

The Mightiest Little Peasant Chapter 554

An A8 arrived at the front of a private clubhouse in the north of Provincial City.

Tang Hao stopped the car in front of the door. He looked at the clubhouse and frowned.

It was a high-end, private clubhouse for rich people. The annual membership fee was hundreds of thousands of yuan.

It was a very exclusive clubhouse. Why was Bingyao there?

He had been in contact with Liu Bingyao and knew that she had gone to an entertainment company for an interview and was selected. She was supposed to sign a contract today.

Did the people from the company bring her to the clubhouse for dinner?

Tang Hao furrowed his brows and his expression darkened.

The entertainment industry was a chaotic place. He knew about the “unspoken rules” in the industry, which did not give him a positive impression.

Liu Bingyao’s beauty would probably attract a lot of covetous eyes.

‘Don’t tell me that she’s in trouble? Otherwise, she wouldn’t have called me over.’

He pondered for a moment, then got out of the car and walked towards the clubhouse.

In front of the clubhouse stood two burly men dressed in black. When they saw Tang Hao walking over, one of them stepped forward and raised his hand to stop Tang Hao. He said coldly, "Sorry, this is a private clubhouse."

Tang Hao grinned. He reached out his hand and patted his shoulder. "Don't worry about it. I'll just go inside and take a look!"

The man in black was stunned. A strange fragrance wafted and his nose twitched.

Then, his gaze turned vacant, and he obediently stepped aside.

The other man was stunned. He took a step forward and also smelled a strange fragrance. Immediately, his gaze turned vacant and allowed Tang Hao in.

At that moment, in a luxurious private room in a corner of the clubhouse, about twenty people were sitting around a huge table and having a meal.

There were more than ten men and eight women.

Those men had different appearances. Some of them had pot bellies and some were dressed artistically.

The women were all young. Several of them were in their late teens, while the oldest among them was about twenty-two or twenty-three.

Some of them were quite charming and beautiful, while a few others wore revealing clothes and heavy makeup. There was no telling how many layers of powder applied to their faces.

Their eyelashes were frighteningly long.

Moreover, their jawlines had undergone plastic surgery, and their breasts were pumped full of silicone.

The women leaned against the men beside them, teasing them from time to time. They were having a good time.

The other women were reluctant, though they allowed the men to run their hands across them.

Liu Bingyao sat next to the door with an awkward look on her face.

On her left sat a middle-aged man with a potbelly and black-rimmed glasses. On her right was a bald middle-aged man.

The bald man helped Liu Bingyao with the food from time to time. He even reached out to touch her hand, but every time, she dodged his advances.

The bald man seemed unhappy but remained eager.

His gaze on Liu Bingyao was filled with infatuation.

He had been in the entertainment industry for so many years, and with his status, he had his way with all kinds of women. However, Liu Bingyao was on another level.

He was stunned the first time he saw her.

'Beautiful!

'She's too beautiful! She looks like a fairy from the heavens.

'Moreover, she is at the perfect age and possesses the perfect body.

'She has an angelic face and a devilish body.'

He picked up the food and swept his gaze over her graceful figure. He gulped to stop himself from drooling.

His eyes greedily devoured that young and beautiful body.

'She's probably still a virgin!' He thought to himself and became even more excited.

That was the only reason why he kept his patience with her. If any other plastic woman pretended to be virtuous, he would have slapped her face.

'It's OK for such a beautiful woman to be virtuous. Otherwise, she would be no different from the others.'

.

"Have you tasted this, Bingyao!" He placed a slice of meat in Bingyao's dish.

"I can't eat anymore, Director Tian!"

Liu Bingyao said softly. She gently moved her hand to avoid his hand.

Director Tian was a little embarrassed, but he resumed his smile and said, “Bingyao, you have the best body that I’ve ever seen. As long as you’re willing, you’ll definitely have a role in my movies.

“You should know that I’m not bragging. There aren’t that many people who are more famous than Tian Qiuming in this industry.

“You’ll be a big star if you have my support. The sky’s the limit!

“You also like to sing, right? Sure! I know many famous composers. I’ll get them to write songs for you. I guarantee that you’ll be famous worldwide.”

The men around her laughed when they heard that.

“That’s right! You can’t imagine how influential Director Tian is. With him supporting you, you’ll definitely be famous.”

The other women glared at her enviously.

“Director Tian is right, Bingyao. I brought you here today to give you a shot at fame. You must seize it!”
The man on Liu Bingyao’s left said.

As he spoke, he smiled at Director Tian. “Director Tian, don’t mind her. She’s still new at this.”

Director Tian smiled and said, “It’s fine!”

Seeing that, the man felt much more at ease. He looked at the young woman beside him and a regretful expression flashed across his face.

He would not have given up such a top-notch beauty, if not that he had to curry Director Tian's favor.

However, that was also fine. Director Tian might have gotten first dibs, but there was plenty left for him. In any case, she had already signed the contract and could not escape from his grasp.

As he thought of that, he swept his beautiful figure away and felt a little smug.

"That... it's fine!" Liu Bingyao said softly.

She understood that her "shot at fame" was to sleep with the man and be his mistress. It was an "unspoken rule."

She did not expect that she would be encountering such a situation in her first venture into her entertainment industry.

When Director Tian heard that, he maintained some civility on his face, though he was becoming impatient.

He grunted coldly and said, "You don't know how to appreciate favors."

His expression darkened and said, "Let me tell you, you have the qualifications, but in the entertainment industry, it's useless to only be beautiful. You need the connections and someone to give you the opportunity to be famous.

"I'll just say this. If you don't agree today, there's no future for you in this industry!

"Let me tell you, don't pretend to be virtuous. Virtue means nothing in the entertainment industry. Which A-list female star didn't sleep her way to fame? If you want to be famous, you have to strip.

“You have no background, no support, and you still want to pretend to be high and mighty? Who do you think you are!” He glared angrily at Liu Bingyao as he said that.

The dining table suddenly fell silent, and the atmosphere turned gloomy.

“Oh, Boss Chen, don’t be like that! She’s new to this, so it’s normal for her to be embarrassed.”

“Exactly!”

The men laughed as their gazes brazenly swept over Liu Bingyao.

The women were gloating over her misfortune.

“Still pretending to be virtuous? What an idiot!”

“If you don’t understand that simple concept, why are you in the entertainment industry? In your dreams!”

They started mocking her and felt proud for doing so.
