

The Mightiest Little Peasant Chapter 526

Everyone all around Tang Hao fell silent.

All the male students stood there as though they were turned into stone.

When they came to their senses, they exclaimed in surprise.

“Oh my god, how could that be?”

“Why is it him again? What’s his plan? First, it was Beauty Queen Liu. The new beauty queen hasn’t even enrolled yet, and he’s already staked his claim on her. How are we supposed to continue living?”

The male students wailed loudly.

The appearance of a new beauty queen was supposed to be a blessing.

However, the new beauty queen was already claimed before she even reported in, and by that freak Tang Hao no less.

They stood no chance against Tang Hao!

Many people were angry.

“He’s too cruel!”

“That’s right! We have to bring down Tang Hao and save our beauty queen!”

“Bring down Tang Hao, save our beauty queen!”

They waved their arms and shouted indignantly.

However, no one answered their call to arms. Everyone around them looked at them as though they were idiots.

“I’d like to see you bring Tang Hao down!”

“What an idiot!”

They sheepishly lowered their hands. They were almost crying.

‘That’s right! How can we ever hope to defeat that freak?’

“Don’t mind them, Yan’er. I’ll bring you to the registration counter and then the dorms. After that, we’ll go shopping for essentials,” Tang Hao said.

“Mm!” Yan’er replied.

Tang Hao led her through the crowd and went away.

Fang Qiming stood there, clutching his chest. He had a pained and sorrowful expression on his face.

His body teetered and nearly fell to the ground. He leaned against his Lamborghini, pressing his temples while looking utterly crestfallen.

“What’s wrong, Council President?” The people behind him crowded around him and asked worriedly.

“Ah, I can’t go on like this! This world... is too cruel! Nothing can pull me out from this pit of despair!” Fang Qiming lamented sorrowfully while clutching his chest.

Tang Bowen and the others nearly rolled their eyes when they heard that.

‘Dammit, you have rich parents! What’s so cruel about this world to you?’

However, they dared not say that out loud. They hastily helped Fang Qiming stand up straight.

“Cheer up, Council President!”

Meanwhile, Tang Hao brought Yan’er to the registration counter. After that, he walked her to the dorms. People became restless wherever they went.

It was about three o’clock in the afternoon when Yan’er settled in her dorm.

Tang Hao took her on a tour around the campus.

Yan’er was both curious and excited. She exclaimed “Wow!” occasionally.

“What are we going to do now, Senior Tang?”

Yan’er turned around and looked at Tang Hao. There was an innocent smile on her pure and beautiful face.

Everyone who saw that smile was dumbstruck.

“Why are you calling me Senior all of a sudden?” Tang Hao laughed.

Yan’er smiled mischievously. “You’re my senior now, Brother Hao!”

Tang Hao helplessly shook his head. “Let’s get some food, and after that, we’ll go shopping. Let’s buy you a phone, laptop, new clothes, and everything else!”

“Mm!”

After a meal and some shopping, it was already nine o’clock at night when they returned to her dorm.

Tang Hao returned to his apartment after that.

The apartment was slightly dusty after being unoccupied for two months. Tang Hao cleaned the place until late into the night.

The next morning, he brought Yan’er around Provincial City.

Classes started on the third day.

When he tried to sneak into the classroom from the back door, the classroom fell silent for one second before exploding with a collective exclamation.

Cao Fei and the others rushed over to him excitedly.

“Brother Hao, tell us, what relationship do you have with Beauty Queen Shi?”

“What relationship...?” Tang Hao said.

“You still don’t admit to it, Brother Hao? It’s all over the forums and social networks now. You don’t know how many people are heartbroken.”

“That’s none of my business!” Tang Hao said helplessly. “By the way... is she really that popular?”

“Of course, her popularity is through the roof.”

Tang Hao was at a loss for a reply.

“Ha, let’s settle down for classes! See, Teacher Jiang is here.” Tang Hao tried to steer the conversation topic away.

He had just finished speaking when they heard the rhythmic clacking of high heels down the corridor.

Very soon, Jiang Wanying entered the classroom.

She was dressed plainly in a white T-shirt and jeans. Her face was as pure and beautiful as usual.

“Wow!”

Cao Fei and the others were stunned by her looks. They quickly returned to their seats and greeted her.

“Good morning, Teacher Jiang!”

“I haven’t seen you for two months, and you’ve become prettier!”

Jiang Wanying smiled. She carelessly glanced at Tang Hao sitting in the back row.

Her heart wavered when she looked at him. She was not sure how to handle those complicated emotions yet.

She was a teacher, and he was her student.

As a law-abiding and conservative person, she would never have dreamed of falling in love with her student.

It had been a month and a half since they returned from Merrica. She had been thinking of him every day.

She turned to look at the other students, and her face blushed red.

Falling in love with a student was a new yet exciting sensation for a conservative person like her.

It was a feeling that she had never experienced before.

She walked to the podium and placed her items. She spent a great effort to compose herself, assume a serious expression, and start the lesson.

After class, everyone got out of their seats and prepared to move to another classroom.

“Please stay back for a moment, Tang Hao. I have something to discuss with you,” Jiang Wanying said as she tidied her belongings.

Her head was lowered and she pretended that there was nothing out of the ordinary, but her cheeks were burning hot.

Tang Hao stopped walking and turned around.

“Is there anything, Teacher Jiang?”

Jiang Wanying looked at him and spoke seriously, “Follow me to my office. I need to tell you something.”

She picked up her belongings and walked away in her high heels.

Tang Hao was slightly baffled but followed behind her.

He wanted to meet her anyway.

They went up a flight of stairs and arrived at the office. Jiang Wanying entered her room, placed her belongings on the table, and told Tang Hao, “Close the door!”

Tang Hao did what he was told.

When he turned back around, he could sense that the atmosphere in the office was not quite right.

Jiang Wanying's back was facing him. She was slightly bent over, which accentuated the curves of her butt.

"Ahem!" Tang Hao felt awkward. He struggled to look away.

"Is there anything, Teacher Jiang?" He asked again.

Jiang Wanying turned around and looked into his eyes. Her gaze was brimming with affection.

She bit her lip, took a big step forward, and hugged him tightly.
