

## The Mightiest Little Peasant Chapter 3511

“Where is he?”

In the maze, the group finally realized that someone was missing from the team.

They looked around but couldn't find any trace.

“That kid is probably trying to show off and wants to break the formation by himself. How naïve. He wanted to break the ancient formation with his level? Go back and learn for another thousand years!” Master Xu stroked his long beard and said in disdain.

He had seen many young people like this. They only learned a little and thought they were great.

When he hit a wall, the kid would run back dejectedly.

“This guy ... Really overestimates himself!”

Chen Qingsong cursed in a low voice, his face unsightly.

If this guy was trapped in the formation, it would undoubtedly bring a lot of trouble to his Chen family's plan.

“It's fine, it's just a maze!”

Mu hanyan said as she looked around.

“Yup! It's just a bewildering formation, there's nothing to worry about.” Master Xu laughed. “I've already made some progress with this array. I'll be able to break it in half a day at most.”

“Really?”

Chen Qingsong was immediately overjoyed. He had completely forgotten about that hateful fellow.

“Of course, with my level, breaking this array is as easy as eating and drinking!”

Master Xu laughed out loud, very pleased with himself.

“Master, please break the formation quickly!”

Chen Qingsong said in a happy tone.

“Alright!”

Master Xu smiled and sat down in the air. He looked around and closed his eyes to begin his deduction.

Seeing this, the others all sat down and waited patiently.

This wait took more than half a day.

Finally, with a loud laugh, master Xu opened his eyes and exclaimed in joy, "I found it!"

"Over there, that's the star!"

He stood up and pointed at a star in the distance.

"Let's go!"

Then, he dashed out impatiently.

A moment later, the group arrived at their destination.

"Let me see ... The life gate is over there!" Master Xu's eyes shone with divine light as he scanned the entire star. His gaze finally fell on an unremarkable stone.

"Hahaha! It's finally broken!"

Picking up the stone and feeling the changes in the void around him, master Xu couldn't help but laugh out loud, feeling very proud.

He had used less than a day to break an ancient formation. This result was something he could be proud of.

"As expected of master Xu! Amazing!"

Chen Qingsong followed closely behind. He was also overjoyed as he tried his best to curry favor.

"Brother Xu, you're amazing!"

"All those grandmasters before were bullsh \* t. Only you, brother Xu, are a true Grandmaster, an expert!"

The other two grandmasters arrived and also began to flatter.

The group of people stood at the bottom of the trench and laughed in unison. The atmosphere was very cheerful.

However, at this moment, an untimely voice suddenly rang out.

"You guys are here too!"

In an instant, the laughter came to an abrupt end, and the group froze there.

They were in a daze.

This voice seemed a little familiar. It sounded like the one with the surname mu.

But, wasn't this a ghost!

Wasn't that mu guy lost in the formation?

How could he be here?

This was impossible!

"You ... Did you hear anything?"

Chen Qingsong looked at a Grandmaster on the left and asked doubtfully.

He felt that it was an illusion.

"I think ... I heard that kid's voice, haha! It must be an illusion!" The master was a little dazed at first, but then he laughed out loud.

How could that kid appear here?!

It must be an illusion.

"I heard it too, it must be an illusion! We're in another illusory formation!"

Master Xu said in a confident tone.

If that sound was real, didn't it mean that the kid had broken the formation before him and rushed here?

How could this be possible?!

This was too absurd!

"Yo! What kind of illusory formation is this? it's quite realistic!"

He turned his head and looked in the direction of the voice. Indeed, he saw the boy standing not far away, grinning at them.

After sizing it up, he was a little shocked. It was simply too realistic, and he couldn't see any flaws at all. It was just like the real thing.

"Awesome!"

The other two grandmasters looked over and were also somewhat amazed.

"An illusory formation?"

Mu Hanyan's Phoenix eyes narrowed slightly as she sized him up carefully. Her expression was a little bewildered.

It looked like it was real!

If it was really an illusion, her divine eyes should be able to see through it, unless it was a top-tier illusion array that was beyond her imagination.

"This isn't an illusory formation, right?"

She said in a low voice.

"That's impossible. This is an illusionary formation. If you don't believe me, I can use my divine eye to take a look ..." Chen Qingsong said firmly.

He absolutely didn't believe that the guy surnamed Mu could break the array first and arrive here before them.

He blinked his eyes, and a bright golden light burst out from his pupils as he swept his gaze toward the figure not far away.

After all, he was a flawless genius and the young master of the Chen clan. He naturally had a pair of powerful divine eyes that could see through most of the illusions in the world.

"This ..."

His face froze when he scanned the room.

His eyes widened and became wider and wider, gradually revealing an expression of extreme shock.

That figure seemed to be real!

It really was that Mu guy!

But ... How was that possible?

He stood rooted to the ground, his mind in a state of extreme shock and confusion.

"Really? That's ... That's impossible!"

Master Xu was shocked and in disbelief.

Could it be that this kid was real?

Didn't that mean that this kid was even more powerful than him and had broken the maze earlier?

He was also stunned on the spot. His old face turned green and white, but it was extremely wonderful.

In the end, his old face turned red, but he was too ashamed to show his face.

To think that he had put on airs and ridiculed this kid, but in the end, he had been ruthlessly slapped in the face.

“This kid, what’s his background?”

When he looked at the figure again, his eyes were already filled with shock.

This kind of bewildering array could not be broken by luck. It required profound attainments and a large amount of experience, so he found it hard to believe that such a young boy could break the array faster than him, an old master.

“When did you arrive?”

After a long while, Chen Qingsong finally came back to his senses, his face unsightly.

“I just arrived!”

Tang Hao said with a smile.

Chen Qingsong heaved a sigh of relief upon hearing this.

Since they had just arrived, the treasures in the ruins were still there.

“Let’s go!”

He hurriedly walked forward.

However, when he saw the door that had been opened, his face darkened and he had a bad feeling.

When he entered the small world, he was stunned!

F \* ck!

What was this place?

Why is it bare? there’s nothing here.

Not to mention treasures, there wasn’t even a tree or a blade of grass. It was too clean. What was more exaggerated was that there wasn’t even any spiritual energy. This was ... A F \* cking sin!

Even if a Locust had passed through the area, it would not have been so clean!
