

The Mightiest Little Peasant Chapter 635

The delicate body in his arms trembled slightly.

The crying continued for a moment before it turned into a low sob. Tears stained the front of Tang Hao's clothes.

Tang Hao was silent for a moment before he sighed softly.

It was indeed tragic to be betrayed by one's own people.

After hesitating for a moment, he reached out his hand and patted her shoulder gently. "Don't worry. You're safe now!" He said softly.

"By the way, you don't blame me, right?" Tang Hao asked after pausing for a moment.

She shook her head and sobbed, "I don't blame you!"

"Oh! That's good!" Tang Hao breathed a sigh of relief.

She gradually stopped sobbing, but she did not let go. Just like that, the two of them held each other and stood there for a long time.

It was only ten minutes, but it felt like a century.

She finally let go and raised her head. Her beautiful face was full of tears, which made Tang Hao feel pity for her. It was completely different from the valiant look she had when they first met.

She wiped her tears and forced a smile. "I'm fine, really... I'll be fine in a few days.

"Thank you!"

She thanked him again. Her golden eyes were fixed on Tang Hao.

Then, she gently hugged him, turned around, opened the door, and walked out.

Tang Hao stood at the door and listened to her footsteps fading below him. He was a little dejected.

He felt a little upset to see her like that.

After a long time, he closed the door. Then, he walked to the balcony and watched her leave.

She seemed to have sensed Tang Hao's gaze. After walking for a while, she turned around, waved at Tang Hao on the balcony, and gradually disappeared into the night.

The next day, Tang Hao returned to Westridge.

He stayed there for three days before returning to Provincial City.

The next morning, he went to class as usual.

Tang Hao entered the classroom and sat down. As he ate from his stuffed jianbing, Cao Fei and the others surrounded him excitedly.

“Brother Hao, have you heard? There’s another beautiful girl in our university! She’s a foreign transfer student!”

There was an animalistic glimmer in their eyes.

“Beautiful girl? Foreign transfer student?”

Tang Hao was stunned. He had an ominous feeling in his heart.

“Brother Hao, that foreign girl... is top-notch! She’s too beautiful and eye-catching, like a goddess. And that figure... wow! As expected of a foreign girl. She’s really hot.”

As Cao Fei said that, he was almost drooling.

Zhuo Hang and the others also looked the same.

The surrounding girls sneered. “You guys are all perverts. How shameless!” Class representative Liu Feifei said angrily.

“That’s right! That’s right!” The other girls agreed.

Cao Fei and the others immediately felt sheepish.

“She’s really a masterpiece though, Brother Hao!” Cao Fei said softly.

“What’s her name?” Tang Hao asked. The ominous feeling in his heart grew stronger.

“She’s called Eve, I think. Yes, that’s her name. Now, all the boys are going crazy. They’re all researching on how to court a foreign girl!” Cao Fei said.

“And she’s from Europe too...” Zhuo Hang said.

“Oh!” Tang Hao responded, feeling rather confused.

Suddenly, he heard a commotion coming from outside the building.

Cao Fei pounced to the window and looked out, then excitedly shouted, “Quickly come and see, Brother Hao! It’s that foreign girl. Wow! She’s really beautiful. She’s practically a goddess.”

Zhuo Hang and the others hurriedly got up and rushed to the window.

Whistles and catcalls could be heard from all around.

Tang Hao stood up and walked to the window.

The windows of the other classrooms were all opened. Many heads poked out and looked downward.

A beautiful figure slowly walked over on the path outside.

She was a breathtakingly beautiful girl with exquisite facial features. She had a uniquely Western high nose and deep eye sockets. Her eyes were golden, like glowing gemstones.

Her blonde hair was scattered over her shoulders, making her even more dazzling.

Her figure was tall and graceful, and her curves were alluring.

As she walked, her short skirt fluttered in the wind, revealing her pair of smooth, straight, and long legs.

She walked over with her textbooks in her arms. Her billowing hair and skirt made her look like she had come out of a dream.

The boys who saw her were utterly mesmerized.

More and more people came from all directions to look at her.

“Hello!”

“How do you do?”

Many people gathered their courage and waved at her while shouting greetings.

She glanced at them but ignored them and continued to walk forward.

They were not discouraged and kept trying to strike up a conversation.

At that moment, a car horn was heard, and the Lamborghini appeared again. Fang Qiming, dressed in a flashy outfit, got off the Lamborghini with a big bouquet of flowers in his hand.

“You guys aren’t gonna make it! You need to have a luxury car to flirt with girls. Look at me.”

Fang Qiming thumped his chest and walked forward confidently.

“Ah! Ms. Eve, you are so beautiful. I was captivated by you the moment I saw you. I fell in love with you, and I could not forget you.

“You are the light from the heavens that illuminates my world. Ah! You are an angel!”

Fang Qiming kneeled on one knee and spoke in fluent English.

The people around him cringed when they heard that.

The girl was taken aback and stood there for a moment.

Then, she pursed her lips and smiled. “I speak Chinese, thank you! You speak very good English!”

“Ah?” Fang Qiming was stunned.

“Also, I don’t have any feelings for someone like you. Thank you!”

As she said that, she reached out, grabbed the bouquet, and tossed it aside.

Then, she smiled and walked away.

“Wow! So cool!”

“Her Chinese is fluent!”

The boys cheered loudly, and the atmosphere became more and more lively.

They followed her into the academic building.

“What do you think, Brother Hao?”

Cao Fei patted Tang Hao’s shoulder and chuckled.

Tang Hao stood there with a strange expression on his face.

His premonition came true. The girl called Eva was none other than Thea!

When he remembered how secretive she was the day before, Tang Hao grimaced and felt a headache.

When he returned to his seat, he heard a commotion in the corridor outside.

Tang Hao’s heart skipped a beat. The ominous feeling became stronger.

The commotion gradually came nearer. The entire row of classrooms was in an uproar.

“What’s going on?”

Cao Fei and the others asked curiously. When they walked to the door and looked, they were all stunned.

Clack! Clack!

That was the sound of high heels walking across the floor, gradually coming closer.

Eventually, the beautiful figure appeared at the door and stopped there.

Then, she turned to look into the classroom.

The people in the corridor and the classroom were stunned.

Why did she stop there?

Why did she look like she was looking for someone? She was a newly transferred student. Would she know anyone in the university?
