it was all because of Holy maiden su.

“Right, I haven’t seen her for a long time. Didn’t you say that she used to live nearby?”

Tang Hao was startled. He quickly looked up and scanned the surroundings of the carefree mansion.

However, he didn’t find any trace of Holy maiden su.

“She went back, right? then wouldn’t she be affected by what happened to Tai Qing Palace?”

Tang Hao considered for a moment, then stood up.

He still felt a little guilty about Holy maiden su.

“Let’s go and take a look. I’ll take it as returning this favor!”

His figure moved, and he left the mansion, heading in the direction of the hundred territories.
