

The Mightiest Little Peasant Chapter 587

Tang Hao said, "Let me know when that happens!"

"Yes! You'll definitely be the first to know!" Liu Bingyao said with a smile.

She was silent for a while, then smiled and said, "Actually, I first decided to venture into the entertainment industry on an impulse. I've never expected that I would achieve such results in less than a month.

"Speaking of which, I still have to thank you. If it weren't for you, I wouldn't have taken the first step."

She looked at Tang Hao and said gratefully.

If Tang Hao had not supported her, she would not have been able to continue on that path, and she would not have attained that level of popularity so quickly.

"No need to thank me. You earned this through your hard work," Tang Hao said. "Keep up the good work! When you're more famous, you can star in my movie."

"Really?"

Liu Bingyao's beautiful eyes lit up.

She had heard about Haotian Pictures and had been closely following their developments.

"Of course!" Tang Hao said.

“Alright, I’ll definitely work hard. Right now, I’m at most an Internet sensation. I’m not even a celebrity yet!” She clenched her fists and looked excited.

After chatting for a while, she stood up and said, “I have to go back!”

“Let me send you off!”

Tang Hao stood up as well.

“OK!” She nodded.

The two of them stuck their heads around the corner and looked around. Seeing that no one was nearby, they walked out and headed toward the front gate.

However, they soon encountered several boys walking along a narrow path.

Tang Hao and Liu Bingyao were both stunned.

The boys were also stunned.

The two parties stared at each other for a few seconds.

Tang Hao and Liu Bingyao turned around and walked away hurriedly.

“Whoa! Isn’t that Tang Hao! Who’s that beautiful woman?” Someone cried out in surprise.

Then, another person exclaimed, “Oh my god! That’s Beauty Queen Liu!”

He sounded quite excited.

“What? Beauty Queen Liu?” The others were also instantly excited.

They knew that Beauty Queen Liu had signed up under an agent and her live streams were extremely popular. She was an Internet sensation now, and she would be a future diva.

“Don’t go, Beauty Queen! Can I get your autograph before you leave?”

“Hey! Don’t leave!”

They hurriedly caught up to the two people.

Tang Hao and Liu Bingyao walked away even faster.

This commotion alerted the people nearby.

“Beauty Queen? Is that Beauty Queen Shi? Eh, no! Oh my god! That’s Beauty Queen Liu!”

“Beauty Queen Liu is back!”

The discovery caused an uproar.

Excited male students rushed over from all directions.

“Don’t leave, Beauty Queen! Please give me your autograph!”

“Tang Hao, you bastard! Let go of Beauty Queen Liu’s hand this instant!”

“Tang Hao, you bastard, why are you running? Dammit! Are you born in the Year of the Rabbit?”

Tang Hao grabbed Liu Bingyao’s hand and ran away.

Liu Bingyao’s pretty face blushed, but she did not object to him holding her hand.

The two people broke out of the human barricade and ran wildly.

However, the news quickly spread around, which caused a campus-wide uproar.

“Beauty Queen Liu is back!”

“Quick! Let’s go and get her autograph!”

Hordes of male students rushed out of the classroom. The windows of the academic buildings opened, and heads poked out to look around.

In a matter of minutes, the entire campus was in chaos.

Equally chaotic were the emotions of countless hot-blooded male students.

The fairy-like Beauty Queen Liu was every boy's dream girl. Her singing made her even more desirable.

Beauty Queen Liu had finally returned to school after a month!

That was a good opportunity to get close to the goddess! They would stand no chance if she became more popular in the future.

Tang Hao pulled her hand and hid in a corner.

The two people stopped to catch their breath.

Tang Hao was fine, but Liu Bingyao was panting heavily. She clutched her chest, her face red and drenched in sweat.

As she panted, she glanced at Tang Hao and suddenly laughed happily.

Suddenly, she heard footsteps coming from the other end.

There was nowhere to hide.

The footsteps were getting closer and closer.

In a moment of desperation, she bolstered her courage and hugged Tang Hao. Then, she retreated to the corner of the wall and pressed her face against Tang Hao's chest.

Tang Hao was stunned by Liu Bingyao's bold move.

His self-control wavered as he felt the soft, warm, and delicate body in his arms.

He continued to hug her without moving.

Her body was stiff as if she was very nervous. Her face that was buried in his chest was boiling hot.

Thump! Thump!

Her heart was beating faster and faster, as though it would jump out of her chest.

The footsteps continued to approach them.

“They’re not here?” Someone exclaimed.

Then, someone said angrily, “F*ck! Why can’t you find a better place to make out?”

“Let’s go! The love in the air is making me nauseous!”

The group of people quickly left.

The two remained still even after the footsteps faded away in the distance.

She hugged him tightly, and for a moment, she was caught in a daze.

She was getting obsessed with the masculine smell on his body.

She came to her senses after a long time. "Ah!" She abruptly let go of her arms, and her face was blushing furiously.

Tang Hao was also blushing slightly.

Their eyes met, and they quickly looked away. The atmosphere was rather ambiguous.

"Well... Let's go then!" Tang Hao stammered.

"OK!" She lowered her head and replied.

The two of them sneaked out, and Tang Hao brought her to the front gate with the help of a concealment spell.

He Meiting was waiting for Liu Bingyao not far away from the gates.

She was visibly shocked when she saw Tang Hao. Then, she calmly called out, "Mr. Tang!"

"President He!" Tang Hao also greeted her calmly.

"Let's go, Bingyao!" She waved at Liu Bingyao.

"Alright. Bye!" Liu Bingyao waved at Tang Hao.

"Bye!" Tang Hao also waved.

Liu Bingyao smiled sweetly, opened the car door, and got in.

The car started and slowly drove away. Suddenly, Liu Bingyao rolled down the car window, stuck her head out, and shouted, "Don't forget to listen to my song, Tang Hao!"

She waved again and got back into the car.

The car drove farther and farther away.

Tang Hao stood there for a long time, watching the car disappear beyond the street corner.

He took out the gift box and opened it gently. There was a CD inside.

Under the CD was a piece of paper.

It was a letter written in a neat script.

"Dear Tang Hao, I hope that you'll like my song.

"PS: It seems that I'm one step closer to our promise. Don't worry, I will continue to work hard!"

Liu Bingyao signed her name at the bottom and sealed it with a kiss.

Tang Hao's heart stirred slightly as his fingers stroked past the faint lip print.

Then, he smiled.

He had other classes in the morning, but he decided not to attend. He went straight home, inserted the CD into his computer, put on his headphones, and played the music.

He was instantly mesmerized by the gentle music and heavenly voice.
