

The Mightiest Little Peasant Chapter 645

They strolled along the street.

“Mmm! This is so delicious!

“Try this. It’s matcha-flavored!”

She was elated. Whenever she saw any delicious street food, she would run over and buy two servings. Then, she would walk back, pass one to Tang Hao, then eat her portion as they continued strolling.

“Oh! I’m so full! When I go back, I have to take some weight-loss tea!” She rubbed her belly and muttered.

Tang Hao could not help but laugh.

“You’re making fun of me...” she said angrily, but when she turned her head to look at Tang Hao, she burst into laughter.

“What?”

“Don’t move!”

She smiled, took out a napkin, then moved closer and tiptoed. She brought the napkin next to Tang Hao’s mouth and gently wiped it.

They were very close to each other, and they could sense each other’s breath.

After wiping, their eyes met. The two of them were at a loss for what to do, and the atmosphere was rather awkward as they stood there.

The action was too intimate.

After a long time, she came to her senses and bashfully lowered her head.

Then, she turned around and walked forward.

“Let’s go!”

Seeing that Tang Hao was still standing there, she turned around and held her hand.

A moment later, the couple sat down in a dessert cafe.

Tang Hao took out his phone and checked the situation.

The fans from both sides were fighting fiercely on the Internet. However, it was obvious that Liu Bingyao had more fans and had the upper hand. Zeng Yan’s Weibo was about to be taken over.

Many people also came to Liu Bingyao’s Weibo to throw harsh words at her.

Liu Bingyao leaned close to take a look and frowned.

“Don’t mind it!” Tang Hao said.

“I know!” Liu Bingyao nodded. “I guess I’m used to it now! I used to feel down for a long time after seeing a bad comment. Sis Meiting taught me how to let it go.”

Then, she revealed a look of disgust.

“This Zeng Yan is quite despicable. When we were recording a show together in River Delta City, she had caused so much trouble for the crew! She was also the one who snatched the endorsement deal today!”

As she scrolled through the comments, Zeng Yan suddenly updated her Weibo.

[What a bright sunny day, just like my mood! I’m shooting a new commercial...]

She attached her selfie with the tweet. She wore heavy makeup, and she looked flirtatious.

“This photo is edited. She’s like a different person,” Tang Hao muttered.

He scrolled down and was surprised when he saw the location.

‘Isn’t this park in Provincial City? It’s only about ten minutes away!’

Tang Hao grinned.

If that woman was arrogant enough to snatch the endorsement and show it off on Weibo, he might have to teach her a lesson.

“Let’s go take a look!”

They went to the park.

There was a big crowd of nosy onlookers there.

In the middle of the crowd, a group of people was busy filming a commercial.

The two of them squeezed past the crowd and saw a person running along a path. It was Zeng Yan. She was dressed in sportswear, and the crew was following her with a camera.

“Cut! Miss Zeng, please put in more effort!”

“Cut! Miss Zeng, can you focus? Don’t be distracted!”

The director had to shoot multiple takes. He was getting frustrated.

‘This Zeng Yan is too unprofessional. It feels as though she is doing a half-hearted job. She isn’t putting in any effort at all, yet she is very arrogant. She keeps on throwing tantrums and complaining that she’s tired.’

‘What can I do with this character? It’s supposed to be Liu Bingyao. She’s hardworking, dedicated, and has a good reputation in the industry.’

‘This Zeng Yan is a spoiled rich kid. She’s putting on too much airs.’

Zeng Yan was getting impatient. She stopped running on her whim.

“There’s so many people here. I can’t concentrate!”

“Also, these shoes aren’t right. Can’t you prepare something better... Go and quickly buy me a new pair.”

She walked to the side, sat down, took off her running shoes, and tossed them aside.

She ignored the film crew and took out her phone.

While scrolling through Weibo, she sneered and said disdainfully, “All these losers!”

The film crew was stunned. They looked at each other, then at the director.

The director felt helpless. He was a mere director of the commercial, so what could he do?

“Go and buy a new pair!” He said to a gofer.

“F*ck! How cocky!” Tang Hao muttered.

He looked to her left and right, thinking of ways to prank her.

Suddenly, his eyes lit up. He saw the people walking their dogs in the park and immediately had a plan.

“I’m back with the shoes, Director!”

About ten minutes later, the gofer came running back while carrying a shoebox.

He suddenly tripped and fell. The shoebox also fell to the ground.

At that moment, a young man walked up to him, excitedly picked up the shoebox, and handed it back to him.

“Thank you!”

The gofer got up and thanked him. Then, he took the shoebox and squeezed past the crowd.

“That’s more like it! The pair from before was a little too small! Hmm? What’s this smell? Why is it so fragrant?”

Zeng Yan took the shoes and looked at them carefully. Suddenly, she furrowed her brows as she smelled the faint fragrance on the shoes.

However, she was not too bothered about it and put on the shoes.

“Come! Let’s do another take! Everyone, get ready!”

The director shouted, and the crew moved into position.

The shooting soon started.

Zeng Yan started jogging from the other end of the path with the camera and lighting crew following her.

“That’s more like it!” The director’s brows finally relaxed.

Click! Click!

Many people around took out their phones and started taking pictures.

Zeng Yan felt smug when she heard the people taking pictures of her. She held her head high and puffed out her chest, flaunting her exquisite curves.

At this moment, someone in the crowd exclaimed in surprise.

“Fido! Where are you going? Come back!”

“Come back here, Peanut!”

More and more people were shouting, and dogs started barking.

One after another, the dogs broke free from their leashes and ran toward Zeng Yan from all directions.

She was taken aback. Before she could recover her senses, the dogs had already arrived in front of her.

Her face turned pale out of fright. She was about to run away, but she accidentally tripped, and the dogs immediately surrounded her.

The dogs looked excited as if they were in heat. Several daring ones started humping her leg.

“Get lost! All of you, go away!”

She screamed and struggled with all her might. However, the dogs clung to her like chewing gum.

Everyone was dumbfounded.

It was an uncanny scene.

Then, the crowd started taking pictures.

Eventually, the film crew came to their senses. They rushed forward to drive the dogs away in heat and rescued Zeng Yan.
