

## The Mightiest Little Peasant Chapter 3514

“How could it be him ...”

The Chen family members felt their heads buzzing and were in a daze.

Didn't they say that this fellow was just a puppet cultivated by Emperor shenwu? It was said that he was born in a remote small region. How could he be the heaven-defying monster that once shook the entire East continent?

They were first shocked, then they were terrified.

Extreme fear!

This was a monster that could shake nine stars. Although he wasn't a true Nine Star venerable, he wasn't too far off. He was a figure even more powerful than their clan master.

With their strength, they were here to die.

“Not good! Let's go!”

The middle-aged man in the lead shouted and was about to tear open the void and escape from this small world.

However, at this moment, the figure in front of him flicked his sleeve and a black light flew out.

The black light streaked across the sky and instantly expanded, suppressing the entire world.

“This is ...”

The man's body stiffened, and he felt that he could not move.

He opened his eyes wide and looked up, his eyes full of fear and panic.

In the sky, a huge black hole was rotating slowly, giving off a strong suction force.

He only took a glance at it, and his mind was in a daze, feeling as if his soul was about to be sucked away.

Such power and such a strange sacred art ...

This must be an extremely powerful ancestral god weapon!

“Why can't I move?”

“What kind of treasure is that?”

At this moment, a few exclamations sounded from the side.

The rest of them were the same. They wanted to escape, but they were suppressed by the black hole. Even the huge Sea Dragon was suppressed by the suction force and slowly pulled away.

The sea Dragon roared and struggled.

However, it was of no use.

He could only watch helplessly as he was being pulled over bit by bit. The closer he got to the black hole, the more terrifying the suction force became, gradually squeezing his body and crushing his scales.

Aooo!

He convulsed continuously and let out a shrill scream. Dragon blood gushed out like a fountain.

The blood didn't fall but was sucked away by the black hole.

"Heavens!"

The Chen clan members were all terrified.

After all, it was a Seven Star great venerable Dragon with a pure bloodline. However, in front of this strange ancestral god weapon, it didn't even have the ability to resist.

They were in complete despair.

This seven-star Sea Dragon was already in such a miserable state, let alone the five-star and six-star sea dragons.

Soon, the Dragon's Roar disappeared.

The huge Sea Dragon was swallowed by the black hole without a sound.

"Keke!"

The few of them began to tremble violently, their teeth chattering.

They knew that it was their turn next.

As expected, the suction force suddenly became stronger and pulled them into the black hole.

After a few shrieks, the entire world fell into a dead silence.

Tang Hao waved his hand, and the black hole disappeared. It turned into a black jar that fell into his palm.

"It's alright!"

He nodded and muttered to himself.

Seven Supreme martial artists and a seven-star Dragon. It was a pretty good harvest.

“The Chen family ...”

He muttered as he put away the sky devouring jar. A cold killing intent emerged in his eyes.

Since the Chen family wanted to kill him, he would return the favor and not be polite.

He snorted coldly, and with a flash, he left this small world.

At this time, on the sea, a group of people was rushing forward.

“That guy ... Should be dead!”

As Chen Qingsong swept away, he turned around and glanced in the direction he had come from. He sneered in his heart.

In order to deal with that fellow, his Chen clan had sent out seven Supreme level clan elders and even a Seven Star realm Sea Dragon. With such a luxurious lineup, dealing with a two-or three-star fellow was a piece of cake.

That guy must have been killed by now.

His death would be considered an accident and wouldn't affect the relationship between the Chen clan and the divine martial Kingdom.

“Hahaha!”

As he thought about it, he felt extremely carefree and couldn't help but laugh.

At the side, Chen Rong 'er also sneered in her heart.

That guy died, and he deserved it. Who asked him to dare to go against her and the Chen family!

“We're almost at the shore. Let's go back to the clan first!”

After flying for a while, Chen Qingsong pointed to the shore in front of them and said.

Mu hanyan turned around and looked at the sea, her brows furrowing slightly.

She didn't know why, but she had a bad feeling.

“Sister hanyan, don't worry. That guy is a sun god. He'll be fine!” Chen Qingsong pretended to comfort him, “go back to the Chen family and wait. If you don't see him for a long time, the Chen family can help you look for him.”

“Alright!”

Mu hanyan nodded.

“Then let’s go!”

Chen Qingsong laughed and continued to head towards the shore.

However, at that moment, a slightly teasing voice suddenly sounded from the side.

“Does young master Chen care about me that much?”

Hearing this, Chen Qingsong’s body trembled and he froze.

At this moment, he could not believe his ears.

Wasn’t that the voice of that bastard?

However, he shouldn’t have died. He was killed by the Chen clan elders, so why would he appear here?

He was stunned for a while before he turned around and looked in the direction of the voice.

When he saw it clearly, he couldn’t help but tremble as if he had been hit hard.

It’s really that guy!

He didn’t die!

How did this happen?

He was stunned again, his heart filled with shock and doubt.

“You ... Why are you here?”

“Ah!” Chen Rong ‘er screamed with a look of disbelief.

“What’s wrong? Are you surprised to see me?”

Tang Hao glanced at them and teased them.

“No... No, I’m just a little surprised!” Chen Qingsong quickly regained his senses and forced a kind smile on his face.

He felt that the elders of his Chen family had failed and failed to trap this guy from the start. This guy did not know that it was the Chen family’s doing, so he had to continue his act.

“Yup! We just didn’t expect you to catch up so quickly!” Chen Rong ‘er smiled awkwardly and said.

“Is that so?”

Tang Hao chuckled again, but he did not expose her.

“Are you alright?”

Mu hanyan looked at the Chen siblings in confusion. She approached Tang Hao and asked with concern,

She wasn't stupid and could naturally sense that the Chen siblings' reaction was a little strange.

“I'm fine!”

Tang Hao smiled at her.

“Hahaha! Since you're alright, that's great. Let's go!”

Chen Qingsong laughed.

As he spoke, he took the lead and swept forward.

Damn it, those elders, were they all trash! He could even fail!

But in his heart, he kept cursing and was extremely angry.

“I won't be going to your Chen family. Now that the matter of the cave abode is over, I should continue my travels and look for opportunities in the sea.” Mu hanyan said when they reached the shore.

The Chen siblings didn't have the heart to keep them, so they agreed and left with the three grandmasters.

“What happened just now?”

Mu hanyan asked Tang Hao after they had left.
