

The Mightiest Little Peasant Chapter 3521

Those young men were all in a daze, and many of them even revealed a somewhat unbearable look.

It was just a laugh, but it had already aroused their desires, making their hearts shake and unable to control themselves.

“The demoness of the heavenly sunflower Palace!”

Someone on the island cursed in a low voice.

“Young master mu, long time no see!”

That laughter rang out again, and it became even more charming.

From a Palace in mid-air, a graceful figure draped in black muslin flew out. In the blink of an eye, she arrived in front of the divine martial Kingdom’s flying ship and landed lightly.

Her figure was enchanting, half of her soft breasts were exposed, and her long, slender, and snow-white legs were even more eye-catching and extremely provocative.

Although her face was covered with a veil, her foxy eyes were shining and captivating.

After she landed, her beautiful eyes were fixed on Tang Hao. There was a smile in her eyes, and there was a hint of heat in them.

“It’s her Highness the saintess!”

Tang Hao smiled amicably.

Wasn’t that the Holy maiden of the sunflowers Palace?

“Still calling you Your Highness, young master mu is really polite!”

She chuckled and sat down at the table, crossing her long, slender legs.

“Young master’s abilities are truly astonishing! You fought one against five and you were still so brave. In the entire East continent, no, I’m afraid it’s hard to find someone as powerful as you in the divine world!”

She chuckled and moved her legs to rub against Tang Hao’s body.

That flirtatious intention was revealed without a doubt.

Her legs were not bad!

MMH! This Jade foot was also perfect!

Tang Hao lowered his head and admired the view.

Luckily, he had enough self-control. If it was someone else, they would have surrendered immediately.

“How is it? It’s nice, right?”

She pursed her lips into a smile and threw him a flirtatious look.

Tang Hao nodded. He was about to reply when he heard cracking sounds from the side. It sounded like the sound of bones cracking.

Turning around, he saw mu hanyan sitting on the other side, her fists clenched tightly and her expression frighteningly dark.

He immediately shut up.

“Aiya!”

Holy maiden Tian kui turned around and pretended to be surprised. “Sister hanyan, I forgot you were still here!” However, you shouldn’t mind, right? I’ve heard that you’re not a real couple.”

Ga la! Ga la!

When mu hanyan heard this, she clenched her fists even harder.

“I don’t mind! Of course I don ‘t!”

She gritted her teeth and said word by word.

“That’s good!”

The Tian kui Holy maiden chuckled. She leaned forward and was almost touching Tang Hao.

“Young master mu, you’re so brave! “When can we discuss that kind of knowledge ...” She leaned close to Tang Hao’s ear and blew a breath of hot air through the veil.

“That aspect? Which aspect!”

Tang Hao said with a smile.

“Aiya! Young master mu, you’re so bad, asking when you already know the answer!” She said immediately.

Motherf * cker!

What an adulterous couple!

Mu hanyan watched from the side, gritting her teeth so hard that they were about to shatter.

These two fellows were really too shameless!

Many people on the island had the same thought.

“This mu guy is too shameless! And you’re flirting with the sunflower witch right in front of miss mu!”

“Both of them are the same, shameless!”

They all cursed.

“Hmph! This bastard!”

In the air, a gaze peeked out from another Palace and stared at the divine martial warship.

This was the palace of the Cang Ming mountain.

The number one genius of the Cang Ming mountain, Wang Feiyu, sat in the hall with a dark expression.

It was this bastard surnamed mu who had humiliated him in the divine martial imperial capital!

He still remembered this grudge very clearly.

“This demoness really doesn’t know what’s good for her. I’m the bravest, and that mu is nothing.” He glanced at saintess Tian kui, his eyes filled with jealousy.

Although she was a demoness of the heavenly sunflower Palace, in terms of beauty, there were few in the entire East continent who could compare to her. Moreover, as a member of the heavenly sunflower Palace, she was extremely good at bed-making techniques. She was a rare stunner and he had been eyeing her for a long time.

Seeing her being so friendly to this mu, he was naturally unhappy.

“When I kill him, I’ll be the bravest!” He snorted, and his eyes flickered with killing intent.

Previously, his strength was indeed not as good as this fellow’s. However, his cultivation base had soared and his strength was no longer the same.

This time’s elemental spirit Association was a good opportunity for him.

“Mount Yulong will also make a move, right? It’s easy to kill him!”

He turned his eyes and looked at another Palace not far away.

It was the palace of Mount Yulong.

With the enmity between Jade Dragon Mountain and the divine martial Kingdom, it was impossible for them to not take any action. What he had to do was to pay attention to the movements of Jade Dragon Mountain and follow behind them.

“He, is he that mu guy? It’s a little powerful!”

In another Palace, a white-robed figure was sitting upright. He was sipping tea while looking outside and smiling leisurely.

For the Grand Tian kui Holy maiden to take the initiative, it was enough to show how brave that mu was in bed. He was truly a strange person!

“One against five, and he managed to make those immortal tokens lose their armor. I’m not as good as him!”

He sipped his tea and sighed.

“However, that’s all there is to it!”

Then, he shook his head and revealed a disdainful expression.

This mu fellow was only worthy of praise for his ability. If he were to disregard this ability, he was really ordinary. He was absolutely incomparable to a flawless-level monster like him, whose name had shaken the East continent.

Furthermore, he was not an ordinary monster, but a peerless monster with unparalleled wisdom!

“This time, Jade Dragon Mountain will definitely make a move. When that time comes ... Hmph! This guy is Emperor shenwu’s confidant, so he must have some good treasures on him!”

He also cast his gaze toward Mount Jade Dragon.

“Hahaha! I’m smart!”

As he thought about it, he couldn’t help but smile smugly, and his mood was great.

“Is that him? Emperor shenwu’s trusted aide!”

“This guy is quite interesting!”

From all four directions, many gazes peeked out and focused on the divine martial warship.

On the divine martial warship, the Tian kui Holy maiden’s body was almost pressed against Tang Hao ‘s.

From time to time, she would giggle, and her pair of plump breasts would shake violently, which was simply soul-stirring.

“Aiya! Young master mu, you’re so bad, teasing me again!”

After Tang Hao made a slightly perverted joke, she laughed so hard that she almost laid on top of Tang Hao.

Ga la! Ga la!

At the side, mu hanyan clenched her fists, her face as cold as ice.

On her smooth forehead, there were even blue veins popping up from time to time.

“Cough! Your Highness, it’s time to go back!”

At this moment, another figure flew out of the sunflowers Palace. It was not elder Xu, but another beautiful woman in Palace attire. She was a middle-stage high holiness.

Although the primordial spirit Association didn’t have any clear restrictions on the cultivation level of the participants, everyone had an agreement to send some young geniuses or middle-stage high holiness.
