

## The Mightiest Little Peasant Chapter 441

No one in the parking lot made a sound. The students' eyes were focused on that beautiful figure.

The boys seemed eager and obsessed.

The girl in front of them was no less beautiful than the beauty queen, and she looked to be about the same age as them. The military uniform she wore gave her a unique, heroic charm.

Her distant, impassive expression only piqued the boys' curiosity.

The girls had mixed reactions toward her. Some were envious, though others were awestruck.

After a short moment of silence, the crowd eventually came to their senses and exclaimed loudly.

"Oh my god, it's a beautiful girl, and in uniform too!"

"What's your name, beautiful girl?"

The boys were shouting excitedly.

However, they dared go any closer to her. After all, the beautiful girl was a soldier, and there was a fully-equipped military helicopter right on top of them.

Many people had discerned the rank of the girl. She was so young, but she was already a major in the military. That showed that she was not a pushover.

Meanwhile, Fang Qiming stood there, caught in a daze. He was thoroughly obsessed.

One could see what he was thinking, judging from the crazed look in his eyes.

He straightened his suit, tidied his hair, and checked his appearance in the reflection of the car window. After making sure that his looks were impeccable, he walked toward the girl with an eager smile.

“Hello, beautiful girl, what’s your name? Let’s be friends!”

He flashed the most attractive smile he could muster.

The girl glanced impassively at him, said nothing, and turned away.

Fang Qiming froze there.

He could sense that the girl had thoroughly ignored her.

‘Dammit! She’s so cold!’

He cursed under his breath, though he did not show his displeasure on his face. However, he soon regained his confidence. “Why are you here, beautiful girl? Do you have something?” He said with a smile.

The girl did not look at him. Instead, her eyes swept across the crowd.

She opened her lips. “I’m looking for someone!” She said coldly.

Everyone was dumbstruck.

'She's looking for someone?'

That was weird. They were all students. Who could the beautiful girl be possibly looking for?

Moreover, was there a need to come over on a military helicopter? That was too excessive!

They eventually overcame their initial shock and started guessing who the beautiful soldier might be looking for.

"Who could that person be? That person must be some big shot!"

"I didn't know that there's a military big shot at Z University!"

Everyone started looking around for that elusive big shot.

The beautiful girl continued to look around her. Eventually, her eyes were transfixed on a certain spot among the crowd.

She started walking quickly to that spot.

Everyone looked toward where she was going.

Their hearts were in their throats.

Many people who stood in front of her became excited. They fantasized that they had some hidden superpowers that they did not know about. That was why the military sent a helicopter and a beautiful female soldier to invite them.

They were already writing adventures in their minds.

However, the beautiful girl ignored all of them and continued walking forward.

She kept on walking...

Everyone continued to look at where she was heading.

“That guy doesn’t look like it, nor does he. They all look like nerds. Hm? Isn’t that Tang Hao? Don’t tell me it’s him?”

Everyone’s gaze eventually fell on Tang Hao.

The beautiful girl seemed to be walking toward him.

“That can’t be! He might have some money, but he’s just a regular nerd. Why would the military look for him?”

Fang Qiming was surprised, but soon, he started laughing. “It can’t be him! He’s only a windfall tycoon from a mountain village. Why would the military look for him? What a joke!”

Fang Qiming displayed a look of condescension on his face.

However, his expression gradually froze.

The beautiful girl walked closer and closer to Tang Hao.

“No, that’s impossible!” Fang Qiming mumbled. His eyes were transfixed on her.

He hoped with all his might that it was all a misunderstanding, that the girl happened to be passing by there. However, no matter how he looked at it, the girl was walking toward Tang Hao.

Everyone held their breath at that instant.

Three meters, two, one...

The distance between the two people became closer.

Everyone felt as though their hearts were leaping out of their throats.

“Don’t stop there! Don’t stop there!” Fang Qiming mumbled repeatedly.

Under everyone’s eager gaze, the beautiful girl stopped in front of Tang Hao.

Everyone fell silent at that instant. They had no words for what they had witnessed.

When they came to their senses, they let out an earth-shattering exclamation.

“Oh my god! It’s really him!”

“F\*ck, there’s no justice in the world! The beauty queen likes him, and now this young and beautiful soldier is here to look for him. How am I any worse than him?”

Many people exclaimed in surprise. Many others wailed and howled. They thumped their chests and stamped their feet.

‘Why is it him?’ Many people were wondering.

Cao Fei, Liu Bingyao, and all the other people standing next to Tang Hao were stunned. The shock in their hearts was indescribable.

“Damn, Brother Hao, this chick is here to look for you?” Cao Fei exclaimed.

Liu Bingyao’s mouth was slightly agape. She looked at Tang Hao wordlessly.

She knew that Tang Hao was not a mundane person, but she did not expect that he was connected to the military, and a beautiful girl no less!

Tang Hao coughed. He felt awkward.

He had a premonition that the helicopter was here to look for him, but he was not sure. After all, there was no reason that the military would be looking for him.

He was also wondering what was going on.

“Follow me quickly, Major Tang!” The girl said after looking at Tang Hao. “The Agency needs you!”

Everyone's jaw dropped when they heard that.

The mouths of the students were opened wide. One could fit a chicken egg in them.

What did they just hear? That beautiful female soldier called Tang Hao 'Major Tang'! 'The Agency needs you'? That sounded like it was from some action movie!

That line had utterly shocked them.

Fang Qiming's eyes were almost popping out of their sockets. He was shocked beyond belief.

"No! That's impossible! I must be dreaming!"

He pinched himself hard as he mumbled. "Ouch!" He yelped in pain.

'It hurts! I'm not dreaming!

'But... if I'm not dreaming, how could this be so ridiculous?

'That Tang kid is in the military? And he's a major too?

'What kind of big joke is this?'

Fang Qiming pulled the hair on his head. He was almost losing his mind.
