

## The Mightiest Little Peasant Chapter 3500

“It’s you guys!”

Tang Hao looked at them and smiled.

“Brother mu!”

“Greetings, freedom King!”

The group of over ten people were all popinjays from the Imperial City. Those who were more familiar with him would passionately call out “brother mu,” while the others would bow down and pay their respects, their faces filled with reverence.

This freedom King was a legendary existence in their circle.

Not only was he powerful, but he also had a deep relationship with His Majesty. Many people were saying that he was his Majesty’s illegitimate son.

What they admired even more was, of course, the ability to conquer fairy lianyue.

“You’re welcome!”

Tang Hao smiled.

“Brother mu, I haven’t seen you for a long time.”

Zheng Tong walked over and stared at Tang Hao. His eyes were filled with doubt.

In his opinion, since he had just conquered the three divine nations, brother mu would definitely be helping the Emperor manage the country's Affairs with his status. Why would he have the time to shop here?

"I just came back, so I came out for a walk!"

Tang Hao said.

"Oh," Zheng Tong replied and immediately understood.

Brother mu must have followed His Majesty to conquer the maple forest and Vermillion Bird kingdoms before returning.

"Brother mu, you've worked hard! That's right, brother mu, have you seen that person?"

Zheng Tong smiled warmly.

"That person? Who is it?"

Tang Hao was surprised.

"It's that mysterious monster! The one with extraordinary talent and devilish wisdom!" Zheng Tong said excitedly, his face full of admiration.

"Oh! He!"

Tang Hao was stunned for a moment. He then realized that she was talking about him!

“I did see her, but I didn’t see her clearly.”

He pondered for a while and came up with an excuse.

“Brother mu, do you know who he is?” Zheng Tong asked anxiously.

“I don’t know. Only her Majesty knows!”

Tang Hao shook his head.

“I see!” Zheng Tong’s face was filled with disappointment. He had originally wanted to obtain first-hand, exclusive information from brother mu. That way, he would have something to boast about.

“That person ... Must have a very powerful background!”

Tang Hao said.

“That’s for sure. How can such an awesome person not have a great background?”

“The people outside are saying that our divine martial Kingdom is extremely lucky to have the help of such a person!”

The group of popinjays said excitedly.

“Yup!”

Tang Hao agreed and was about to say goodbye.

He still had to go to the shops!

“Brother mu, you haven’t been to the Jade pool pavilion for a long time. Fairy lianyue misses you so much that she’s getting thinner by the day! If you don’t go, I’m afraid she’ll really fall sick from lovesickness. Why don’t you ... Go together!”

At this moment, Zheng Tong stretched out his strong hands and grabbed his arm as he said solicitously.

“This ... Isn’t very good!”

Tang Hao hesitated.

He was a decent person! How could he go to that kind of place all the time? what if he couldn’t control himself?

“Al! What’s not good about it? I heard that sister-in-law hasn’t been in the imperial capital recently, and I don’t know where she’s gone. Isn’t this a good opportunity for you to be free and happy? Come on! Let’s go!” Zheng Tong pulled him along and headed to the Jade Lake Pavilion.

“That’s right. It’s such a good opportunity. Brother mu, you must grasp it!”

The group of Playboys followed behind and fanned the flames.

Just like that, Tang Hao was dragged into the Jade Lake Pavilion.

Soon, the Jade Lake Pavilion was in an uproar.

“That person is here!”

“That person? Who is it?”

“Who else could it be? of course it’s that freedom King, the one who conquered Lotus Moon Fairy and became a God in one battle!”

“So it’s him!”

In the private rooms, many lechers heard the wind and stretched out their heads to look over.

“I heard that fairy lianyue won’t accept any more guests because of him!”

“I heard that even the saintess of the heavenly sunflower Palace personally paid him a visit!”

Their eyes were burning with passion and admiration.

To them, freedom King was like a god.

“Aiyo! You’ve finally come!”

The master of the Jade Lake Pavilion, the voluptuous and beautiful woman in red, flew out to welcome him when she heard the news. Her face was full of smiles.

“Lianyue, that girl, has lost weight thinking about you! This time, you have to comfort her!”

She pulled Tang Hao inside and said with a smile,”

“Hahaha! Good!”

Tang Hao laughed, pretending to be unrestrained.

When they arrived at a Pavilion, the group sat down.

The beautiful woman arranged the wine and left.

After a while, hurried footsteps could be heard from outside the door.

“Young master mu!”

A beautiful face appeared at the door.

She was one of the immortal tokens of the Jade Lake Pavilion, the famous Lotus Moon Fairy.

At this moment, she was standing outside the door. Her charming face was radiant and her eyes were filled with unconcealable joy.

She called out and quickly walked in.

A thin black chiffon dress fluttered in the wind. The inside was graceful and curvaceous, and her fiery and alluring jade body was faintly discernible, captivating people's hearts.

Tang Hao looked over and was dazed for a moment.

“As expected of the demoness of the heavenly sunflower Palace!”

He said to himself.

Although this Lotus Moon Fairy wasn't as good as the sky sunflower Holy maiden, her seduction technique was quite powerful.

With his mental fortitude, he could naturally withstand it. However, with the mental fortitude of Zheng Tong and the rest, it was impossible.

They were all a little obsessed with it, and their drool was about to flow down.

“Young master, you haven't been here for a long time. Have you forgotten about lianyue?”

With a burst of refreshing fragrance, she sat down beside Tang Hao and rolled into his arms.

Then, he said with some resentment.

“Hahaha! How could that be? which man would forget a stunner like you, Lotus Moon Fairy? brother mu had no choice. He was caught red-handed last time!” At the side, Zheng Tong finally regained his senses and chimed in.

“Recently, that person isn’t around, so I dragged brother mu here.”

“I see! Then I’ve misunderstood young master!”

Fairy lianyue apologized.

“Young master, you’ve worked hard. This time, I’ll let lianyue serve you!” She whispered seductively into Tang Hao’s ear and blew on it.

Tang Hao’s body tensed.

“Alright!”

He composed himself and held back his laughter.

“Young master, come, lianyue offers you a toast!”

She snuggled up for a moment, then reluctantly got up, stretched out her white jade hand, and poured two glasses of wine.

She touched it and drank it all in one gulp.

By the time she put down the wine glass, her cheeks were already flushed red, and the touch of lust in her eyes was even more intense.

“Hahaha! Fairy lianyue, you can’t hold back anymore?”

Zheng Tong joked.

“Young master Zheng, you only know how to make fun of others!”

Fairy lianyue glanced at him and smiled.

“I’m not in a hurry, young master. There’s something I need to tell you ...” She looked at Tang Hao and smiled.

“Oh? What’s the matter?”

Tang Hao was surprised.

“It’s like this, my sisters all admire young master’s ability. I promised them last time, if young master comes again, I’ll ... I’ll ... I’ll ... I’ll ... With them ...” She said and lowered her head shyly.
