

The Mightiest Little Peasant Chapter 3516

“No rush! We have to find out whether Emperor shenwu knows about this. ”

The Chen clan head shook his head.

Emperor shenwu was nothing in his eyes. He was merely a seven-star martial artist. He was nothing in front of an eight-star expert like him.

However, he was more afraid of the perfect-grade genius behind Emperor shenwu.

If Emperor shenwu found out about this and he killed the man, it would inevitably lead to some acts of revenge from Emperor shenwu, which would be detrimental to the Chen family.

“Did Emperor shenwu send you here?”

The Chen clan head shouted.

Tang Hao shook his head.

“You’re not?”

The Chen clan master was stunned. This brat actually had the guts to break into the Chen clan without Emperor shenwu’s instructions?

This must be an idiot!

“Then ... Does Emperor shenwu know about this?” He asked tentatively.

Tang Hao still shook his head.

“Hahaha!”

After being stunned for a moment, the Chen clan head finally couldn’t help but laugh out loud.

He was 100% sure that this person was an idiot!

“Hahaha!”

Then, everyone in the hall laughed.

Since even Emperor shenwu did not know about it, this kid had come to his death in vain!

“Surnamed mu, I really didn’t expect you to be so stupid!”

Chen Qingsong’s laughter was the loudest, and his body swayed back and forth.

“Kid, to be honest, I’ve seen many idiots in my life, but I’ve never seen anyone as stupid as you.” The Chen family head sneered, “since you’re here, then don’t leave. Stay here!”

As he spoke, he suddenly shouted and gave a look to everyone in the hall.

Whoosh! Whoosh!

Immediately, several figures flew out and pounced straight up. All of them had middle stage cultivation.

“Brat, who gave you the guts to break into my Chen family!”

“Die!”

They shouted in silence, and their killing intent soared.

“That’s what I was thinking!”

Tang Hao glared at the Chen family’s head and shouted coldly.

In the next moment, his body suddenly sank, and he instantly appeared in front of a Chen family Supreme martial artist. Under the other party’s shocked gaze, he slapped down with his palm.

Bang!

There was a loud explosion.

The five-star realm sun god was split from head to toe and exploded.

The nine-colored divine blood splattered all over everyone’s face.

The hall instantly fell silent.

The sneers and mockery on their faces were gone, replaced by complete shock.

Even the Chen clan’s clan head, an eight-Star Elite, was dumbfounded. His eyes were wide open.

If it wasn’t for the hot God’s blood, he would have thought that it was just an illusion.

“Argh! Ah!”

The high holiness, who had been blown up, re-condensed his body and screamed in horror as he tried to escape.

However, the crystal-like hand reached out and grabbed his throat as if it was grabbing a little chick. Then, in front of everyone in the hall, it slowly crushed his throat.

“This isn’t a dream? Is this for real?”

Chen Qingsong stood rooted to the ground, his face in a daze.

He couldn't believe what he was seeing.

Didn't they say that this guy was only a two-or three-star Supreme martial artist? how could he have such terrifying strength now that he could kill a five-star Supreme martial artist as easily as slaughtering chickens and dogs?

This was ridiculous!

"What's going on?"

"His strength ..."

Very quickly, the hall burst into an uproar.

All the Chen clan members were shocked and suspicious.

"This ... This isn't right! It's not a two-star or three-star!"

"Yup! I think it's a Seven Star, great venerable rank!"

Some elders discussed.

"Seven-star ... Great venerable?"

When the Chen clan head heard this, his eyes narrowed and he revealed an extremely shocked expression.

At this moment, a shocking guess appeared in his mind.

Seven Star great venerable!

Could it be that this guy was the legendary perfect-grade monster?

"Not good!"

His heart skipped a beat and his mind suddenly sank.

If this guy was really the perfect-level genius, it would be terrible. The power behind a perfect-level genius was not something the Chen family could provoke. It might bring a disaster to the Chen family.

At this time, many clan elders had the same guess, and their expressions changed.

"Stop ... Stop! The Chen family is willing to compensate!"

The Chen clan head hurriedly shouted.

“It’s too late!”

Tang Hao glared at him and shouted coldly.

In the next moment, his figure flickered, and he appeared in front of another high holiness and struck down with his palm.

Bang!

The palm landed on the high holiness’s chest and exploded him.

Whoosh!

Another shower of divine blood splattered.

Everyone in the hall widened their eyes, revealing a look of horror.

Another palm easily blew up a five-star Supreme venerable!

What a terrifying strength!

Even Seven Star great Venerables like the second and third elders might not have such strength!

There was no mistake!

This fellow was indeed the monstrous talent behind the divine martial Kingdom!

“How could it be like this!”

Some elders cried out in grief.

To provoke such a person was undoubtedly a huge disaster for his Chen family!

“He ... He’s actually ...”

The Chen family siblings stood rooted to the ground, unable to come back to their senses.

They had never expected that this so-called perverted little bandit, Emperor shenwu’s puppet, was actually the heaven-defying monster that had shaken the East continent!

This was too shocking!

“Stop! Let’s talk this out!”

Seeing another Chen clan Supreme martial artist explode, the Chen clan master’s eyes were about to pop out.

He shouted loudly and his figure moved, rushing out.

No matter what, he had to stop this guy first.

Although this guy's strength was terrifying and he could fight against nine-star power with his seven-star cultivation, this was the Chen family's home ground. With his eight-star cultivation and the Chen family's great array, he could also unleash nine-star power.

"Good!"

Tang Hao shouted. His body shook, and his aura exploded.

In an instant, dazzling divine light burst out like thousands of blazing Suns, filling the sky at the same time.

There was also a monstrous energy that spread out madly.

The entire Hall exploded in an instant. At the same time, the Chen clan elders in all directions shuddered as if they had suffered a heavy blow. They were then sent flying out. Some of them only let out a miserable cry and spat out a small mouthful of blood.

Some of them were spurting blood like crazy, their faces extremely pale.

Everyone's mind was in a state of extreme panic and fear.

It was just a mere aura, but it had injured them. It was terrifying!

"This ..."

The Chen clan head, who was the first to bear the brunt of the attack, was even more shocked than them.

He could clearly feel the aura that the other party was emitting.

He was not a seven-star at all!

He was a F * cking eight-star!

This guy was an eight-star realm expert like him!

How did this happen?

Didn't they say that this guy was only a seven-star?

How did he become an eight-star in the blink of an eye?

Seven stars of the sun god and eight stars were completely different concepts, especially when this guy was a heaven-defying monster. With his eight-star cultivation, he could completely rival a true nine-star expert.

At this moment, he really wanted to retreat, but it was already too late to stop.

He could only clench his teeth and activate the power of the Chen family's formation. Then, he gathered all his strength and threw a heavy punch.
