

## The Mightiest Little Peasant Chapter 3494

“Mount Jade Dragon, Emperor Shura ...” He said.

Tang Hao stood in front of the Imperial City, deep in thought.

A moment later, he narrowed his eyes, and a sharp killing intent flashed through them.

Then, he lowered his body and flew toward the Imperial Palace.

“I’m back! You’ve worked hard, you’ve worked hard!”

Before they even reached the palace, Emperor shenwu came out eagerly to welcome them. He was extremely enthusiastic.

Tang Hao looked at him in surprise.

“Follow me!”

He didn’t waste any more time and simply left after saying this.

“Ah? Where ... Where are we going?”

Emperor shenwu was dumbfounded.

“Asura country!”

Tang Hao's voice was heard from afar.

"Asura country?"

Emperor shenwu was stunned, and his eyes widened.

Oh my God!

This kid couldn't be going to destroy the Asura country, right?

This was too F \* cking cruel!

"But I like it!"

When he came back to his senses, he was overjoyed.

He landed, hurriedly gave a few instructions, and then followed.

-----

Mount Jade Dragon.

The atmosphere in the hall was extremely heavy.

Everyone looked dejected and depressed.

They had so many people and had planned for so long, but in the end, they had been defeated so badly. This blow was really too big, and they had not recovered from it even after a long time.

“It’s my fault! It’s my fault!”

The great Senior Spirit Dragon slapped his thigh and said in frustration.

He had been too careless and did not find out about the existence of this mysterious monster, which led to the current situation.

“Al! Brother Linglong, you can’t be blamed for this. Who would’ve thought that there would be such a monster in the divine martial Kingdom?”

“Yup!”

The great seniors quickly shook their heads and comforted him.

No one could have expected such a thing.

“Come to think of it, what kind of force is this? Putting aside the fact that his array Dao is so powerful, there’s also such a heaven-defying monster?”

A moment later, a great senior asked curiously.

Although he lived in the East Province, he had heard about the situation outside. However, he had never heard of such a force.

“Yup! It’s really strange. It’s not like there’s no such monster before, but it’s rare to see someone so powerful in the Dao of formations.”

When the other great seniors heard this, they also revealed doubtful expressions.

“Hmph! No matter what power he was from, what was there to be afraid of? such a powerful figure, could he stay in a broken place like the divine martial Kingdom? We’ll have to leave sooner or later. At that time, it’ll be the end of the divine martial Kingdom!”

The Shura Emperor snorted.

“That’s true, but who knows when that person will leave?”

A great senior smiled bitterly.

“No matter when he leaves, I’ll have my revenge sooner or later!”

The Shura Emperor said angrily.

“That person shouldn’t be leaving in a short time. During this time, let’s not do anything and wait for the right time! It won’t be too late to make a move after we understand the situation in the divine martial Kingdom!” The great Senior Spirit Dragon spoke.

His brows were tightly furrowed, and his expression was somewhat grave.

That heaven-defying monster gave him too much pressure.

Now that he thought about it, he still felt his heart palpitate.

In the Yang God Realm, a monstrous genius who was two stars higher represented too many things. It was definitely not a wise move to have a direct conflict with such a figure.

He could only wait!

“Everyone, you’ve worked hard!”

After a while, he got up and ordered people to go to the treasure house to withdraw some more treasures and distribute them to these great seniors.

These great seniors had some complaints in their hearts, but now they were satisfied.

“Brother Linglong, farewell!”

“Let’s go!”

They rested for a while and recovered some of their strength, then they got up and left.

The Shura Emperor also took the treasure and left with the others.

“Damn it, if I had known, I wouldn’t have listened to Jade Dragon Mountain and provoked the divine martial Kingdom!”

On the way, Shura Emperor cursed and regretted.

He had listened to Jade Dragon Mountain's advice and attacked the divine martial Kingdom on impulse. In the end, hundreds of thousands of soldiers and nearly half of the country's sun god powerhouses were lost just like that. It was a huge loss!

"Hey! Who would have thought! I bet they didn't expect this either!"

"Jade Dragon Mountain has also suffered a lot!"

A few people at the side said.

"I also know that they didn't lie to me on purpose. I'm just depressed!" The Shura Emperor mumbled.

"Since we're going the same way, why don't you come to my Asura country? I have some good stuff for you to try."

The Shura Emperor said, looking at the people around him.

"Oh? What good stuff?"

"Let's go, let's go!"

When the few people heard this, their eyes lit up.

The Shura Emperor was a very hospitable and forthright man. It was definitely worth it to be a guest at his place.

“Of course it’s good stuff! You’ll know when we get there!”

The Shura Emperor laughed.

The group of people swept away their dejected mood and became excited, quickly heading to Asura country.

“Eh? What’s the situation?”

Half a day later, they were close to Asura country.

From a distance, they could see the pitch-black walls of Asura country.

However, at this moment, there was a flash of divine light on the city wall. Someone was attacking the city wall!

“Who is it? How dare you!”

The Shura Emperor was furious!

No matter how weak his Asura country was, there were still more than twenty sun gods and him, a seven-star great venerable. How could anyone dare to attack?

The others were also a little confused.

They immediately focused their eyes and activated their divine eyes to look into the distance.

“It looks like Emperor shenwu!”

“Who ... Who is that?”

They saw two figures standing in the sky above the city wall. One of them was dressed in a Black Dragon robe. It was Emperor shenwu.

The other person was shrouded in a shocking divine light, and his appearance could not be seen clearly.

However, they were extremely familiar with this aura.

“It’s ... It’s him!”

“Freak! What a freak!”

After seeing it clearly, their pupils shrank and their hearts trembled.

Their old faces turned pale, and their bodies couldn’t help but shiver. They were extremely frightened.

The extremely dazzling figure that was shrouded in a shocking divine light was the heaven-defying monster who shook the nine-star level with a seven-star cultivation base!

“Oh my God ... Why is he here?”

A great senior shrieked, almost peeing his pants.

This was a terrifying figure! A nine-star monster!

Previously, they had been fighting each other from a distance, so they weren't afraid. But now, their true bodies were here. If they were suppressed, they would be finished!

"Why is it him?"

Even Emperor Shura shuddered.

Then, he became anxious.

This fellow and Emperor shenwu's strength were enough to raze the Asura Kingdom to the ground!

"Everyone, please help me. Help me chase them away."

He quickly turned around and pleaded with those people.

"This ..."

"That ..."

They all looked hesitant. They looked up at the sky, then lowered their heads again, studying the arrangement of the mountains below. They didn't look at the Shura Emperor.

The Shura Emperor's heart went cold.

“Brother Shura, I just remembered that I have an urgent matter to attend to! I won’t be going to your place as a guest!”

“Al! What a coincidence, me too, it’s an urgent matter. Brother Shura, I’ll come again another day!”

The few of them put on a show, turned around, and ran away.

Only the Shura Emperor was left standing there, his face ashen.
