

The Mightiest Little Peasant Chapter 3503

Shua shua shua!

A series of hurried footsteps could be heard.

Wang Feiyu's body trembled, and he flew back. Then, with a plop, he fell on his butt.

His expression was a little dazed, as if he couldn't believe that he was humiliated in a small country like the divine martial Kingdom!

"Who ... Who are you?"

A moment later, he pointed at Tang Hao and screamed.

This guy was definitely not from the divine martial Kingdom. He might be a high holiness from some major power!

"My surname is mu, I don't know if you've heard of me!"

Tang Hao smiled at him and said calmly.

"Mu?"

Wang Feiyu frowned and was a little confused.

Behind him, the attendant seemed to have thought of something. His expression changed slightly, and he hurriedly went up and whispered a few words in his ear.

“That’s impossible!”

Hearing this, Wang Feiyu screamed again.

This guy was really from the divine martial Kingdom. Furthermore, he was also from the younger generation. How was this possible?

No matter what, he could not believe it.

Beside him, Zheng Tong, Lotus Moon Fairy and the rest were also in disbelief.

“Young master mu, he ... Is actually stronger than the geniuses of Cang Ming mountain?”

Lotus Moon Fairy raised her head and looked at the handsome face in front of her. She was extremely shocked.

Then, she became a little excited and her eyes revealed a strong look of worship.

The other four goddesses also looked over, their eyes filled with a strange light.

This person’s talent couldn’t be flawless. At most, it was first-grade, but he could suppress Wang Feiyu, who was a three-star sun god. This proved that his strength had long broken through to the middle stage and was a four-star sun god.

With such strength, he could be considered an expert in the entire East Province.

Zheng Tong and the rest of the popinjays also saw this and were shocked.

“It’s only been a short while and brother mu is already a four-star?”

Zheng Tong was even more depressed.

When the sun god was at the 2-star level, he was a 5-star heavenly God. When the sun god had soared to the 4-star level, he was still at the 5-star heavenly god level, making no progress.

This ... He felt that he had been cultivating for a long time!

“It seems that brother mu is really the emperor’s illegitimate son!”

He muttered.

This was the only way to explain why Brother MU’s cultivation had improved so quickly.

“Sir, if you’re not convinced, we can exchange pointers again!”

Tang Hao looked at Wang Feiyu and smiled.

Wang Feiyu stood there in silence, his face a little red.

He had naturally heard of this mu fellow, but he did not know that his cultivation had already advanced to the middle stage.

Although he was a flawless-level genius, if the other party's cultivation level was much higher than his, he couldn't do anything about it.

"Hmph!"

He snorted, his expression disdainful.

"Al! Don't embarrass yourself in front of my brother mu. Not only is my brother MU's cultivation higher than yours, but his ability in bed is also much better than yours. You don't even have the right to carry his shoes. "

Zheng Tong laughed out loud.

"That's right. Looking at him, he won't be able to hold on for long. I'm afraid he won't even be able to hold on for half a cup of tea!"

"Half a cup of tea's time? You're too kind to him!"

The rest of the popinjays also laughed.

"You guys ..."

Wang Feiyu was furious.

He could accept being ridiculed for his weak cultivation base. At present, he was indeed not as good as this man with the surname mu. However, in terms of ability in that aspect, he was definitely not inferior. Therefore, he could not tolerate such ridicule.

“My brother mu has fought with fairy lianyue for a day and a night. Can you do it?”

Zheng Tong sneered coldly.

“One ... One day and one night?”

Wang Feiyu was stunned, and his eyes widened.

‘F * ck, is he still human?’

This was an immortal token!

She was the woman trained by the sunflowers Palace and was the best at bed techniques. He had also tried the power of the immortal token in other places, and indeed, she could not even last half a cup of tea.

“You can continue bragging!”

He sneered, but he did not believe it.

“You don’t believe me? That’s good! You’ll know soon enough!” Zheng Tong said.

“Woof! Alright! I’ll just wait and see!”

Wang Feiyu glared at Tang Hao, then turned around and walked out.

He absolutely did not believe that someone could be so strong. Therefore, he was prepared to stay and wait at the side to see that guy make a fool of himself.

One was already enough, and five? this guy was really not afraid of being tormented to death!

“Wang gongzi, please calm down. How about ... I call a few girls to help you relax.” The beautiful woman in red came forward and smiled.

Wang Feiyu opened his mouth and was about to refuse, but when the words reached his mouth, he swallowed them back.

“Good! Give me five, the best five besides the immortal token!”

He waved his hand and said.

“Five?”

The beautiful woman was startled.

“What’s wrong?” Wang Feiyu glared at him and scolded.

“No... Nothing! Young master, please wait for a moment, we’ll be there soon. Please take a seat in the pavilion over here. ” The beautiful woman laughed apologetically and led him to a Pavilion on the side.

“Young master is truly amazing!”

Everyone in the bamboo pavilion heaved a sigh of relief.

Fairy lianyue raised her head and looked over with her beautiful eyes, which were full of passion.

“Young master, let me offer you a toast!”

On the side, a fairy picked up the wine cup in front of her and said in a delicate voice.

“Hahaha! Let’s drink, let’s drink!”

Zheng Tong shouted at the right time, lifting the atmosphere.

“Young master, it’s almost time. Let’s go!”

After a few more glasses, Lotus Moon Fairy collapsed in Tang Hao’s arms as if she was too drunk.

Her graceful figure gently twisted and rubbed against each other, like a snake beauty.

“Let’s go!”

Tang Hao said quickly.

If this continued, he really wouldn’t be able to hold on.

“Young master, let’s go!”

The other four goddesses stood up as well. Their eyes were filled with shyness, but there was also a hint of excitement and anticipation.

After leaving the room, the group headed to the Lotus Moon Pavilion.

“Young master, they’ve gone to the Lotus Moon Pavilion!”

On the other side, in a room, Wang Feiyu was sitting and drinking unhappily, surrounded by five women.

The servant pushed the door open and entered, calling out in a low voice.

“It’s starting?”

Wang Feiyu raised his head and said.

“It should be!”

The servant replied.

“Good! It’s time for me to show off my strength. I want to let those bumpkins of the divine martial Kingdom know how powerful I, Wang Feiyu, am!”

Wang Feiyu shouted and stood up.

“Beauties, let’s go! Today, I’ll let you see what a real man is!”

He hugged the few beauties, smiled freely, and walked out.

After a few minutes ...

He sat on the bed in a daze, looking at the pink Sheets below him in a daze.

It was wrong!

There must be a problem somewhere!

How could I be so fast?

That shouldn’t be the case!

At this moment, he was in deep self-doubt.

He had actually laid down his weapon so early that he could not believe it.

He was even a little terrified. Could it be that he was suddenly unable to do that?

Just as he was feeling anxious and uneasy, a few high-pitched voices suddenly came from not far away, and he was stunned.

He looked in that direction, and as he listened, his eyes could not help but widen, filled with extreme shock.
