

The Mightiest Little Peasant Chapter 3501

“A piece? Why are we together?”

Tang Hao was surprised.

“Aiya! Young master, you’re so bad. You know the answer but you still ask!” She glared at him and rebuked, “what else do you think we can do if we’re together?!”

Tang Hao was shocked when he heard that.

Then, he finally reacted, and the corner of his mouth twitched.

This was a little ... Too open-minded!

Besides, how could he deal with so many of them?

“Hahaha! Brother mu, you’re in luck!”

“With brother MU’s ability, no matter how many of them come, it won’t be a problem!”

Zheng Tong and the rest laughed at the side.

“Who are the few people you mentioned?”

Tang Hao asked.

“Naturally the other four sisters! With young master’s vision, how could he possibly be interested in any other grade?” Fairy lianyue said with a smile.

She was naturally talking about the other four immortal plates.

“What? Those four?”

“F * ck!”

When Zheng Tong and the rest heard this, they could not remain calm.

Just now, they thought that it was the other girls who were close to Lotus Moon Fairy. They didn’t expect it to be the other four.

Their eyes were a little red.

Five immortal cards together, that scene was explosive enough just thinking about it.

“This ...”

Tang Hao hesitated.

Five! The pressure was a little too great!

“Young master, I’ve already promised them. It’s not good to go back on my word!” Fairy lianyue said in a coquettish voice.

“Alright then!”

Tang Hao thought about it carefully, then nodded in agreement.

With a slight change to his spirit God fusion technique, it would not be a problem for him to deal with five of them at once.

“That’s great! I’ll call them over now!”

Fairy lianyue said excitedly.

She stood up and left. When she returned, she was accompanied by four women. Be it looks or posture, they were all first-class. Although they were not on the same level as mu hanyan, they were still top beauties.

Moreover, she had all kinds of beauty, pure, cold, seductive, and everything.

“Young master mu!”

When they came closer, they all bowed and paid their respects.

When pairs of eyes swept over, they were all filled with curiosity and passion.

They were well aware of how powerful this man was. Even the elders and saintesses of the palace had paid him a visit. To be able to spend a night with such a man was the dream of many disciples of sunflower Palace.

“Young master, let me offer you a toast!”

They sat down and surrounded Tang Hao. Each of them poured a glass of wine and offered it to each of them.

“Wuwuwu!”

At the side, Zheng Tong and the rest were on the verge of tears.

They were really envious.

The five immortal tokens would circle around the divine martial Kingdom, hugging one on the left and one on the right, enjoying the happiness of being together with one person. This was the dream of many men in the divine martial Kingdom!

“Al!”

Zheng Tong turned around and looked at the empty space beside him. He could not help but sigh.

There were already five of them, why wasn't his sister here yet!

The others were the same, their faces gloomy.

“Hey! Brother mu is strong and can withstand it. If it were us, we wouldn't even be able to withstand a less powerful immortal card, let alone an immortal card. Wouldn't that be embarrassing?”

“Yes, yes, yes! There's nothing to be envious of!”

They started to comfort themselves.

After a while, when the girls they had ordered arrived, they felt better and started to drink to their heart's content.

Tang Hao was not used to being surrounded by five immortal cards.

After a while, he was like a fish back in water, and he became more at ease.

After drinking for about an hour, they suddenly heard a commotion not far away from them. It was getting louder and louder.

“What’s going on?”

Zheng Tong and the rest put down their wine glasses and looked outside.

“How do you do your business here? Do you know the identity of my young master? Did those ordinary women deserve him? If you don’t call an immortal token over today, I’m going to smash this place. ”

Someone shouted.

“I know that this young master’s identity is not ordinary, but the immortal tokens are all occupied today. How about we change to tomorrow ...”

The voice was very familiar. It was the pavilion master, the beautiful woman in red.

Her tone was filled with difficulty.

“Tomorrow? Do you want my young master to come here for nothing? My young master is Cang Ming’s ...”

The man chided.

He was stopped halfway through his sentence.

“Cough! Back down!”

Another person rebuked, “I heard that you have five immortal cards here, and you don’t usually receive guests. Why are you all busy at the same time? you’re lying to me!”

“Young master, it really isn’t. What I said is the truth!”

The beautiful woman said.

“That’s good! Take me there, I want to see with my own eyes who these people are!” That person sneered.

“This ...”

“What’s wrong? You don’t dare to? Do you believe that I won’t tear down your Jade Lake Pavilion? with my status, even if I kill all of you, what can your sunflowers Palace do to me?” That person sneered again, his tone exceptionally arrogant.

“Fuck! What kind of person is this!”

In the private room, Zheng Tong and the rest were furious.

Everyone was here to be a prostitute, and even a prostitute had to have goods for prostitution. How could they threaten to kill people for no reason? it was too much!

Fairy lianyue and the other Four’s expressions all changed.

“Cang Ming ...”

Tang Hao looked outside and raised an eyebrow.

He could see that not far away, there were two figures standing in front of the beautiful woman in red. They were both young men. One of them was tall and had an outstanding temperament. It was the person who had made the threat.

“It’s from the Cang Ming mountain!”

Lotus Moon Fairy said in a low voice.

“The Cang Ming mountain is amazing!”

Zheng Tong sneered.

This Cang Ming mountain is just one of the seven great Holy Lands. It is on the same level as Mount Jade Dragon and the heavenly sunflower Palace.

The divine martial Kingdom wasn't even afraid of Jade Dragon Mountain, so why would they be afraid of a mere Cang Ming mountain?

"This Cang Ming mountain does have some strength!"

Fairy lianyue said with a frown.

They didn't have a high status in the sect, and this person's identity sounded quite extraordinary. He might be an important figure in the dark green Mountain. If they were killed, the sect wouldn't really take revenge for them.

"Young master, please calm down!"

Outside, the beautiful woman smiled bitterly, "I'm telling the truth. The five immortal tokens are all in one place. That person's identity is a little special, so I can't bring you there."

"All five of them are together?"

The young man from Cang Ming mountain was stunned for a moment before he sneered, "who is it that I can't afford to offend? take me there now, or I'll tear down your Jade pool pavilion!"

As he spoke, his body trembled, and an aura spread out.

"This ..."

The beautiful woman's face was filled with embarrassment as she glanced at the pavilion.

“Over there, right?”

The young man suddenly raised his head and looked in that direction.

“Alright! I want to see what kind of person he is, to enjoy the service of five immortal cards!”

His eyes shone with a divine light as he saw the situation in the pavilion. He immediately laughed coldly.

“Let’s go!”

He beckoned to a person behind him and strode towards the pavilion with an unfriendly aura.
