

The Mightiest Little Peasant Chapter 647

“So that’s how it is!”

The man on the other end of the phone sounded surprised.

He knew that Zeng Yan did not get along with Liu Bingyao. He had helped Zeng Yan settle the endorsement deal two days ago, but he did not expect the unexpected turn of events.

“Yulong, about Haotian’s endorsement... can you think of something?” Zeng Yan begged.

The man was silent for a moment and said, “Haotian? I don’t have any relationship with them.”

“Oh!” Zeng Yan was a little disappointed. Then, she said hatefully, “How about that b*tch? I want to ruin her completely!”

“Her? Simple!” The man laughed disdainfully.

Liu Bingyao was only a small-time singer, and he could do whatever he wanted with her.

“However, I’ve been busy recently, and I can’t come over. I’ll find someone to help you. Do you know Gao Wei?” The man said.

Zeng Yan was immediately delighted.

Gao Wei was a notorious figure in the entertainment industry. He was known as the Number One Paparazzi. Not only could he find his way into anything, but he was also good at making up stories.

In the past few years, he had single-handedly brought down several big-name celebrities, not to mention any small-time celebrities.

In the entertainment industry, the mere mention of his name could make people tremble.

“That’s great!” She said happily.

If she could hire that person, ruining that Liu b*tch would be a piece of cake.

“That settles it. I’ll contact him later and ask him to go to you as soon as possible.”

After saying that, he ended the call.

“Hmph! Just you wait, Liu b*tch!” Zeng Yan gripped her phone and mumbled viciously.

Gao Wei arrived at nine o’clock in the evening. He was disguised in a black coat, a hat, and sunglasses. He carries two suitcases with him.

He walked out of the airport, looked around, and walked over.

Zeng Yan’s agent went forward, helped him put the luggage in the trunk, and sat in the driver’s seat.

Gao Wei sat in the car. He glanced at Zeng Yan who was sitting beside him and took off his sunglasses, revealing an unremarkable face.

“Nice to meet you, Ms. Zeng!”

He reached out and shook her hand.

“Mr. Gao, I’ve heard a lot about you!” Zeng Yan said with a smile.

“Ha! It’s mostly hyperbole!” Gao Wei said as he took off his hat. “Don’t worry, Ms. Zeng. Young Master Liu has personally requested me for this job. I’ll definitely do my best.”

“Thank you so much!” Zeng Yan said happily.

Gao Wei’s expression turned serious. “There’s no time to waste. Let’s get down to business! I’ve been paying attention to Liu Bingyao. She’s indeed quite the character, making a clean sweep on all the hit charts once she debuted.

“That He Meiting is indeed capable. She has produced a lot of famous celebrities in the past.

“However, I did a quick investigation and found something fishy. Take a look at this document...”

As he spoke, Gao Wei opened his briefcase and handed Zeng Yan a document.

“What’s this?” Zeng Yan asked, confused.

“This is the document for the change of ownership of the company. I pulled a lot of strings to get it. Just before Liu Bingyao debuted, Tianze Entertainment changed owners. Look at this name. Does it seem familiar?”

Gao Wei pointed to a signature at the bottom of the document.

Zeng Yan opened her mouth when she saw it.

That name was Tang Hao.

“Isn’t this...” Zeng Yan said in shock.

“Yes, it’s the same name as the owner of the Haotian Group. And just now, I got someone else to find out that there is a Tang Hao in Z University.

“Not only that, I joined their fan group and found out something very important. The person who sends millions of yuan in gifts every time Liu Bingyao streams on Sky Live is from Z University.

“Also, Haotian Group announced their new spokesperson today. Don’t you think... it’s too much of a coincidence?”

After saying that, Gao Wei looked up and stared at her.

Her mouth was wide open. She was utterly shocked.

The person behind Liu Bingyao was actually Haotian’s boss?

No wonder!

“Hmph! That b*tch pretends to be virtuous, but she probably sleeps with her sponsor,” Zeng Yan said with a sneer.

Gao Wei smiled but did not say anything.

That happened all too often in the entertainment industry. Many newly debuted celebrities had sponsors, including Zeng Yan.

“The mysterious boss of Haotian Group sleeping with a popular singer. That must be a hot topic.” Gao Wei licked his lips and became a little excited.

Then, he frowned and said seriously, “I checked on Haotian Group and found that they have quite a lot of clout in Province Z!”

“Why, are you afraid?”

“Ha! What do I have to be afraid of? I regularly offend people in my line of work. I’ve even offended people more powerful than Haotian. I’m still fine, right?” Gao Wei said disdainfully.

He waved his hand and said confidently, “Don’t worry, Ms. Zeng. I will definitely help you with this matter. I don’t want to brag, but I, Gao Wei, have never failed any mission that I’ve accepted.”

“Thank you very much, Mr. Gao! Where do you want to start?” Zeng Yan said.

“Well, we will start with the boss of Haotian. If we can get a photo of the two of them being intimate, then our mission is accomplished. It would be even better if they don’t have any clothes on.

“For a young female singer popular for her purity, a nude photo would ruin her completely.”

“Then I wish you success. Let’s go and have a meal to welcome you.”

The car started and drove towards the city.

The next day, a van with “Green Dam Pest Control” printed on it drove into the residential area.

It stopped in front of an apartment block. A man dressed in white and wearing a mask came down. He walked upstairs and knocked on the door of each house.

“Hello, I’m from Green Dam Pest Control. We’re providing free inspections today. Doesn’t matter if it’s cockroaches, rats, or termites, we can get rid of them all and give you a clean and comfortable home.”

Some people actually allowed him into their houses because it was free.

Ding dong!

He came to another door and pressed the doorbell.

Soon, the door opened, and a young man in his twenties walked out.

“Hello, I’m from Green Dam Pest Control...”

He repeated his words steadily.

As he spoke, he glanced at the young man in front of him and was secretly shocked.

That person was the owner of the renowned Haotian Group. It was truly unbelievable.

At that moment, he was already planning on executing Plan B in case the young man refused.

People were more vigilant nowadays. Pest control inspection scams did not have a high success rate.

The young man was sizing up Gao Wei with his bright and spirited eyes.

'What a sharp, oppressive gaze!'

As expected of Haotian's boss, there was indeed something extraordinary about him!

Gao Wei was secretly shocked when his eyes met that gaze.

Seeing that he had not spoken for a long time, Gao Wei was about to turn around and walk away.

However, at that moment, the young man nodded and said, "Come in! It just so happens that the house has been infested with insects recently. It should be termites, right? You can take a look."

Gao Wei was stunned. Then, he became ecstatic.

'Haha! What luck!'

He suppressed his excitement, lowered his head, took the toolbox, and walked in.
