

The Mightiest Little Peasant Chapter 383

“That can’t be!” The women around Qin Xiangyi did not believe what they heard.

Fang Ya indeed had an attractive body, and the way she dressed made her popular among the men, but she was in a different league than Qin Xiangyi. There was no chance that Tang Hao would have an eye for her.

It was even less possible that they were making out in a gathering.

Qin Xiangyi grunted softly. She did not believe it as well.

She could directly sense that the Yan woman must have a hand behind it.

“Why can’t it be?” Yan Lili chuckled. “You should know very well that men can’t control whatever is in their pants. Xiangyi is pretty, that’s right, but maybe he is bored of her already?”

“Well...” The women hesitated.

They thought that what Yan Lili said made sense. They were aware that men usually could not control themselves when a sexy woman presented herself to him.

Moreover, Fang Ya was quite seductive. They might be flirting with each other earlier.

“Of course, maybe nothing is happening too. Don’t worry, Xiangyi, we’ll go around and look for him!” Yan Lil said pretentiously.

She turned around and brought her best friends along. They pretended to walk around the place and eventually into the corridor that led to the washroom.

While they were walking, they could hear the sounds of people making out in a room, muffled by the walls.

They were shocked when they heard that. The original plan was for Fang Ya to flirt with him and stall for time until they arrived to catch him in the act. Why did it sound like they were actually doing it though?

Yan Lili furrowed her brows and mumbled, "That's even better. Too bad the kid has taken advantage of her though!"

She turned around and waved in the direction of the hall.

Many people came over. They were shocked when they heard the muffled noises from the room.

Qin Xiangyi came over. Her brows were tightly locked together.

She did not believe that Tang Hao would do something like that, so what was actually going on inside?

"Do you believe me now? I've told you, all men are trash. They can romance a woman and be thinking of another. Of course, my honey is the exception," Yan Lili said smugly.

She was excited to see Qin Xiangyi's face when they would kick open the door and catch her boyfriend in the act.

"I didn't expect that he's such a pervert! This is an outrage!" Qin Xiangyi's friends said indignantly.

Qin Xiangyi furrowed her brows. She was beginning to get worried.

She knew that Yan Lili was behind this. Perhaps Yan Lili had exhorted Fang Ya to flirt with Tang Hao.

Moreover, Tang Hao was at that age. Perhaps he was not able to withstand the temptation of other women.

“We’ll see what’s going on inside, then we’ll talk!” Qin Xiangyi said coldly.

Yan Lili grinned smugly, then took out a set of keys and unlocked the door.

Creak!

The sounds inside stopped abruptly when the door was opened.

When Yan Lili saw the people inside, the smile on her face immediately froze.

She was utterly stunned. Her eyes were opened wide in fear, and her face immediately turned pale as a sheet.

Her body wobbled and she nearly fell on the floor.

The people behind her rushed into the room, preparing to watch the drama.

However, they stood still as though they had turned into stone when they saw what was happening on the bed.

Their eyes were opened wide in incredulity. Their throat made several primal grunts but none of them managed to form a sentence.

The people behind them were curious about what was going on in the room.

Catching an illicit couple in the act should have been a noisy and tumultuous event. Why were they all silent?

Also, why was there the sound of a woman panting and moaning? Was she still in the mood even though she was caught in the act?

They quickly squeezed their way into the room and were stunned by what they saw.

Qin Xiangyi went into the room. She did a spit take when she saw what was going on.

Two bodies were entwined on the bed. The male's head was lifted and staring at the crowd like a deer caught in the headlights.

He was none other than He Zhengyu, the responsible and faithful man in Yan Lili's eyes!

Qin Xiangyi immediately understood that Yan Lili had tried to set Lil Tang up, but he had upended her plan.

She nearly burst out laughing when she saw Yan Lili's ashen face. She felt extremely cathartic.

"Haha, he does have eight-pack abs!"

She tried hard to hold back her laughter, but eventually could not hold it back and doubled over.

Some other people were chuckling as well.

Things were getting interesting. The 'perfect man' as Yan Lili had described him was making out with her best friend in a gathering. That was an ironic turn of events.

'Perfect man? Haha! What a joke! He made out with his wife's best friend. That makes him the ultimate scumbag!'

"How could this be?" Yan Lili's expression became more and more unpleasant.

'It shouldn't be like this!'

She had seen with her own eyes the kid carrying Fang Ya into the room, so how was it suddenly her husband?

Furthermore, why were they making out?

She breathed heavily and clenched her fists tightly. She was trembling with anger.

"This can't be... this can't be... I don't believe it!" She mumbled to herself, almost losing her mind.

Someone spoke up from behind the crowd.

"What's going on? Why is everyone gathered here? Is there an accident?"

Yan Lili shuddered when she heard that voice.

That voice belonged to none other than Tang Hao.

Tang Hao squeezed past the crowd as he spoke. He came into the room and stood next to Qin Xiangyi.

“Oh wow, this is spicy news!” He said.

Qin Xiangyi gave him a side-eye and grabbed his hand tightly.

She tickled Tang Hao’s palm with a finger, as though telling him, “I know you did all this.”

Tang Hao chuckled and held Qin Xiangyi’s hand tightly.

The ensuing scene was incredibly cliched. He Zhengyu struggled out of Fang Ya’s embrace, got out of the bed, and tried to explain himself. Meanwhile, Yan Lili grabbed everything within reach and threw the objects at him.

The scene was incredibly dramatic.

That was the climax of the gathering, and also the end of it.

The couple was still laughing when they left the mansion.

They sat in the rented sports car, and Qin Xiangyi immediately leaned closer to him. “Tell me, how did you manage to do that?”

Tang Hao grinned and said, "That's too easy. I've already noticed that He Zhengyu isn't as faithful as his wife claims. He has weak kidneys, probably from excessive wine and sex.

"After that, I observed him closely and saw that he's been flirting with every female like he's Ted in human form. He flirted with the female servants, and also Yan Lili's BFFs. It seemed that he had previous encounters with Fang Ya too."

"I took the opportunity to go to the washroom when he was flirting with a female servant. Then, that Fang Ya came to me.

"I pretended to be seduced, of course, then discreetly fed her a potion. After that, I used her phone and sent a salacious text message to that He guy. Of course, he fell for it.

"What happened next? Tinder met fire."

Tang Hao relayed the events with a smile.
