

## The Mightiest Little Peasant Chapter 3515

"I'm fine!"

Tang Hao smiled. He took out a storage bag and tossed it to her. "Here, this is for you!"

"So many treasures!"

Mu hanyan took it and opened it. Her beautiful eyes instantly lit up.

There were a lot of yang grade divine herbs and yang grade beasts inside. If she could devour and refine them all, she might be able to break through to the four-star realm.

Once she reached four-star, she would be a Supreme.

"How about you?"

She closed the bag in satisfaction and looked at Tang Hao.

"I kept half!" Tang Hao said.

"Alright then!"

She nodded and said, "we'll each take half. It's fair."

"You're pretty good, aren't you? you broke the formation so quickly." She was in a good mood after receiving so many treasures, so she was not stingy with her praises for Tang Hao.

This fiancé of his was quite useful.

"That's right!"

Tang Hao smiled, "if there's nothing else, I'll return to the divine martial kingdom first. If there's anything, just contact me." Then, he said his goodbyes.

"Alright!"

She responded.

Tang Hao cupped his hands, then turned and left.

Chen clan.

Two figures landed. They were the Chen siblings.

Their expressions were ugly.

They didn't kill anyone, and they didn't get a single treasure. This time, they were completely defeated.

“Those guys are really useless. They can’t even control a two-or three-star guy. What are they doing? I must let dad punish them severely.” Chen Rong ‘er screamed.

“He should be punished!”

Chen Qingsong said viciously.

From what he could see, those clan elders must have underestimated the enemy and were careless, which was why they lost.

“Go! Let’s go find father!”

Chen Rong ‘er took the lead.

“What? Did you fail?”

In the Chen clan’s main hall, the Chen clan head couldn’t help but be shocked and in disbelief when he heard the news.

How could such a powerful lineup fail to deal with a kid?

He paced back and forth, his face a little gloomy.

“What about those few people? Didn’t you guys see?”

He looked outside and asked.

“No, I think they must have felt embarrassed and didn’t dare to come back.” Chen Qingsong said.

“These few fellows are really trash!”

The Chen family head chided, his face sullen. “When they come back, watch how I’ll teach them a good lesson!”

“Father, what should we do now?”

“No!” Chen Qingsong said anxiously, “if that guy doesn’t die, I have no hope.”

The Chen clan head frowned and walked around the hall again.

He did not expect that his previous plan would fail, so he did not have a corresponding plan.

“There’s no rush. We still have a chance. ”

After a while, he stopped and said, “That guy will definitely return to the divine martial Kingdom. The journey from here to the divine martial Kingdom is across the entire East continent. Even if we take the teleportation array, it will take one or two days.”

“That’s enough time for us to catch up and kill him!”

Hearing this, Chen Qingsong was immediately overjoyed. “That’s right! He’ll definitely take the teleportation array back. As long as we get there as soon as possible, we can ambush him.”

“That’s right!”

“Of course.” The Chen family head laughed, “and this time, we must ensure that nothing goes wrong. We can’t let that brat escape again.”

“Hahaha! Good!”

Chen Qingsong laughed heartily.

“Go, gather all the clan elders and discuss this matter!”

The Chen clan head said.

“Alright!”

Chen Qingsong responded and quickly left.

Very quickly, all the elders of the Chen clan had gathered in the hall.

“What? Failed? Those few guys are all trash!”

“This is so embarrassing!”

When they learned that their previous plan had failed, they were all very surprised and then cursed in anger.

With the Chen family’s strength, they had failed to deal with a two-or three-star kid. This was too embarrassing. If this news were to spread, they would become a laughing stock.

“Patriarch, I’ll go! I’ll definitely stop that brat and take his dog life!”

One of the clan leaders shouted and stood out.

His aura was at the seven-star realm.

“It’s the three clan elders!”

“With the three clan elders’ strength, isn’t it like using a butcher’s knife to kill a chicken?”

The hall was in an uproar.

They all felt that it was unnecessary to use a Seven Star great venerable to kill a kid.

“Alright!”

The Chen family head nodded, “second brother, fourth brother, you two go too!” Then, he looked at the two people beside him and shouted.

“Three great senior?”

The hall was in an uproar again, everyone’s faces full of shock.

The clan head was actually going to dispatch three great seniors to kill a two-or three-star brat?

“This time, we can’t fail again. Therefore, we have to make sure that nothing goes wrong. I’m relieved that the three of them are the ones who will take action.” The Chen clan head said.

“Yes, sir!”

The second and fourth clan elders walked out from the crowd and bowed.

“We still don’t know if that brat has left, but he will eventually pass by here. This is the city, the teleportation formation closest to us. The three of you, go there immediately and lie in ambush. As soon as you see that brat, kill him immediately.”

The Chen clan head took out a map and pointed to one of The Divine Cities.

“Yes!”

The three clan elders responded respectfully.

“There’s no time to waste. The three of you should hurry and set off!” The Chen clan head said.

The three of them responded and immediately headed out of the hall.

“No need!”

However, at this moment, a cold shout suddenly exploded from above the hall.

“Who is it?”

“Who is it?”

Everyone in the hall was shocked and subconsciously looked up.

The next moment, the roof of the hall exploded, and a figure slowly descended.

He had his hands behind his back, his white clothes fluttering in the wind, and his black hair flying in the wind. He had an outstanding aura.

Everyone in the hall was stunned, unable to believe their eyes.

This ... Wasn't this the kid they wanted to kill?

What was he doing here?

Also, how did he enter the Chen family?

The Chen clan head looked up and was also stunned. He really couldn't understand why this kid would appear here.

"You ... Why are you here?"

Chen Qingsong came back to his senses and cried out in alarm.

"Didn't you all want to kill me? I've delivered myself to your door!"

Tang Hao glanced at him and said.

Chen Qingsong was stunned.

How could there be such a good thing in this world?

"This kid ..."

The Chen family head came back to his senses and muttered to himself for a moment before he roughly understood.

This brat must have discovered the elders of his Chen family in advance, which was why he was able to escape their pursuit. Now, this brat was here to demand an explanation from his Chen family.

Hmph!

This kid was pitifully stupid!

Who did he think he was? how dare he come to the Chen family to demand an explanation? if Emperor shenwu were here, he might still give him some face. However, forget about this kid. He was just Emperor shenwu's puppet.

Very quickly, the other clan elders also understood this point, and they all revealed mocking and disdainful expressions.

"Master, this is a good opportunity!"

The three elders transmitted.
