

## The Mightiest Little Peasant Chapter 555

Liu Bingyao sat there with her head lowered. She did not make a sound.

She felt somewhat resentful.

Those ugly faces disgusted and nauseated her.

They were all famous figures in the industry!

After a long while, she said, "It's fine, Boss Chen, Director Tian. I've already called my friend to pick me up. I'll be leaving." She stood up as she said that.

Director Chen's expression changed. He slammed the table and shouted, "How dare you?"

Then, he pointed at her with a finger and said sternly, "If you dare to walk out, don't you dare come back! You better think this through!"

"You're still pretending to be virtuous, your filthy whore? Your chastity is worth nothing in this day and age. I'm giving you a chance to become famous, yet you don't appreciate it." As he spoke, he reached out and tried to grab her hand.

To him, a female college student like Liu Bingyao who had not seen the world would be easily cowed by his threats.

However, Liu Bingyao dodged him again.

"You filthy whore!"

He flew into a rage. He stood up furiously and raised his hand to slap her.

At the same moment, the door was kicked open with a bang.

“Freeze, police!” Someone shouted.

The people in the room nearly jumped out of their seats.

The plastic women quickly adjusted their clothes and sat upright.

The men also sat up properly.

Boss Chen’s hand also froze in mid-air.

Everyone was confused. Why would the police raid the clubhouse? Even if they would, they would have heard about it.

They immediately turned their heads toward the door. They did not see any police officers, but only a young man.

In an instant, everyone was furious.

“Who the f\*ck are you?”

“Where did this filthy kid come from? Is he pranking us? Where are the security guards? Who’s that idiot? Hurry up and throw him out.”

The men slammed the table and cursed.

Liu Bingyao was stunned and almost laughed out loud. She quickly walked toward Tang Hao and grabbed his hand.

“Let’s go, Tang Hao!” She said.

Everyone was stunned.

‘So the brat is the friend that she called over? They seem like they’re more than friends.’

The expressions of Boss Chen and Director Tian darkened when they saw the two holding hands.

“Ho! So he’s your boyfriend? Tsk tsk, what’s so great about him? You can tell that he’s some poor loser just by looking at his clothes,” One of the plastic women yelled sarcastically.

“That’s right!” The others responded sarcastically.

Liu Bingyao’s expression darkened, and she glared at them coldly.

“Oh, so you’ve found your backbone, you little whore?” They mocked.

Tang Hao glanced at them and almost vomited.

‘What the hell? My stomach is churning just by looking at them. That face is almost plastic, and you can almost stab someone with that chin!

'How many surgeries did that take?'

Boss Chen pointed at him angrily. "You've signed a contract, Liu b\*tch. If you walk away now, don't even think about having a future in the industry. I'd think twice if I were you.

"Everything will be fine if you stay. I guarantee that you will be famous!"

Liu Bingyao glared at him. "Bullsh\*t. That's not the fame I want to pursue. I quit now. Who cares!"

She became more and more agitated as she spoke. Her pretty eyes widened. "I'd rather not sit together with all you 'famous directors' and 'elite agents'. You disgust me!"

She felt a lot better after speaking her mind.

The faces of the people at the table turned red and extremely unpleasant.

"Let's go! I don't want to see those people anymore."

Liu Bingyao held Tang Hao's hand and walked out.

Tang Hao touched his nose. He was taken aback by her tirade.

That was a side of her that he had never seen before.

Liu Bingyao walked away in her high heels. Her white dress fluttered in the wind, revealing a pair of smooth and slender legs. Her black hair fluttered in the wind, revealing her perfect profile.

She suddenly turned around and looked at Tang Hao.

“Why do you keep looking at me?”

“How do you know that I was looking at you...” Tang Hao muttered.

“I... of course I can sense it. I was too angry earlier, you don't see me scolding others on a usual day. Those people just now were truly despicable. What's worse is that they're influential people in the industry! Just thinking about it makes me angry.”

She wrinkled her delicate nose and huffed angrily.

“That's the entertainment industry for you!” Tang Hao said.

As they spoke, they walked out of the clubhouse's main door.

The two men in black at the door were stunned when they saw Tang Hao, but they couldn't remember when or how that guy walked past them.

“This pisses me off!” She said angrily.

She sat dejectedly in the car after she got in. Her eyes were slightly red.

She did not expect that her plan to become an idol was dead in the water after taking her first step.

“I'm really useless!” She curled up and said softly.

“That’s not your fault. They’re all scumbags!” Tang Hao said.

“I know. I was too naïve to think that everything will be smooth-sailing. I didn’t expect the reality to hit me so fast. Now, I’ve signed the contract and offended my agent. It’s all over,” she said sadly.

She raised her head and glanced at Tang Hao, feeling even more disappointed.

She wanted to become an idol because of him. Now, there was no hope at all.

The huge blow made her extremely sad.

Tang Hao smiled and said, “What are you afraid of? I’m here. Didn’t I say that I would support you as much as I can?”

She was stunned and raised her head. “what should I do?”

“That’s easy. Just wait for the news tomorrow! It’s nothing that I can’t handle! I remember all their faces. I’ll stand up for you.”

“Oh!” She nodded and suddenly felt a lot more at ease.

It was not her original plan to rely on him, but it felt good to have someone to rely on.

“Thank you!” She whispered and blushed.

“Don’t mention it. I’ll send you back!” Tang Hao said.

“OK!” She nodded.

About ten minutes later, they arrived at Z University, and Tang Hao sent her to her dorm.

After seeing her go upstairs, Tang Hao sat back in the car with a darkened expression.

He pondered for a moment, then took out his phone and went online to look up information on Tianze Entertainment.

Then, he dialed another number.

“I want to ask you for a favor, Old Master Luo. Do you know about a company named Tianze Entertainment? I want to buy it. Can you help me pull some strings? Yes, tomorrow!”

After ending the call, Tang Hao started the car and drove away.
