

## The Mightiest Little Peasant Chapter 581

It was half-past eight when he reached home.

Tang Hao sat down in the living room, took out his tablet, and browsed through the news.

That was his daily habit. If he had no important business, he would read the news about Haotian Pictures or Tianze Entertainment.

After a while, his phone rang.

Tang Hao noticed it and quickly picked it up.

“Lil Tang!” Qin Xiangyi’s charming voice came from the other end of the phone.

“You’re quite early today!” Tang Hao said.

“I just got home and took a shower!” Qin Xiangyi said and yawned. “I’m a little tired today. I’ve gone to many places to survey for a new factory site!”

“Have you found it?” Tang Hao asked.

Qin Xiangyi had mentioned to him that she wanted to move to a bigger factory to increase production so that she could start her own designer label.

That was her dream since she was young.

Naturally, Tang Hao fully supported it.

“Not yet! I’ve surveyed many sites, but none of them are satisfactory!” Qin Xiangyi said.

“There’s no rush!” Tang Hao said.

“Mm!” She replied, “Do you miss me, Lil Tang?”

“Yes!”

“I miss you too! I haven’t seen you for almost ten days!” There was a hint of resentment in her voice.

However, her tone became cheerful once more. “How about I come over tomorrow, Lil Tang? I want to meet you!”

Tang Hao was surprised and said, “OK! When will you be here, and how many days are you planning to stay?”

“Well... I’m not sure yet. There will be a major trade fair in Provincial City in a few days, and I’m going to attend it.

“Also, I want to hire a few designers to prepare for the future.” Qin Xiangyi said.

“Okay! I’ll see you tomorrow!” Tang Hao said.

After chatting for more than half an hour, they said good night to each other.

The next morning, Tang Hao went to class.

Close to noon, he received a text message from Qin Xiangyi. She had just arrived in Provincial City.

After class, Tang Hao said to Cao Fei and the others, "Let's go. I'll treat you to a meal!"

Their eyes lit up at the prospect of free food. They leaned close and said, "You're so nice, Brother Hao!"  
While some others said, "You're so handsome, Brother Hao!"

"I'm not the one paying!" Tang Hao said.

Cao Fei and the others were surprised. "Who else is paying, if not you?"

"We'll see." Tang Hao took his backpack and walked out of the classroom.

The group of friends walked out of the gates. Soon, they saw a red sports car coming from the other side of the road. It attracted the attention of the people along the way.

"Wow! A Ferrari!" Cao Fei and the others exclaimed.

The sports car sped over and came to a sudden stop in front of them.

Cao Fei and the others were surprised. They opened their eyes wide when they looked inside the car.

A beautiful woman was driving the Ferrari.

The car door opened, and the woman walked out.

She was tall, slender, and graceful. She wore a black and fitting one-piece dress.

She looked as though she had emerged from a dream. Her beauty was breath-taking.

“Ffff...” Cao Fei and the others stood rooted to the ground, dumbfounded.

They had seen their fair share of beautiful women before, but they had never seen someone so beautiful.

“Brother... Hao... who... who is she?” Cao Fei struggled to form a complete sentence.

He had learned his lesson. He knew that if a beautiful woman appeared near Z University, she was there to look for Tang Hao.

Before Tang Hao could reply, the beautiful woman smiled charmingly, walked over, and held Tang Hao in her arms.

Cao Fei and the others were dumbfounded once again.

“Me? I’m his real girlfriend and future wife! Thank you all for taking care of my Lil Tang!”

‘Real girlfriend?’ Cao Fei and the others gradually opened their mouths wide. The shock in their hearts was indescribable.

‘F\*ck! The beautiful and charming woman is Brother Hao’s real girlfriend?’ That was their first thought.

'Wait a minute, isn't Brother Hao's girlfriend Beauty Queen Liu?' That was their second thought.

However, when they thought about it carefully, the relationship between Brother Hao and Beauty Queen Liu was not as intimate as boyfriend and girlfriend.

"So, you're Sister-in-law!" Cao Fei quickly reacted and said with a warm smile.

"Nice to meet you, Sister-in-law!" Zhuo Hang and the others greeted her as well.

Qin Xiangyi was stunned and burst into laughter. "Sister-in-law? What do you call him?"

"Brother Hao!"

"Brother Hao?" Qin Xiangyi smiled again and glanced at Tang Hao mischievously.

"Let's go! Dinner is on me today!"

"Oh, you don't have to, Sister-in-law!" Cao Fei said hurriedly.

"It's fine! I might not have as much money as him, but I can still afford to treat you." Qin Xiangyi smiled, turned around, and sat in the car.

"How much money does she have?" Cao Fei whispered to Tang Hao.

"A few ten million! She's the boss of her own factory!" Tang Hao said.

Cao Fei was shocked once again.

'Damn! Not only she's beautiful and sexy, but she's rich too?'

"Let's go! Get a few cabs and follow behind us!" Tang Hao got in the car as he said that.

Cao Fei and the others hailed two cabs and followed them.

The group arrived at New Magical Kitchen and had a meal.

After dinner, Cao Fei and the others went back to the university, while Tang Hao brought Qin Xiangyi to his apartment.

"This is where you live? It's quite close to the university!"

After getting out of the car, Qin Xiangyi looked around curiously.

"Yes! I can take the bus to school!" Tang Hao said.

"Let's go! Bring me to your apartment!" Qin Xiangyi held Tang Hao's hand and smiled sweetly.

Tang Hao took her hand and went upstairs.

"Wow! How cozy!" Qin Xiangyi exclaimed as she stepped into the house.

She turned around on the spot. Her face brimmed with joy.

When they returned to the living room, she suddenly turned around and looked at Tang Hao.

“I miss you so much, Lil Tang!” She said emotionally.

She tiptoed and kissed him on the lips.
