

The Mightiest Little Peasant Chapter 582

The room was quiet.

Tang Hao lay on his side and gently hugged the beautiful woman in his arms.

Her face was very close to his. She lazily narrowed her charming eyes.

The two of them looked at each other without saying a word, while the temperature of the room rose.

She reached out and gently stroked Tang Hao's cheek. "Lil Tang, I'll come and look for you whenever I miss you, OK?" She said softly.

"OK!"

Tang Hao responded, grabbed her hand, brought it close to his mouth, and gently kissed it. "Let's meet more often in the future!"

However, she shook her head and said gently, "No, this is fine. If I see you every day, I'm afraid you'll get tired of me. Then what should I do?"

"How can I get tired of you? I'll never get tired of you, even if we stay together for three hundred and sixty-five days a year!" Tang Hao said with a smile.

"Wow!" She exclaimed and said with a charming smile, "Lil Tang, Let me have a taste of that mouth of yours!"

As she said that, she moved closer and gave him a light kiss.

“Mmm, so sweet! I can even taste it in my heart!” She giggled.

They fondled each other for a moment. “Don’t worry. I’ll definitely tell you before I come. Otherwise, I might see something that I shouldn’t see.”

Tang Hao immediately coughed awkwardly.

She smiled mischievously and said, “You’re still young now, and I can’t control you! When we get married in the future, you’ll have to listen to me!”

As she said that, she furrowed her brows and counted on her fingers.

“Sigh! It’s still so far away. You’re only nineteen. That’s another three years to go! By then, I’ll be twenty-seven years old. You won’t dump me because of that, right?”

She stared at Tang Hao with sparkling eyes.

“You won’t be old. You’ll always look so young and beautiful! Why would I dump you? Besides, even if you are old, I won’t dislike you at all!” Tang Hao said.

“Really?”

“Really!” Tang Hao said confidently.

“I’m very satisfied with this answer! Come, let me reward you!”

She smiled and flipped over abruptly, pinning Tang Hao under her.

The sky outside gradually darkened.

It was seven o'clock at night when they got out of bed.

They met up with Qin Gang and had dinner together.

In the next two days, Tang Hao accompanied her on a tour around Provincial City.

At the same time, she did not forget about work. She met up with many designers and hired several of them for future business expansion.

That evening, Tang Hao combed his hair and put on a black suit, leather shoes, and sunglasses. He looked like a different person.

“Wow! So cool!”

Qin Xiangyi's eyes sparkled as she walked out of the room.

She was wearing a fitting white dress that revealed her shoulders and made her look alluring. Small crystals were embedded in the dress, which made it particularly eye-catching.

She wore a pair of seven-centimeter high crystal heels. She looked even taller and her curves were even more attractive.

“How about this dress?”

She turned around and showed it to Tang Hao.

“It’s nice!”

“That decides it!”

She walked over and adjusted Tang Hao’s tie. She smiled and said, “This bodyguard of mine is really handsome!”

Tang Hao smiled and said, “I’m going to follow you closely today. You’re so beautiful today, I’m sure many men will target you!”

She pursed her lips into a smile and said, “I don’t like any of them. You’re the only one I like.”

As she said that, she leaned forward and kissed him.

“Let’s go!”

She stretched out her hand and pulled Tang Hao out of the door.

He started the car and drove to a luxurious hotel on the west side of the city.

That was the venue of tonight’s industry gathering.

Everyone in the industry gathering was from Province Z’s clothing industry. They were there to exchange their experiences and make friends.

That was also the first time Qin Xiangyi was invited to participate in such an industry gathering.

They arrived at their destination about ten minutes later.

Cars arrived from time to time outside the hotel. They were all luxury cars, and every person who stepped out of them looked wealthy.

The invitees of the gathering were bosses with at least ten million yuan in assets. It was a rather impressive scene.

When Tang Hao opened the car door and the beautiful figure stepped out, the noisy entrance of the hotel instantly became silent.

Those people looked toward her and could not look away.

She was so beautiful, like a fairy who descended from the heavens. The jewelry on her body made her even more dazzling and eye-catching.

As soon as she appeared, everything around her paled in comparison.

Everyone was stunned, whether they were the hotel staff or the guests.

She held Tang Hao's hand and looked around with sparkling eyes.

"Let's go!"

She smiled at Tang Hao and walked inside.

Tang Hao handed the car keys to the valet and followed closely like a bodyguard.

“Wow, what a masterpiece!”

“Who is she?”

The people in the crowd talked among each other.

They were looking at the beautiful woman eagerly, and even obsessively.

Tang Hao and Qin Xiangyi noticed a reception counter as they stepped into the lobby. On it was written “Provincial City Clothing Manufacturers’ Association”.

The two people behind the counter were momentarily stunned when they saw Qin Xiangyi’s figure, after which they hurriedly stood up.

“Excuse me, are you here to join in the industry meeting?”

Qin Xiangyi nodded and showed them the invitation card.

“So, you’re Ms. Qin! Welcome! By the way, this is... ?” The receptionist looked at Tang Hao as he spoke.

“Oh, he’s my bodyguard. My personal bodyguard!”

Qin Xiangyi turned around and glanced at Tang Hao with a charming smile.

“Personal bodyguard?”

The man instantly revealed an envious look.

‘A personal bodyguard for such a beautiful boss? How lucky!’

At that moment, a group of people following behind quickly came up and enthusiastically handed over their business cards.

“Nice to meet you, Ms. Qin. Let’s be acquainted. This is my business card!”

“It’s your first time here, right, Ms. Qin? Come, I’ll bring you around!”

Every one of them showed eager looks on their faces.

“Thank you! But there’s no need!”

Qin Xiangyi politely declined and led Tang Hao inside. Soon, they arrived at the venue. In an instant, the venue was in an uproar.

“Who is that beauty? I never knew that we have such a beauty in our industry!”

“I overheard earlier. Her surname is Qin!”

“Her surname is Qin? Oh, right, she should be the boss of Yishang Garment Factory! She’s from Westridge!”

The people became even more excited.

She was the boss of a small-scale factory, which meant that it would be easy to make a move on her. It would be different if she owned a bigger factory.

Those people enthusiastically surrounded her, almost drowning her.

In the chaos, a few hands sneakily reached out toward her body, wanting to take advantage of her.

“Excuse me!”

Tang Hao squeezed forward, shoved the group of people away, and shielded her behind him.

The men were surprised. They glanced at Tang Hao and said unhappily, “Who the hell are you?”

Tang Hao smiled and said, “I’m her personal bodyguard!”
