

## The Mightiest Little Peasant Chapter 3492

“You ...”

She was stunned on the spot. Her beautiful eyes gradually widened, filled with intense shock.

Was he going to go out and fight against the ancestral god weapon that had been infused with the power of many great venerates?

Wasn't this courting death!

She opened her red lips and wanted to shout to stop him, but the words were stuck in her mouth.

In her eyes, the figure gradually grew taller and taller, and there was a shocking fighting spirit radiating from him.

She had never seen such a sharp and incisive fighting spirit that seemed to be able to pierce through the heavens.

Oh my God!

She gasped in her heart, her eyes wide open.

How could he have such a shocking battle intent?

Who was he?

She just stood there and looked at the figure in a daze as he stepped into the air and left. She was extremely shocked.

“Have you packed your things?”

In the palace, Emperor shenwu paced back and forth in the hall, shouting at the people outside from time to time.

There were too many things in his palace, and he couldn't bear to throw them away. He could only ask his men to put them all away and take them away.

“Eh? Who ... Who is that?”

Just as he turned to the door, he inadvertently glanced outside and was stunned.

Then, he raised his hand and rubbed his eyes.

He seemed to be hallucinating. He saw a person walking out in the direction of the side of Jade Dragon Mountain that was attacked.

Wasn't this just sending himself to his death!

Who would take things so hard and rush to die!

After rubbing it for a while, he opened it again and took a closer look. He couldn't help but tremble and was stunned on the spot.

'Isn't that the kid?

Although he was shrouded in a piercing divine light and his appearance could not be seen clearly, his aura was that of a seven-star realm. Then, there was no mistake. It must be that kid.

After all, they were the only two seven-stars in the entire divine martial country.

Was this kid crazy?

He cried out in his heart and was a little anxious.

If this kid went out with his seven-star strength, he would be courting death!

He opened his mouth and was about to shout.

However, at this moment, the figure had already left the formation.

"A!"

He was stunned for a moment and stomped his foot anxiously.

"Who is that?"

At this moment, people from all over the imperial capital began to notice this person.

They raised their heads and looked over, feeling a little puzzled.

“What a powerful aura. He must be in the seven-star realm. It must be His Majesty!”

Although they could not see their faces clearly, they could roughly judge their auras.

“Who is that? Emperor shenwu?”

“It doesn’t look like it!”

In the main hall of Mount Jade Dragon, a group of great seniors also noticed this figure.

He was shrouded in a shocking divine light. Step by step, he walked out of the Imperial City. With every step, his aura became stronger.

Although they were hundreds of millions of miles away, they could still clearly feel this terrifying aura.

“What a powerful aura! What a shocking battle intent!”

Many great seniors were shocked.

Although he was only a Seven Star great venerable, his aura was extremely shocking and even a little terrifying.

This made them both shocked and suspicious.

This was because they had never seen such a situation before. He was clearly of the same cultivation level, and even one level lower than some of them, but how could his aura be so terrifying?

It was extremely strange!

“It’s not Emperor shenwu!”

Emperor Shura shook his head.

He had fought Emperor shenwu before, so he was sure that this person was not Emperor shenwu.

“Isn’t it Emperor shenwu? Seven Star realm ... Could it be the great senior of the power behind the scenes?”

A great senior said.

“It should be!” The Shura Emperor nodded and laughed contemptuously. “He’s just a seven-star. It’s no use for him to pretend to be intimidating. We can blast him into pieces with one blow.”

“Yup! He’s just a seven-star!”

A great senior echoed, his expression somewhat contemptuous.

The weakest of them present was a seven-star, and there were even a few eight-star ones. They were even using ancestral God weapons. Why would they be afraid of a seven-star?

“Hmph! You’re overestimating yourself!”

At the head of the table, great Senior Spirit Dragon sized up the area and couldn’t help but sneer.

He was just a small seven-star!

This fellow was not even as powerful as Emperor shenwu. At least Emperor shenwu could use the power of all living beings in the divine Kingdom and burst out with a power comparable to eight stars.

This guy was only a seven-star and they could easily crush him to death!

“Since he’s here to court death, we’ll fulfill his wish! Everyone, activate the divine spear!”

He gave a loud shout and took the lead to urge the divine essence in his body, pouring it into the divine spear crazily.

The Shura Emperor and the others followed.

Weng Weng Weng!

Hundreds of millions of miles away, the Golden divine spear trembled madly. The aura it emitted grew crazily, causing the void to twist and tear apart.

“Who is that?”

“He doesn’t look like Emperor shenwu. Where did this seven-star expert come from?”

“Is he crazy? What is a seven-star doing?”

The people who were watching from all directions also focused their eyes on this mysterious Seven Star great venerable.

They were both shocked and confused.

In their eyes, this was also an act of suicide.

Whoosh!

A moment later, the divine spear trembled and finally shot out.

It turned into an extremely dazzling golden light. With Supreme divine might, it tore open the void and rumbled toward the equally dazzling figure.

The figure didn't Dodge. He just raised his hand and punched.

BOOM!

As he punched out, endless divine light burst out.

An indescribably powerful force gushed out, condensed into a fist shadow, and punched forward.

"Ah!"

In the Imperial City, many people cried out in pain, but the divine light that erupted from this punch pierced their eyes until they felt pain.

“This ...”

At that moment, Emperor shenwu, who was in the palace, was also dazzled by the piercing divine light. However, he did not blink. His eyes were still wide open and extremely round, and he looked extremely shocked.

In fact, his body even started to tremble. He was in complete disbelief.

This power ... How was it possible!

Wasn't he only a seven-star?

And this power was close to the nine-star realm!

How could a seven-star sun god have a battle prowess comparable to a nine-star?

This was simply too ridiculous, too ridiculous!

“Nine ... Star?”

A pair of beautiful eyes from the carefree mansion also widened in shock.

She didn't see it wrong, this was indeed the strength of a nine-star!

And he seemed to be only a seven-star!

To cross two stars in the Yang God Realm, what ... What kind of heaven-defying monster was this!

She looked at the dazzling figure in the air and her body swayed. She felt a buzzing in her head and waves of dizziness.

She really didn't expect that this cheap Junior Brother of hers was actually such a heaven-defying and terrifying figure!

"This ... How could this be?"

"What's going on?"

At the same time, in the main hall of Jade Dragon Mountain, there was a burst of exclamations of shock.

The Shura Emperor, the Spirit Dragon great senior ... Everyone was dumbstruck and in disbelief.

The tiny seven-star in their eyes had actually erupted with an aura comparable to a nine-star. This ...  
Was simply a ghost!
