

## The Mightiest Little Peasant Chapter 602

Captain Lei's hand holding the military ID started to tremble slightly.

His eyes gradually widened, like bells.

He gulped hard. "This... must be... a fake, right!" He stammered.

Cold sweat dripped down from his forehead.

The other police officers were all stunned when they saw that.

'What's wrong with Captain Lei? Isn't that just an ID?'

"Haha! Look at your face, Captain. Haven't you seen a military ID before? Let me see what's on it!"

Behind Captain Lei, a SWAT officer laughed and walked forward to look at the ID.

When he looked closely, he abruptly stopped laughing, and his expression instantly changed. His eyes and mouth opened wide enough to contort his face.

"This, this, this..." He stammered in extreme shock.

The other police officers were stunned again when they saw his face.

"Damn! Is that contagious?"

“The ID can’t be coated with poison, right?”

They discussed in low voices while stealing weird glances.

They could not figure out why that ID would be so shocking.

“Haha! All of you are inexperienced. Isn’t he a major, at most? What’s so surprising about it? I know a few majors myself!”

Zhao Wuyang laughed and walked up.

He thought that Tang Hao must be at least a major with his power. Perhaps he might be a lieutenant colonel or a colonel at most. Perhaps that was why the other two people were so surprised.

‘Hmph! How ignorant!’ He thought contemptuously.

“Let me take a look!”

He coughed lightly and took the ID from Captain Lei’s hand. Then, he looked at it closely.

In the next moment, his entire body trembled, and the smile froze on his face.

Then, his eyes widened. He was no different from Captain Lei and the others.

His body froze on the spot as if he had been petrified.

“F\*ck! That ID is poisonous!”

The police officers were in an uproar.

“Come! Let me take a look. I don’t believe it!”

“I’m the bravest. Let me do it!”

One police officer after another walked up. They were skeptical at first, but after they saw the ID, they were stunned.

“Wow! What are you guys doing?”

At that moment, Zhao Qingxue walked in.

She did not react when she saw the corpse on the ground. Instead, when she saw the group of stunned men, she could not help but be surprised and curious.

“What is this? A military ID? It can’t be his, right?”

Zhao Qingxue walked up and took the ID from the hands of a police officer.

When she took a closer look, her beautiful eyes suddenly widened, and she gasped.

“Major... general? Are you serious?”

As she spoke, she lifted her head and looked at Tang Hao, her face full of shock.

'A nineteen-year-old major general?

'What kind of joke is this?

'That's absolutely ridiculous!'

She would have broken the ID into half and laughed out loud, if not that she knew it belonged to Tang Hao.

"Really?" She asked.

"Yup!" Tang Hao nodded and said, "I just got promoted not long ago!"

Zhao Qingxue's mouth opened, but she could not speak a word.

She stood there in a daze and did not move for a long time.

Eventually, she laughed bitterly.

"F\*ck! What a freak!"

The police officers finally came to their senses, but they remained speechless.

Many people had toiled their entire lives and could not reach that rank, but that kid... how old was he again? He had somehow attained that rank.

That was simply unheard of!

“Oh! Zhao, is he some sort of deity?”

Captain Lei pulled Zhao Wuyang aside and asked softly.

His expression seemed respectful.

To be a major general at that age, one either had to have a powerful background or superhuman abilities. Either way, they would not be ordinary.

“Well...”

Zhao Wuyang opened his mouth, but he did not know how to introduce Tang Hao.

After thinking for a while, he said, “Do you remember the time when something happened in the city headquarters and the superintendent was removed from his post? That day, military trucks blocked the entrance.”

“I know! I’ve heard about it!” Captain Lei said. Then, he slapped his thigh and said in shock, “F\*ck! It can’t be because of that kid, right?”

“That’s him!” Zhao Wuyang said.

Captain Lei laughed bitterly and said, "Why didn't you say so earlier!"

He broke out in cold sweat when he remembered the rude and mocking words he used on the kid.

"Haha! It's fine, nothing happened at all! You all saw it, right? That bastard wanted to snatch the gun, but Major General Tang subdued him. In the chaos, the gun accidentally went off!"

Captain Lei shouted at the SWAT officers.

"That's right, that's how it is!"

"I saw it very clearly! Major General Tang is so powerful!"

The SWAT officers replied as though that were the truth.

"That's right, that's how it is! Alright, let's call it a day! Ah, right! Ol' Zhao, shall we have dinner tonight?"  
As he spoke, he glanced at Tang Hao.

Zhao Wuyang understood and said to Tang Hao, "Let's have dinner tonight! Qingxue, you should come too!"

He looked at Tang Hao, then at his sister mischievously.

He was a criminal police officer with acute observation. He could see that there was some chemistry between them.

Zhao Qingxue blushed. She agreed to it and looked at Tang Hao.

Tang Hao nodded and agreed.

“Alright, that settles it. See you tonight!” Captain Lei laughed and left with his people.

Tang Hao also followed Zhao Qingxue out.

“Major General! I really couldn’t tell!”

The two of them walked side by side. Zhao Qingxue turned her head and glanced at Tang Hao.

There was a soul-stirring brilliance in her beautiful eyes.

“Hai! It’s just a title!” Tang Hao said.

Zhao Qingxue smiled and said, “Even if it’s just a title, many people dream of attaining it!”

She felt emotional when she looked at Tang Hao.

She remembered how down-and-out he was when they first met. He was peddling products at a bathhouse, and she had arrested him.

At that time, he even tried to sell products to her!

However, she had ignored him. Now, that product was selling like crazy, and he had become a billionaire major general.

At that time, she probably did not expect that she would eventually fall in love with him!

Thinking of that, she could not help but smile.

“What are you smiling at?” Tang Hao said, surprised.

“Nothing!” She glanced at him and said.

Then, she quickened her pace and walked to the car. “I’ll send you back first! I still have something to do at the provincial headquarters. I’ll pick you up after five!”

“Alright!” Tang Hao nodded.

After returning home, Tang Hao took a shower and changed his clothes. Not long after, Zhao Qingxue arrived downstairs.

She had changed into casual clothes, and she seemed more charming than ever.

“Get in the car!” She waved at Tang Hao.

After Tang Hao got in, she stepped on the accelerator and sped away. They arrived at a restaurant near the police station.
