

The Mightiest Little Peasant Chapter 620

Lin Wei and Su Yingyu were both stunned. Then, they almost burst out laughing.

'What's this kid talking about?

'He's invented magical cuisine? What a braggart!

'What is magical cuisine? It's now publicly recognized as the best type of cuisine. It has a supreme status in the culinary world. Many people think that it's impossible.

'Magical cuisine is legendary!

'How could such an amazing thing be invented by a kid?

'You don't even need your brain to think if the claim is true!'

However, the fragrance was undoubtedly magical cuisine. That kid really did know how to make magical cuisine.

Su Yingyu gritted her teeth. Her face was turning green with envy.

In terms of money, her husband could not compare to her cousin sister's boyfriend. Now, her husband lost in culinary skills too. She was furious.

"Don't brag, kid. That's probably the only dish you know!" Lin Wei said, "But speaking of that, I'm very curious. Where did you learn it? New Magical Kitchen doesn't pass its skills to outsiders."

“Does he need to learn it? He invented magical cuisine and founded New Magical Kitchen...” Han Yutong said.

Lin Wei was shocked. “He founded New Magical Kitchen? No way! Isn’t New Magical Kitchen under Haotian Group? It’s that big corporation!”

“Yes! He’s the chairman of Haotian Group!”

Han Yutong lifted her chin and said smugly.

Su Yingyu and Lin Wei were shocked.

Su Yufu spat out the tea in his mouth.

“Cough cough! Wh... what? He’s the boss of Haotian Group?” Su Yufu was astounded.

He had asked the kid what was his job earlier, but the kid only said that he ran a business. He did not expect it to be the famous Haotian Group.

“Yes!” Han Yutong nodded smugly.

Then, she looked at Su Yingyu instigatingly.

Su Yingyu had a blank expression. She still could not believe what she heard. When she came to her senses and saw the instigating look in Han Yutong’s eyes, her facial muscles twitched, and her expression became unpleasant.

She was extremely jealous.

'I'm so angry! What does she have that's better than me?'

She gritted her teeth and pinched her husband's waist hard.

"Ouch!" Lin Wei's face twisted with pain.

"So you're Haotian's boss, Lil Tang! How amazing! What a rare talent!" Su Yufu stood up and shook hands with Tang Hao enthusiastically.

He thought that Tang Hao was only a rich kid, but he did not expect him to be such an outstanding person.

Of course, he knew about the amazing Haotian Group, but he did not expect the chairman to be so young. It was unbelievable.

Soon, the Splendid Eight Treasures Soup was ready and served on the table.

The big bowl was emptied in a short while. Even Su Yingyu and her husband could not help but eat to their fill.

After lunch, they chatted for a while before Su Yufu's family left.

"They're gone, finally!" Han Yutong let out a long sigh.

She felt cathartic about what happened earlier.

“Thank you, Chairman Tang!”

She smiled brightly and leaned over to give Tang Hao a light kiss on the cheek.

“Oh, right, what are we going to do next? You promised to be my boyfriend for the whole day. It’s only three o’clock now!”

She furrowed her brows and began to ponder.

“How about... we go for a drive, watch a movie, or go shopping? Ah, right! I think there’s a meteor shower tonight. Will you view it with me, Chairman Tang?”

She turned to look at Tang Hao with some anticipation.

Tang Hao nodded and smiled. “You’re the boss today!”

“Yay!” She cheered joyfully.

“Then... wait for me for a bit. I’ll change my clothes!” As she said that, she turned around and went upstairs to her room.

About ten minutes later, her room door opened, and she walked out.

Tang Hao looked up, and he was instantly stunned.

She changed into the dreamy pure white gown that Tang Hao had bought for her. She wore a pair of sparkling crystal high heels on her feet and jewelry on her wrists and neck.

Her appearance was dazzling.

Her fair and delicate skin and her impeccable features even outshone the stars and the moon.

Tang Hao said, "You're..."

"We're going on a date! I have to dress up!" She walked over slowly and stretched a delicate hand at him.

Her hands were very beautiful. Her fingers were slender like flower stalks.

She was slightly blushing.

"Aren't you cold? !" Tang Hao reprimanded her. Then, he took out a fur coat and draped it over her shoulders.

Then, he held her hand.

She pursed her lips, feeling warmth in her heart.

"I'm heading out, Mom!"

Mrs. Han said, "Be safe! You won't be back for dinner, right?"

“Mm!”

They went downstairs and to the car. Tang Hao opened the car door and invited her in.

“Where are we going?”

“We’re going for a drive first. Then, we’ll buy a cake and watch the shooting stars,” Tang Hao said as he sat in the driver’s seat.

“Cake?” She was surprised.

“Yeah! Do you think I don’t know about today?” Tang Hao said with a smile.

“You know!” She stuck out her tongue and said playfully. She felt sweetness in her heart.

“Then... does this car count as a birthday present?”

“Nope! I’ve prepared something else as a present.”

“Really? What is it?”

“I’ll give it to you tonight!”

“Hmph! You keep me guessing!”

“Alright, let’s go!”

Tang Hao started the car and drove out.

The car attracted everyone's attention on the road. Many people turned to look at it.

After driving around and shopping, they bought a cake and went to a mountain in the countryside.

The car stopped. Tang Hao helped her to the roof of the car.

"Are you sure, Chairman Tang? This is a Rolls-Royce..."

"It's fine. If we damage it, I'll buy you another one."

The two sat on the car with the cake in the middle.

"Are you hungry?"

"A little! But let's wait for the shooting stars. If we make a wish, it'll definitely come true."

"Will there really be shooting stars?"

"I think so! I saw it on Weibo."

"Then let's wait!"

The two of them sat back to back, looking at the boundless night sky full of stars. They were awestruck by the view.

The night was quiet and peaceful.

They did not realize the flow of time.

Eventually, she could not contain her hunger.

“I’m so hungry! Let’s eat!”

“OK!”

She lit the candles one by one, clasped her hands, closed her eyes, made a wish, and blew the candles out.

“OK! Now it’s time for my birthday present!”

She looked at Tang Hao with an expectant gaze.

Tang Hao reached behind him and retrieved a small jade bottle.

Her beautiful eyes lit up. “This is a medical pill, right? Is it similar to the last one?”

“This is... a Pill of Everlasting Youth! You’ll retain your beautiful looks forever after eating it!”
